## PRESIDENT'S REPORT

A grade cricket club can only exist through the continued effort and dedication of many people both on and off the field, and in 2006/07 we were again blessed to have many outstanding contributions. Highlights are as follows:-

### On the field

- Our first grade squad won both the One day competition and the Belvedere Cup, a significant double rarely achieved.
- Aaron Bird, Simon Keen, Chris Ridley, Chris Small and Daniel Burns were selected for higher honours at State or Australian U/19 level respectively.
- Under the watchful eye of head coach Shane Duff, training was engaging and generally well attended. Obviously our results in the lower grades were disappointing, however with so much talent coming through we expect improvements next season.

### Off the field

- The clubs mid term strategic plan was launched and great progress was made toward major facility redevelopment,
- We were again the beneficiaries of great support from our sponsors, in particular The Bankstown Sports Club who we owe a substantial debt of gratitude.
- Our 2nd annual cricket equipment appeal in support of cricket in Uganda was conducted and at last count we have a large shipping container packed and ready to go.

- Our involvement in Women's cricket, the staging of cricket Masala and our ongoing support for junior cricket in the Bankstown district are all a testament to the clubs broader ability to manage diverse interests with a high degree of success.

- We are continually amazed by the support of Bankstown City Council and we acknowledge their interest in the game of cricket and the community at large. In particular, we have incredible facilities in which to play cricket and Bankstown Oval under Warwick Starr's direction, remains one of the great coliseums for the battle of bat and ball.

In summary, like any great organization we are imbued with great people and culture and a special mention must be made of the Herculean commitment of Eris and Margaret Dignam, Brian Freedman and Marty Klumpp - all outstanding individuals who lead the renowned army of volunteers who make the club tick – thank you!

Finally, the management committee is pleased to acknowledge the involvement and contribution of two long serving players, namely Scott Thompson and Geoff Spotswood who will be inducted into the brotherhood of life membership, congratulations! I can't wait to hear their acceptance speeches at the upcoming AGM.

Cheers,  
Scott Grant – President BDCC

## FIFTY-SIXTH ANNUAL REPORT

I have pleasure in presenting the Fifty Sixth Annual Report and Financial Statement.

The 2006-07 season will be remembered for the magnificent performances of our first grade squad in winning the Belvidere Cup and Limited Overs competitions and the solid progress made towards completing key projects from our strategic plan. Prior to the season if we had been offered a finals berth in these competitions I suspect we would have said "thanks we'll take that"! To win both is a wonderful achievement by any standards and much of the credit rests with our team leader Scott Thompson and Head Coach Shane Duff.

Scott Thompson has enjoyed a successful career at State and grade levels but I know last season ranks as his most enjoyable and satisfying. His achievement in blending a group of old hands with our best emerging young players is testimony to his skilful leadership.

Shane Duff, in his second year at the helm of our coaching team, made subtle changes to his approach of 2005-06 and his ability to read players' needs and quietly but confidently support them on

and off the field marks him as stand-out talent in the elite coaching ranks.

I'll leave it to others to wax lyrical about individual performances but it would be remiss of me not to mention Corey Richards and Brett Van Deinsen. Corey's attitude to training and match days was outstanding. He is a proud Clubman and his professionalism sets the benchmark for all other players to emulate. Brett, in his first year at the Club, settled in perfectly. His abundant natural ability was complemented by his easy going manner and a fierce determination to succeed as part of a team effort.

Our on-field performances were the result of a lot of hard work by our Cricket Operations Committee headed by David Freedman and supported by Mark Grant, John Bull, David Drew and Chris Gane. This group looks after our retention and recruitment plans as well as having an oversight of coaching strategies and any issues affecting player performance.

We congratulate our representative players:

**Aaron Bird:** New South Wales Blues.

**Simon Keen:** NSW and Australia Under 19's.

**Daniel Burns:** NSW and Australia Under 19's.

**Chris Ridley:** NSW Under 19's.

**Chris Small:** NSW Under 19's.

We have made solid progress with the major project to undertake the next phase of capital works at Bankstown Memorial Oval. A key component of this plan is the construction of an Indoor Cricket and Sports Facility adjacent to Memorial Oval and Grahame Thomas Ovals. Through the efforts of our great supporter and friend Frank Burke I'm pleased to report that the formal Development Application was lodged with Bankstown Council on 30th June 2007.

We have already secured over \$850k in funding from Cricket NSW, Bankstown Sports Club, Revesby Workers' Club, Canterbury Leagues and a private benefactor and we are hopeful our application to the NSW Government for a Regional Sports Grant will receive favourable consideration.

Sponsors are our life blood and to our major sponsor, Bankstown Sports Club,

## BANKSTOWN DISTRICT CRICKET CLUB INC. FIFTY-SIXTH ANNUAL REPORT

---

we thank you for your continued support. I think one would be hard pressed to find a sporting or community group that doesn't receive generous financial assistance from BDSC. That the club continues to do this in the face of unprecedented business pressure by way of increased taxes etc is testimony to the integrity and sense of purpose of the Board of Directors and Senior Management.

During the season we hosted several second tier first class matches including the NSW Blues Inter-squad trials, a round of the Cricket Australia Cup and a City versus Country Colts match. We also supported CHS cricket by providing Grahame Thomas Oval, Jensen Oval and Memorial Oval to host the NSW Schoolboys Championships and the NSWPSA Girls State Championships. This Club is blessed to have a wonderful band of volunteers. I thank every person who scores, lifts covers, sells pies and drinks in the canteen and generally makes life easier for players and visitors. While there are too many to name individually

here, I must mention the following special contributors:

**Eris and Margaret Dignam**, as always, made a magnificent contribution to the Club's welfare. From handling the financial aspects of our operations, co-ordinating training, purchasing clothing and running the canteen Margaret and Eris are indispensable.

**Sherrol Gane** was named 'Scorer of the Year' by the NSW Umpires and Scorers Association and we are thrilled that her contribution to the Club on many levels was recognised through the inaugural presentation of this prestigious award.

**Mick Stephenson** handled our publicity via the Torch and Express newspapers and our website. Mick's ability to capture the feel for a match in words is legendary as is his cries of "Go the Bulldogs" from his favourite vantage point in front of the Dion Bourne Scoreboard.

**David Clifton** again assisted with

production of the Annual Report as well as the special memorabilia poster produced to celebrate the dual first grade premierships. David is actively involved with the NSW Cricket Umpires Assn. and the emerging 'All Stars Winter Cricket Assn.'" and makes a fantastic contribution to the wider cricket community.

**Brian Freedman** took over the Assistant Secretary duties and combined with his roles as a member of the SCA Committee of Management, work on various Cricket Australia sub committees, Delegate roles to the NSWCA, SCA and the Bankstown Cricket Council. Not to mention his tireless work driving our project to send recycled cricket equipment to Uganda! Perhaps we shouldn't be surprised to learn that this means he is probably more involved in cricket administration than ever. We are so lucky to have someone with Brian's passion, dedication and wisdom to keep reminding us what is important and show us how to make things happen.

## SPONSORS

---

We were delighted to again have Bankstown District Sports Club as major sponsor.

During last season we were honoured to host a farewell luncheon for Kevin McCormick in the Steve and Mark Waugh Pavilion to recognise his 40 years of service to BDSC. Following Kevin's retirement a long-time friend of our Club and great servant of BDSC, John Murray, took over the reins with Sports Director Dick Phillips as his deputy.

BDSC is very lucky to have a Secretary Manager of the calibre of John Mackay. Unquestionably the best in the business he combines business savvy with a great sense of 'doing the right thing' by the Bankstown Community. Assistant Manager Mark Condi is supporting John in his role and we are also grateful for the support and advice we get from him.

To John Murray, Dick Phillips and all Board Members and Staff who assist us in every aspect of our operations, we would like to place on record our thanks for your contribution to this club and the Bankstown Community in general.

Through the efforts of Scott Thompson Toyota Australia continued its relationship with the Club last season. Toyota provided a generous package including club clothing and direct financial assistance.

Revesby Workers' Club President Norma Smith, Vice President Daryl Melham and board members Ian Stromborg, Terry Semlitzky and John Gibbons are great friends of our Club and they continue to support functions and provide encouragement for our efforts both on and off the field.

Paul Burke and Alex Felici from Mike Hughes and Partners Insurance Brokers provided valuable financial support for our Under 19 NSW representatives. We thank Paul and Alex for their support and are delighted to report they will continue their sponsorship in 2007-08.

## ACCREDITED

### COACHES

##### **- Level Two coaches:**

- Ian Gill
- Ray Hall
- Corey Richards
- Brian Griffiths
- Greg Beaven
- Graham Dunn
- Amanda Owens
- Asha Smith
- Rob Mack

##### **- Level Three coaches:**

- David Freedman
- Geoff Spotswood
- Shane Duff (Club)

## UMPIRES ASSOCIATION

---

To all umpires and to the NSWCU&SA officials, especially Secretary Peter Hughes, we thank you for your tireless efforts.

Umpires are an integral part of our game and we encourage the SCA and NSWCA to provide every possible support for NSWCU&SA to continue their outstanding contribution to the game.

## PUBLICITY

---

Thanks to our local newspapers, "The Torch" and "The Express", for continued coverage of cricket.

At the Express Editor Emma Bladen, journalists Nathan Klein, Brett Cox and David Catt were all tremendous support. Editor Mark Kirkland and journalist Suheil Dumouny from the Torch also supported our Club at every opportunity.

Torch Photographer Aaron Brown won the SCA Photo of the Year for his action

shot on the first day of the Belvidere Cup final.

Mick Stephenson continued to produce press reports of the highest quality. Mick's columns are posted at [www.bankstowncricket.com](http://www.bankstowncricket.com) and appear in the Torch and Express newspapers.

## CLUB GROUNDS

---

The Club utilised Bankstown Memorial Oval for Men's First and Second Grade, Grahame Thomas Oval for Third and Fourth Grade and Jensen Oval for Fifth Grade. The Women's Club used Bankstown Memorial for 1st and Second Grade, Grahame Thomas for Brewer Shield and Jensen Oval for 3rd Grade.

Warwick Starr and his team continue to produce wickets, outfield and surrounds of the highest calibre. Warwick again turned out the City's premier sporting field Bankstown Memorial Oval in excellent condition, taking 3rd place in the SCA 1st Grade 'Ground of the Year' Award. Warwick's co-operative approach means we are able to host Women's cricket and Mini Cricket on a regular basis as well as first class, schoolboy's and schoolgirl's cricket tournaments when requested. We are very lucky to have a Curator like Warwick and should never take for granted the contribution he makes to our overall success as a club.

Grahame Thomas Oval has developed a reputation as a picturesque venue coupled with excellent quality wickets and outfield. The Oval supported Third and Fourth Grade, Women's Second Grade and a host of schoolboy's matches. Our new training facilities at Grahame Thomas suffered from some teething problems due to lack of side and top netting but these issues will be fixed by Bankstown Council during the off-season.

Jensen Oval supported Fifth Grade, Women's 3rd Grade, Martin Shield, Weblin Shield and Watson Shield. A ground that any grade club would be delighted to use, Jensen again rated highly in Umpires assessments.

## APPRECIATIONS

Dear Marty,

On behalf of everyone at RSAC, we wish to thank you and the Bankstown District Cricket Club for your support for RSAC and Disabled Cricket.  
The provision of the Bankstown Memorial Oval Cricket Clubroom for our Trivia Night on Saturday 21st April was very generous and this was a great venue with lots of atmosphere.

We also wish to thank you for the donation of the Milo Kanga Cricket Set - this is a significant contribution towards our Disabled Cricket Program and will be well utilized.  
Your ongoing support of RSAC is very much appreciated. Please pass on our thanks to your members.

Yours sincerely,

Jenny Bombardieri  
Executive Officer

Dear Mrs Dignam

I would like to thank you very much indeed for your extremely generous donation of \$1300.00 towards research into pancreatic cancer at the Cancer Care Centre, St George Hospital. I understand that your donation is in memory of the late Rosemary Friedman of Lugarno, and the you represent the Ladies Committee of the Bankstown District Cricket Club.

Please be assured that your kind donation will be used specifically for research, and we do have an active research program into new drugs and new therapeutic approaches to pancreatic cancer. Your donation will go straight towards this important research work, and will not be used for administrative purposes.

In due course, a tax deductible receipt will be sent to you from St George Hospital.

With kindest personal regards

Yours sincerely,

Dear Marty,

On behalf of everyone at RSAC, we wish to thank you and the Bankstown District Cricket Club for your donation of a Cricket Bat personally signed by Mark and Steve. This bat will be used as a prize at one of our upcoming fundraising events to support the Disabled Cricket Program.

As you are aware, RSAC is an unincorporated community organisation that relies on donations and fund-raising to be able to provide sport and recreational opportunities for people with a disability. Without the support of organisations such as you, we would be unable to continue to provide these services.

Your generosity will facilitate our fundraising efforts and is very much appreciated. Thank you again, many thanks.

Yours sincerely,

PICNIC POINT NSW 2213

Dear Martin

I write on behalf of the NSW School's Cricket Association to thank you for your contribution to the success of the recent Lord's Taverners Week (NSW Schoolboy's Cricket Carnival). Your provision of quality grounds and facilities enabled us to continue to provide the best schoolboy cricketers in NSW with playing conditions of first class standard.

We acknowledge that the provision of these facilities comes from your generosity and do not take this for granted.

Once again please accept our thanks and appreciation and we would hope that we can continue to call on your generosity in the future.

Yours sincerely

## OBITUARIES

### ROSIE FREEDMAN

In August 2007 Bankstown Cricket Club and the general cricket community lost one of our greatest servants with the death of Rosie Freedman. Loved and respected by all players, supporters, sponsors and fellow volunteers Rosie, flanked by her lifelong partner Brian, was the rock upon which the modern era of Bankstown Cricket Club is built.

For the best part of 25 years Rosie washed, cooked, served, ran errands, cleaned and smiled her way into our hearts. Rosie was (and is) an institution at Bankstown Memorial Oval where, in a gesture driven by our players, the canteen area is now known as 'Rosies'.

Beyond Bankstown Rosie was admired throughout the cricket world for the selfless way in which she supported Brian as a Director of Cricket NSW and Cricket Australia. It is testimony to her character that 'big boof-headed blokes' still confide to each other that they can feel her presence at Memorial Oval and talk openly about how they miss her smile and her company. Rosie was kind, caring, forgiving and wise.

She was everyone's 'other' mum. Doing the right thing was Rosie's way. Doing it all the time was her trademark. In his acceptance speech following Bankstown's victories in the Belvidere and Limited Overs Cups skipper Scott Thompson said "his team had an angel looking over them in 2006-07". That angel was Rosie.

Much loved and greatly missed but her legacy lives on.

### THERESE DARWEN

For seven years Therese Darwen 'fought the good fight' and acted as an inspiration to everyone she met. Along with husband Chris, Therese was always on hand to support and quietly encourage Patrick as he climbed the cricket ladder.

When there was work to be done, Therese was always among the first to volunteer even during periods when she was undergoing treatment and her health was poor. Therese never complained that she'd been hard done by.

She was always more interested in others and their problems rather than dwelling on her own situation. She had a particular knack for connecting with young people who loved her sense of humour and genuineness.

Therese was a great friend and support to Rosie Freedman during her illness and it is a cruel twist that has seen us lose two of our very best within a year of each other.

Perhaps the most fitting tribute to Therese and Rosie was the fact that more than 500 people attended their funerals with the majority heading back to the Steve and Mark Waugh Pavilion to celebrate their lives in a place they had shared much time and joy.

*L to R Peter Moy, Chris Ettridge, Therese Darwen, Chris Darwen, Rosie Freedman, Margaret Dignam, Eris Dignam prepare for a big day in the Club's canteen, now known as 'Rosie's'*

## BANKSTOWN SPORTS CLUB 'PLAYER OF THE YEAR'

Brett Van Deinsen

Darren Ettridge

This year this Award was won jointly by Brett Van Deinsen and Darren Ettridge who earned 34 points each.

The prize for this contest is a return trip to either the USA or UK.

Other strong performances in the Award were recorded by Bevan Van Blerk with 32 points and Tristan Muir with 30 points.

We thank the Directors and members of Bankstown District Sports Club for their continued assistance. Incentives of this type could not be provided without their support.

## BANKSTOWN DISTRICT CRICKET ASSOCIATION

---

The Bankstown District Cricket Association, sponsored by Bankstown District Sports Club, continued its tradition of providing a solid grounding for young cricketers of all abilities.

Pam and Pat Gavin continued to share the Executive duties and their efforts are to be admired and applauded. Pam and Pat are supported by John Burke and Chris Benham.

In June 2007 the BDCA lost one of its tireless workers with the passing of David Collins following a long illness.

David was a great friend to all at BDCC and we offer our sincere condolences to his family.

Local competitions continued to supply enjoyable cricket for everyone as well as providing the link to the NSW Districts Cricket Association Representative Series and the Sydney Cricket Association.

Our Club sees it as a high priority to provide on-going financial support to the BDCA. This includes requirements like turf wicket hire fees for Representative Teams, the activities of the Junior

Development Program managed by the Coaches and Managers group and providing sponsorship to young local players selected for representative teams.

In January 2007 our Club, with the help of the BDCA, sponsored 120 kids between the ages of 6 – 14 to attend a three day coaching camp at Memorial Oval. This sponsorship was made possible through the generosity of Bankstown Sports Club and meant a Clinic that normally costs \$150 per player was provided for \$50.

# FIRST GRADE THE BELVIDERE CUP

## Scott Thompson

Well what a year! Who would have believed it was possible way back in August on our Gold Coast trip when we put our plans on paper!

When our targets were set for the 06/07 Season we said making the final in both forms of the competition was the challenge. To walk away with both premierships is an absolutely amazing achievement and something we will always treasure.

While this year will be remembered for the triumph of what we achieved on the field it will also be remembered for tragedy off the field. As I have mentioned a number of times over the past few months, I do believe we had an unfair advantage this year. We had an angel on our shoulder and this year will always be remembered as "The Year of the Rose"

I would like to thank all the Club for their continued support both on and off the field, a special mention to Scott, Brian, Marty & Eris - 'The Bankstown Mafia' who continue their unwavering contributions to the club.

I would like also like to say a big thank you to Sherrol Gane for her professional approach to scoring and statistics.

- EMU - thanks for everything you have done. Any time that Kenny gives me and the club is priceless. He still remains the greatest grade cricketer I have ever played with or against.
- Volunteer Staff - you are what sets us apart. To be in a position to turn up to matches and just play is a privilege that we will never take for granted - thank you.
- To the Ladies in the Canteen, without your smiles, chicken burgers and drinks I don't know how we would have survived.
- Rick (Allsopp) & Ray (Hall) thanks for all your support
- Throughout my career I have learnt the true benefit of a coach. A coach is not simply somebody who teaches and hones your skills. A coach is more a General Manager of a Cricket Team. Someone who is responsible

for management of the Teams Skills, Morale, Discipline, Tutorage, Confidence. In my experience we were fortunate to have a coach that did all of that and more - thanks Shane

After setting a great foundation in the 05/06 Season, we were well placed to move forward in the 06/07 Season and we did just that. We had a few hiccups throughout the year but as soon as we had a set-back, someone stepped up to the mark and performed.

We had the correct formulae of experience and youth and the most important two things you need to WIN, the right attitude and great team spirit .

While the 06/07 Season was a fantastic one and something I will always treasure, it is significant for another reason - because it will be my last. I would like to thank the players I have played with over my career and thank them for their guidance and support. I would like to specifically thank Wayne Holdsworth, Ken Hall and Steve Small, Harry Solomons and my brother David for everything they have done for me throughout my cricket career.

## PLAYER PORTRAITS

### Scott Thompson

Scott proved last season that he is our greatest ever all-rounder and displayed outstanding leadership qualities in leading the side to dual premierships. Scott supports the club's administration through his management of our sponsor relationship with Toyota which not only brings prestige to our brand but importantly valuable financial support. Scott has indicated last season will be his last. While totally respecting Scott's and his family's wishes we'd all like to think circumstances will allow him some playing involvement. In any event he has indicated a willingness to assist our fast bowler development and we will definitely be getting a group of existing grade and emerging fast bowlers for

# FIRST GRADE PLAYER PROFILES

---

Scott to coach. On behalf of all players, supporters and sponsors we'd like to say thanks and heartfelt congratulations on your wonderful 2006-07 season. M.K.

## **James Allsopp**

Prince was the mainstay in the side, his reliability behind the stumps meant our bowlers got the best results from their efforts. Proved with a couple of match winning innings what we long suspected – James is a more than capable batsman whose fierce determination always shines through.

## **Aaron Bird**

A tough year for Birdy with his injuries but we all know he will back bigger and better than ever in 07/08. The year gave Aaron a chance to work on his batting and he will benefit from this experience and responsibility.

## **Daniel Burns**

A player's second year in first grade is always tough but Burnsie handled it well. Daniel showed that he has the ability to bowl in tough situations to quality players. With hard work and continued focus there is a bright future ahead.

## **Simon Keen**

The allrounder stocks are in good supply for the future with the coming of age of Simon. With almost 600 runs and 40 wickets, Simon is a quality player with a fantastic attitude, who will succeed.

## **David Freedman**

Still a class act - his experience and support on and off the field where invaluable and greatly appreciated.

## **Dean Magee**

Dean often got us away to good starts at the top of the order and his enthusiasm on and off the field is second to none.

## **Corey Richards**

A great season for Corey. A reward for effort for this craftsman who played some of the best innings you could hope to see. A dedicated team and club man who is now making a great contribution as a mentor and role model for all young players at the Club.

## **Brett Van Deinsen**

What a year! Brett's performances with bat & ball this season showed us what a fantastic player he is. His performance in the final is best described as 'dominating'.

A great season mate. It's an absolute pleasure to have you in our side.

## **Daniel Waugh**

As vice captain of the side Danny provided great support. He is a quality allrounder and a first class fielder. He will do a fantastic job as BDCC first grade captain for years to come.

## **Scott Truashiem**

The big man has arrived! We saw some great signs this year from Scotty and I am sure he will benefit from his experience in first grade this season.

## **Darren Ettridge**

Etto had limited opportunities in first grade this season but showed he is more than capable of performing at this level. Darren is on the edge of a fantastic first grade career where he can shine with bat and ball for years to come.

## **Chris Gane**

Chris had a great one day season scoring three amazing hundreds. Chris is a quality player and an awesome fieldsman. His contribution to both premierships was outstanding.

# SECOND GRADE THE ALBERT CUP

---

## Mark Grant

In writing about our season I would first like to acknowledge Mosman District Cricket Club as the 2nd Grade Premiers. Sincere congratulations to Martin Hayward, an old team mate of mine, and his team. Whilst we did defeat them in the rounds, it was clear to anyone who knew anything about cricket that we had some good fortune in both weeks of the clash.

Our off-season planning was excellent via the David Freedman-led Cricket Committee, who planned everything from playing strength to coaching personnel. Well done to all involved.

The 2006-2007 Season was a very positive one for our club, with 1st grade winning both trophies. Congratulations to Thommo and his squad for "the double", not easy to achieve. Our season fell well short of expectations, given that we led the competition by five points after Round 6. By season's end though injuries, players promoted and on representative duty, and a lack of consistency saw us miss the finals series by three points.

We had some close and memorable matches. We won some and lost others. Our win against Mosman, which was clearly a quality side, was partly built on our last wicket partnership of 110 runs which helped to total 273. This enabled Steven Burt to show us his wares with the bat, scoring a quality 65 at Number 11. Then in bowling the following week all seamers benefited from cool bowling conditions and knocked Mosman over for 125.

Perhaps the best and closest game was against reigning Premiers, Northern Districts. In a one day match in very good conditions, we were set 274 to win. Needing 21 off the last over we managed 20, thanks to some magic from Anthony Sams, in what was then only his fourth match. A tie the result.

On the other side of the coin, we suffered at the hands of Manly. Umpiring

went against us the first week and we struggled to post 257. In reply, two dropped catches enabled their last wicket to put on 51 runs to win the game.

Five centurions graced our scorebook this season, one more than last season. Darren Ettridge got two (118 V Wests and a big 184 V Gordon), and Chris Gane one 104 V last season's Premiers-Northern Districts), part of the reason they gained 1st grade positions. Chris Small (107 V Uni NSW) and Chris Ridley (151 V Wests) also scored a century, both getting closer to regular 1st grade cricket.

Later in this report are the team's statistics, showing three batsmen scored more than 400 runs (Chris Small, Chris Ridley and Darren Ettridge) and four players averaging over 30, still on the disappointing side.

Bowlers regularly bowled well together, with a potent bowling mix when all players were available. Many bowlers achieved quite good statistics, with only

Clint Price (missed six matches) bagging more than 25 wickets. However, in no particular order, Steven Burt, Darren Ettridge, Chris Small, David Ward (missed four matches), Michael Polson (missed four matches), Scott Truashiem (played more than half the season in 1st grade) all bowled very well throughout the season, conceding 300 only once.

A bowler for the future may be Brendan Scott, who in just his couple of matches showed the rare ability to bowl economical spells whilst moving the ball both ways.

Keeping for us was capably undertaken by Anthony Sams, when not in either the 1st grade team or representing NSW. His 35 plus dismissals were always efficiently taken and provided certainty to all bowlers. Combined with his batting, Anthony had a very good first full season.

I would like to thank Warwick Starr, his staff, and the volunteer brigade for both Bankstown grounds, which were always presented to a very high standard

## SECOND GRADE PLAYER PROFILES

indeed. It's a pleasure to train and play on such facilities.

No captain can have an enjoyable, competitive season without strong support. Special thanks to Daniel Moy and Darren Ettridge for providing ideas and input throughout matches. To Brian Freedman, Marty Klumpp, Eris Dignam and my colleagues on the Management Committee, thanks for again extending the opportunity to me to captain. My thanks also to the Selection Panel, chaired by David Freedman, who ensured all players were observed and given a fair hearing when determining team balance.

Special thanks too must go to all the ladies in the Canteen for preparing lunches and afternoon teas. It's just another reason why playing at Bankstown Oval continues to be a wonderful experience. Last but not least, I want to thank our various scorers (in particular, Wendy Ridley) and Lindsay Roworth for the assistance they provided the team. To Lindsay go my thanks for the thousand tasks asked of you at short notice. People may not be aware that Lindsay did not have any family playing in the team, but I appreciated his reliability, dedication and all-round good humour each and every week.

Finally, I would like to thank all of the 19 players who played 2nd Grade during this season. We enjoyed each others' company, but let ourselves down with our placing just outside the top six. During the season I asked for more commitment from all players. I am pleased to say I believe I received that commitment.

With most players indicating they will return for the coming season, with better luck on the injury front, and a little more consistency with the bat, 2nd grade may hold the Albert Cup after the 2007-2008 competition.

Mark Grant  
Captain

### **Mark Grant**

Mark again did a superb job, recognised with him winning the SCA 2nd Grade 'Captain of the Year Award' for the fourth

time. Mark scored 200 runs at 33.33 with injury forcing him to miss the last three matches. He figured in a memorable Club Record breaking last wicket partnership of 110 runs with Steven Burt against Mosman to prove he's lost none of the 'never say die attitude' for which he is widely known and respected. Mark is an outstanding contributor to the organisation and governance of the club as well as its on field performance. MK

### **Steven Burt**

Steven is a likeable young cricketer who played most of the season with us. With 3-46 his best in Round 1 and an economy rate of more than 4 runs/over, Steven will be looking to utilise the ability to swing the new ball while maintaining line and length. His challenge will be to play a leading role in the coming season and allow his natural growth and hard work to assist him. Greater control will be needed on occasions with flat wickets against quality opposition. Burty possesses the drive and work ethic to prove his ability at this level.

### **Brent Dufty**

Brent played his first season with the club and fitted in very well. His time was spent split between 2nd and 3rd grades, with consistency his only issue. Brent has a very attacking style to his game, and as a left hander, enjoys the ball coming across him. An outstanding 86no on a wet wicket was the highlight of his few opportunities at the crease, and for mine, was won of the best innings I saw during the season. Brent has safe hands and is athletic in the field, traits that will hold him in good stead.

### **Darren Ettridge**

Etto had an impressive season, scoring more than 650 runs and taking over 20 wickets. Etto is a mature cricketer whose 1st grade position awaits him. He is capable with bat and ball, with safe hands when catching. A full 1st grade season is around the corner.

### **Byron Hackshall**

"Ronnie" missed several matches through injury. Whilst he enjoyed the

challenge of playing the higher grade, especially when batting high, his sole half-century and averaging under 20 was a disappointment. With hard work and patience at the crease, I believe Ronnie should develop into a heavy run scorer.

### **Daniel Moy**

Daniel's 12 innings @ 30 under-rates his importance to the team. His 52 against Manly, in tricky "umpiring conditions", was excellent. Combined with 7 wickets at 21, Daniel is a very useful allrounder at this level. His ability to swing the older ball, often the only bowler who could, was vital to us in several matches. Daniel gives 100% in any position in the field, and took over the captaincy very capably late in the year. This is an area Daniel should pursue.

### **Michael Polson**

Mick should be disappointed with his 11 innings @ 15, he is capable of much, much better. Just one half-century does not show what he is capable of. With the ball though, Mick consistently bowled well. However, given he took two five wicket hauls against Fairfield-Liverpool and North Sydney, he will be disappointed to take just 19 wickets @ 21. We certainly missed him when injured. A major feature of his bowling is his ability to bowl to the field set for him, especially when opening the bowling. Gives 100% in the field, but I'm still looking for more runs next season Mick!

### **Clint Price**

Clint played just over half a season with us, due to injuries. As a new ball spearhead, Clint took his 26 wickets at under 16, fantastic. Together with a batting average of near 20, Pricey was a very handy player for us. Needless to say, the games he missed through injury were some of the games we lost. He continued to bowl with certainty and authority, hitting good lengths and lines early on with the new ball, though not always getting the return deserved. Clint is very much a genuine all-rounder and an experienced, leading player in our team and the competition.

## SECOND GRADE PLAYER PROFILES

### **Luke Reece**

Luke's opportunities were limited, through our strong showing for the first half of the season. A definite 2nd grader and beyond of the future, Luke possesses a strong technique and strong mental approach to the game. His two "forties" against the strength of Penrith and Manly, showed he has all that it takes to be successful. A strong season ahead Luke.

### **Chris Ridley**

Chris will be disappointed with his season, 393 runs at 26, especially considering he got nearly half (151) against Wests. Chris continues to show plenty of patience in the opening role, with concentration and application few batsmen of any grade possess. He did greatly reduce being judged LBW, with his technique much stronger for his efforts. Chris has great hands in the slips and gives 100% in the field. If he can consistently bat long periods of time he will develop into a prolific high grade run-scorer for the club.

### **Anthony Sams**

Samsy had a remarkable season, one that saw him regularly bat in the top five, soundly keep wickets and make his 1st grade debut. His 'keeping was sharp, with excellent concentration and equally capable when standing over the stumps

or when keeping back to the quicks. Anthony's batting progressed well, though he would be disappointed to end with an average of just 20. Consistency is his goal. One minute he showed outstanding patience and technique, the next sweeping from everywhere to the fence. His efforts with the bat against reigning Premiers, Northern Districts, was outstanding. Keep working hard Samsy!

### **Chris Small**

Chris scored 450 plus runs in good style, averaging over 40 and scored a century. He matured at the crease compared to last season, often taking the time to occupy the crease before accelerating an innings. I hope other batsmen noticed this. Equally impressive though were his 13 wickets at 30. His leg spin gave us very useful variation, with his effort against Manly almost winning us the match. Chris should have many more seasons to come in the high grades, with many matches spent in the top side.

### **Scott Truashiem**

We saw less than half a season of Scotty, as he spent the bulk of his time in 1st grade. The four wickets he took against Mosman were top class. On his day Scotty can utilise his height and natural swing to bowl the unplayable delivery. If he can consistently bowl that awkward

length, on a good line, he will stay in 1st grade.

### **Brent Turner**

Brent gave 100% for us and certainly didn't look out of place. His 7 wicket haul does not show how well he bowled. Through selections and his own unavailability, Brent was unlucky not to play more matches with us. Brent does move the ball a little each way, and if he can continue this when bowling a consistent line and length, he will do very well.

### **David Ward**

Like so many others, Jabba's season was cut short by injury, missing the last third of the competition. Jabba was a very important player for us, taking his 14 wickets at 25, while scoring his runs at near 26. Jabba had safe hands in the slip area also. Jabba has the respect of opposition players and for our sakes needs a full season to demonstrate his allrounder skills at this level.

Many thanks to the following players who played three matches or less with us during the season: **Chris Gane, Matthew Hopkins, Andrew O'Brien, Brendan Scott, Steven Wise.**

## THE MITCHELL CUP AND PLAYER PROFILES

### David Thompson

Firstly I would like to congratulate Scott Thompson and the first grade side on winning both the Belvidere Cup First Grade Premiership and Limited Overs Premiership. It is a remarkable achievement to win one premiership but to win both given the weather, two day pitch variations and changes to player availability is truly amazing.

Our 3rd grade side was a good unit. We enjoyed each other's company and each other's performance. We played and enjoyed fine victories but mixed it with disappointing defeats. We lacked consistency through our batting order. Our bowlers all too often created a platform for victory only to be left to try and save the day with the bat as well.

As usual a big thank you to Eris whose effort throughout the year is much appreciated and to the ladies for providing afternoon teas and the parents who supported us. Also, the team would like to thank Graham Dunn for his help with the drinks, sightscreens and the covers at home games...much appreciated.

### David Thompson

A disrupted year for David with a promotion in his professional career impinging on his ability to train and play as he would have liked. Thommo has scored over 7100 runs and taken over 100 wickets in all grades for BDCC and his continued involvement at any level is a big plus for the Club. Affable, knowledgeable and determined are all good words to describe David and we hope his contribution to the club continues for many years to come. M.K.

### Andrew O'Brien

Andy had a disrupted season with work

commitments but despite this played a number of memorable innings which had the team watching in awe. Andy has a remarkable ability and dependant on his work situation has much to offer the club.

### Brent Dufty

Brent came to the club this year and quickly showed his aggressive batting style. His solid form saw him promoted to 2nd Grade. He is capable of excelling in higher grades if he puts in the hard work at practice around his fielding and his batting. There were a number of innings throughout the year where Brent had the bowlers at his mercy and a century in his reach only to see him dismissed to a rash shot. Be patient and big scores will come more consistently.

### Steven Wise

What a dream team player. Wisey was without doubt our most consistent team

player. Hard as nails, his wicket precious and his desire to win immense. As expected Steven's wicket-keeping was of its usual high standard but it was his batting where the improvement and determination shone through. Thrust into the opening batting position he fought hard in every innings finishing the year with a spectacular 94, just short of his dream century. Mate if you continue to play the way you have this year, you'll score that century in the near future.

### Luke Reece

Luke started the year at the top of the order and dominated opposition attacks. After some good scores he found himself in the middle order in 2nd grade, a spot probably more suited to Luke's aggressive batting style. Luke played the role as a back up seamer through the year and should continue to work hard at this to improve his all-round abilities.

# THIRD GRADE PLAYER PROFILES

---

## **Matthew Hopkins**

Matthew had a great season as opening batsmen, his first full year in 3rd grade and the most difficult job against the new ball. Matthew scored a most memorable ton versus Penrith. Against a strong attack he batted into the 2nd day and was only dismissed in the quest for quick runs. A highlight of Matthew's year was his development as a great gully fieldsman where he picked off a number of catches and some great stops. Continue listening, don't be too hard on yourself if you're dismissed early, but be tough on yourself when you make a mistake when you've done the hard work.

## **James Bourne**

Bourne started the season a little late due to work commitments but soon got into his stride and played some innings well above this standard. James captained the side in my absence and although still very young displays excellent natural leadership abilities. A great fieldsman and fine batsmen, but most of all, James always adopts a 'team first' mentality.

## **Tim Burns**

Tim came into the side at 15 years of age and showed us and the opposition sides

he was no kid in terms of ability. His development through the nine games he played saw him improve his performance every week and by season's end Tim had established himself as a player with amazing potential. His fielding at times was spectacular and he was prepared to listen and learn. Good luck as you develop over the next few years.

## **Brent Turner**

New to the club, new to grade cricket this year and Brent found himself playing a number of games in 2nd grade! Brent needs to get stronger and be in a position to bowl longer stronger spells and to maintain pressure on the batsmen. A great debut season - one which could develop in higher grades next year with practice and hard work.

## **Bevan Van Blerk**

Bevan was awarded the 'Players Player of the Year Award', and rated third in the point-score for the Player of the Year Award. And he took his 300th grade wicket! What can I say about Bevan - other than it is an absolute joy to spend a Saturday afternoon with him. On the cricket front he is as performance driven today as he was ten years ago. His bowling, as always, was inspirational. He pushed himself and gave his team

everything he had - a couple of times probably too much. He had a number of opportunities with the bat this year and played some great innings and in fact recorded his highest grade score. Looking forward to your involvement next year Bev.

## **Brendan Scott**

Brendan had a great 3rd grade season with the ball culminating in promotion to 2nd grade. It's rare for someone of his age to bowl as accurately and economically as Brendan did especially as we always set aggressive fields for him. The only thing that stopped Brendan taking more wickets was the 'age' overs limit, because generally at the end of his spell we had teams back pedalling only to relieve pressure with a mandatory bowling change. His batting was always purposeful and he was involved in some handy partnerships. Keep improving.

## **Trent Vella**

Trent was selected from Round 10 and debuted with 7/83. An off-spinner with flight, variation, aggression and the potential to progress through the grades. Trent is an all-rounder who also bats and fields very well. The spinners' art is the toughest Trent - knowing when to attack and when to retreat and knowing the best field for you bowl to. Practice hard, listen and learn from people you trust and set yourself some goals.

## **Cameron Dunn**

Cameron played 7 matches and didn't get quality opportunities with bat or ball. He showed through his efforts to training and in Fourth Grade that he clearly has improvement in him and I look forward to seeing him develop as an all-rounder.

## **John Byrom**

Great to have John back playing grade. A class act and a great example for all our young players.

## FOURTH GRADE THE REID CUP AND PLAYER PROFILES

### Geoff Spotswood

Congratulations to Scott Thompson and his barnstorming First Grade team, which swept all before them this season. They were the most consistent team this season and their success was a result of a dedicated approach in training and games, astute coaching and self belief. The First X1 set a high standard for all players to follow.

My congratulations also go to Sutherland who seized the Reid Cup this season.

The Fourth Grade side was competitive, despite only registering three wins from fifteen matches. The team fought hard against spirited opposition. The legendary rugby league coach Jack Gibson once said, "Winning a match means you are only a champion for a week!" So with only three wins, we had to make the most of our victories.

In evaluating the season, it is easy to become too absorbed in statistics and figures, when it is individual and team accomplishments and improvements that should be the main focus. Cricket does lend itself more than most sports to statistics, however, if we become too consumed, we can lose sight of the primary benefits that result from playing our great game. The dedication, discipline and teamwork required in cricket, not only assists players on the field but they are vital qualities for life in general.

Twenty five players represented Fourth Grade this season, with many given the opportunity to test their skills when higher grade players were unavailable

for play, due to representative selection or injury. The experience gained by these players will benefit the club in the seasons ahead.

Momentum in sport is difficult to achieve and even harder to stop, and this season, despite promising episodes of play, the team wasn't able to build consistent pressure to dominate our opposition. Only on a few occasions did we achieve ascendancy where the team was able to experience that great feeling of being on top. Success comes from individual players preparing thoroughly, developing a positive attitude and playing as part of a team. There is only one way to improve and that is through plenty of sweat and hard work at training! I'm confident the players in Fourth Grade this season have the potential to succeed but they must be prepared to analyse their game and work at areas of weakness.

Batting was our strength, with four scores of over three hundred registered. We were dismissed nine times from sixteen innings, with all batsmen encouraged to spend longer at the crease. This was achieved by some players who placed a higher price on their wicket and displayed wiser shot selection. Cameron Dunn was one batsman who led the team in occupation of the crease.

Our most successful batsmen were Brad Christensen – 450 runs at 37 (1 century and 3 fifties), James Hopkins – 332 runs at 47 (1 century and 2 fifties), Cameron Dunn – 325 runs at 46 (1 century and 1 fifty) and Ryan Donovan 308 runs at 22.

There were a number of fine innings played by Mitch Baker, Josh Naidu, Dave Allsopp, John Byron, Ken Butcher, Trent Vella and Cameron Phelps this season. There was evidence of strong batting performances in the future, provided players continue their desire to learn from their mistakes and build on their strengths.

It was in the bowling department the team struggled as we only dismissed the opposition on three occasions from

fourteen innings! All bowlers toiled hard but were unable to consistently apply the prolonged pressure.

Bowlers who performed creditably were John Byrom (17 wickets), Matthew Doab (14 wickets), Emil Koleczek (13 wickets) and Cameron Dunn (11 wickets).

Our home wicket at Grahame Thomas Oval was an outstanding batting surface and the opposition proved to be able to bowl more effectively on it than we were. This needs to be addressed next season by our bowlers developing more variety in their deliveries and bowling a more consistent line and length in games.

Fielding was generally good and at times outstanding and much of the credit for this goes to Shane Duff and David Drew who ensured this vital part of the games was consistently practised throughout the season. Players who regularly set the standard in the field were Josh Naidu, Mitch Baker and Tim Burns. Ken Butcher performed well behind the stumps and was always full of enthusiasm and positive encouragement.

Playing our matches at Grahame Thomas enabled the Fourth and Second Grades to mix socially after matches and it was pleasing to see the support the two teams provided for each other during their respective breaks in play.

Warwick Starr has performed outstandingly in the preparation of the outfield and wicket and the high standard is regularly commented on by the opposition and umpires.

I would like to extend my thanks to the loyal supporters who assisted this season. Dave Baker acted as team manager, scorer, counsellor, baby sitter and dummy collector and his generous and friendly nature was appreciated by all.

Thanks also to the parents who supported and helped the team with afternoon teas, putting out covers and sight screens, scoring, organizing drinks and sweeping and marking the creases.

To Eris Dignam who for so many years has made sure the Bankstown machine keeps rolling along, my thanks for not only his tireless efforts but his friendship and perceptive, if not subtle observations and comments.

The coaching this season was most professionally performed and the club is indeed fortunate to have Shane Duff as the Head Coach. Shane organised training very well this season where he planned challenging and interesting drills and skills development activities. He was well supported by Ray Hall who brings a wealth of experience to the club, Steve Smith and David Drew who kept all players working hard with fielding routines. Nothing is ever a trouble for this great club man.

David Freedman has done a great job again as Chairman of Selectors and in conjunction with the team captains and Shane Cusick (roving selector) has ensured that all players are given every opportunity in selections.

The management Committee led by Scott Grant, Brian Freedman, Marty Klumpp and Eris Dignam have attended to the administration of the club and have provided strong leadership and the club is well placed to build on the successes of this season and continue to develop strategies to implement the Strategic Plan.

I would also like to extend my thanks to Walter Butters, Curtis Leman, Brent Turner, Robert Macaulay, Tharun Kaliyanda, Shane Duff, Cameron Phelps and Joel Smith for their efforts when they played for Fourth Grade this season.

### Geoff Spotswood

Despite a stoic century (102 not out) Geoff's 264 run aggregate at average 20.31 was not to his usual high standard but as he's mentioned in his Captain's report we can get overly focused on statistics which often don't tell an entire story. And the Geoff Spotswood 'story' is a very impressive one of achievement and contribution to this club over nearly three decades which is being recognised through his nomination as Life Member at the upcoming AGM. A former first grade cricketer and rugby league player at the Bulldogs and Wests and currently Sports Master at The Kings College, Spottie's sporting and career achievements are very impressive. Our young players may not realize the standards Spottie achieved in his 'heyday'! They are very lucky to be

playing alongside one of the legends of Sydney Grade cricket. Competitors like Geoff don't come along every day lads so enjoy and learn from him every chance you get for as long as his battered old body holds up! MK.

### David Allsopp

Big Dave Allsopp or 'Huge Hairy One' as he would rather be referred to, played nine matches with Fourth Grade before his rugby commitments ended his season.

Dave batted well on numerous occasions and displayed that he has the ability to perform well at Bankstown. There are some adjustments Dave will need to make to his batting in order to perform with the consistency required for grade cricket. However, his determined attitude

and undoubted ability will ensure he scores plenty of runs for the club. Dave's throwing arm improved significantly as the season progressed, as too did his fielding. His bowling wasn't fully utilised this season but I'm sure he will get some opportunities in this area. Dave was a constant source of inspiration to his teammates and we could sit for hours listening to the stories of this 'larger than life' character.

### **Mitch Baker**

Mitch demonstrated unquestionable signs that a more consistent player is about to emerge. He has the basis for a fine cricketer – he is talented, coachable and has a good work ethic. There were some first-rate innings produced by Mitch this season in his 285 runs, including an offensive 88 against Campbelltown and 60 against Northern District. Mitch will score runs consistently as his patience and shot selection improves. The old saying goes, "Rome wasn't built in a day," so maybe next season we will see more shots played "on the carpet." I encourage Mitch to work hard at his wrist spin, for when given the opportunity, he displays a talent. Mitch is an outstanding fieldsman and a popular team man.

### **Tim Burns**

Tim had a fine season and once he established himself in Fourth Grade, he was promoted to Thirds, where he produced some fine performances with the bat and ball.

Tim's batting displays great potential and his stroke play is confident and attractive. His driving off the front foot is outstanding and there will be many good scores waiting to amount, as he develops his concentration. This team player's bowling is deceptive, and as his strength increases, we should see a good fast bowler appear. Furthermore, Tim is an exceptional fieldsman who lifted the standard in Fourth Grade in the games he played.

### **Ken Butcher**

Ken was a vital component in the team and his enthusiasm was infectious. His batting shows immense potential

and has played some valuable innings, highlighted by an attacking score of 60 not out against Wests. Ken has a solid defence, which is complemented with a wide range of shots.

His wicket keeping was solid and has the work ethic to further develop his skills. Ken has some fine wicket keeping role models at the club and by working closely with them he will improve all aspects of his craft.

Ken exhibited an excellent approach to the game and was eager to learn from his more experienced teammates.

### **John Byrom**

John returned to the club this season and played a major role in Third and Fourth Grade. John's tenacious and determined approach to the game led the way for others to follow. His experience, maturity and desire to succeed aided his young and less experienced teammates enormously.

With the ball, John captured 17 wickets in 6 matches, and scored nearly 200 runs at an average of 64. John made a lasting impression on his teammates and I enjoyed playing with him enormously this season.

### **Brad Christensen**

Brad had his best season with the club scoring over five hundred runs. In Fourth Grade, he dominated most attacks in scoring 450 runs at an average of 37, including a fine 141 against Gordon. His medium pace outswingers were dangerous when conditions suited. Brad's provided experience and his astute analysis of the game was always appreciated. The younger players acquired a better insight into the game as a result of Brad's mature play and comments this season. Brad is an excellent team man and typical of the type of player Bankstown consistently produces.

### **Matthew Doab**

Matthew always gives his best and was instrumental in developing the team's spirit. He mentored his younger and less experienced teammates on the finer points of the game.

Matthew took some important wickets and although he didn't have his best season with the bat, he is capable of unleashing amazing attacking strokes. The challenge is for him to produce more consistency with his batting. I admire the unselfish manner in which Matthew plays the game, and the loyalty and support he gave this season.

### **Ryan Donovan**

Ryan has worked consistently at his batting over the past few seasons and his success this season is well deserved. He scored 308 runs this season and was unlucky not to have scored his first century for the club when he got out for 82 playing a sweep shot.

Although Ryan's patience and shot selection improved this season, I'm positive the best is yet to come. Ryan must thoroughly prepare himself during the pre season if he is to build on these promising results. Ryan has a strong arm in the field and a safe pair of hands. One thing is for sure – Ryan always makes the dressing room an interesting place to be a part of when he's in the team!

### **Cameron Dunn**

Cameron was one of the success stories of the team last season and it was gratifying to see all his hard work come to fruition. I first played with Cameron some years ago when he batted eleven. This season he seized the opportunity in the last few rounds to open the batting and made every post a winner. He batted with patience and maturity, and for the casual onlooker, it would appear he had been opening the batting his entire career.

His ability to leave balls outside the off stump and to selectively choose the ball to attack where great to watch and gave his teammates confidence.

Cameron has always trained relentlessly and he embodies the saying "there is no substitute for hard work"; his example is a lesson to other players.

His wrist spinners became more and more consistent in line and length, while his batting developed. It was great to see this popular team player achieve well deserved success.

### James Hopkins

James continued his development as a fine, top order batsman this season. He was promoted to Third Grade where he impressed them with his sound technique, shot selection and maturity. This season he consolidated his position in the club and I will watch his career with great interest. James scored 332 runs at an average of 47 in Fourth Grade with his top score standing at 137 against Easts where he dominated the attack and almost single handedly won the game, where Bankstown was set 300 in a fifty over game. Next season should see the emergence of a high-grade batsman, on the condition that James can further develop his strength and fitness during the off season.

James is a committed team man who studies the game closely and who has constructive input into the team's preparation.

### Shah Khan

Shah was a popular member of the Fourth Grade team and provided some memorable performances on and off the field. When conditions are conducive to swing bowling, Shah can generate some dangerous spells, albeit, he needs to work on a ball, which moves towards the slips to compliment his inswing. In regards to batting, Shah is a solid lower order batsman, but he had limited opportunities to develop this area of his game this season.

### Emil Koleczek

Emil demonstrated what he is capable of when he destroyed the Fairfield innings, in taking 5/45. Unfortunately, there were too few occasions when he performed to his potential this season. Emil was at his best when he was focused on the task and blocked out peripheral issues. For next season, I suggest he devotes his attention to the mental aspects of his game and this will culminate in more consistent performances.

His batting is dynamic and he scored some valuable runs for the team. With more attention to building an innings, Emil could develop into a fine allrounder. Emil has much to offer Bankstown and

he has the capacity to play higher grade cricket.

### Tristan Muir

Tristan had a commendable season and although he didn't attain as many runs as he would have liked in Fourth Grade, he will benefit from the experience gained.

He is a strong, attacking batsman, but he must keep the ball "on the deck" to eradicate "soft" dismissals. When Tristan is at optimal fitness, he will score consistently for the club.

### Josh Naidu

Josh plays the game like a hurricane! He works by the theory, "if you are going to make a mistake, make it at full speed." Josh is the type of batsman others enjoy watching, as he attacks at every opportunity. He is one of the few players in the club who can destroy on attack in a couple of overs.. Provided he maintains his desire for the game, the club will have an exciting player for prospective seasons. Josh scored 271 runs this past season at an average of 33 and was the Fourth Grade equivalent of Sir Vivian Richards! This valuable player's fielding is spectacular, combining speed and anticipation to patrol the cover region like a cheetah. He would not be out of place in the NSW team on his fielding. Josh also provided some variety to the assault with his medium pacers, however, he needs to pitch the ball up and work on variation, rather than the bouncer! Josh was a pleasure to play with and assisted in keeping Shah in line!!

### Amandeep Singh

Amandeep is a tremendous team man who derives great satisfaction from contributing to the team. In terms of his batting, he is technically sound with a good temperament that allows him to concentrate for long periods of time. Although Amandeep's bowling was accurate, he needs to drive through the crease on delivery and his follow through. This will increase his pace and provide more penetration. It was a great first season with the Doggies.

### Trent Vella

Trent was given an opportunity to play Fourth Grade regularly this season as he has grasped it with fervour, bowling with maturity beyond his years. By season's end, he was in Third Grade and performing well. Trent's batting has developed very well and once he plays himself in, he has a vast array of strokes. He will score heavily as his patience and concentration improve. This admirable player is indomitable who has the ability to play at a higher level, on the providing he retains his passion for cricket and is prepared to work hard.

# FIFTH GRADE

## THE DAVID SHERWOOD CUP AND PLAYER PROFILES

### Lance Keen

Congratulations to First Grade on winning dual premierships and to Fairfield/Liverpool on winning the Fifth Grade Premiership.

A number of factors need to be considered when analysing Fifth Grade's performances this year. There were a lot of Grade cricket debutants and it was my first year as Captain. Nonetheless it was fun, enjoyable and hard work. Even though we didn't finish as high up the ladder as we would have liked, there were still a lot of positives.

One thing to have come out of the season is the boys know and have the Bulldog spirit. We were the youngest side during the season but we now have the experience under our belt and should be well placed going into next season. I am sure a lot of the boys have a big future with this club.

Overall we won 3 games, lost 11 and drew 1. We lost 7 games by 40 runs or less, and went down by the eventual premiers by 38 runs. I used 26 players this season, 9 less than last year, but we still suffered a lot of injuries after Christmas. But you learn more from losses than you do when you win, so next season will be a big season for us as well as for the club.

Sam Reece and Luke McCann did the tough job of wicket-keeping and Iain Ridley and myself filled in when Sam and Luke were injured. Playing at Jensen is a pleasure - we are lucky to have one of the best grounds in Sydney. Every away skipper commented on how well presented the ground and surroundings are.

I'd like to thank my parents, Kevin & Margaret for helping with drinks and afternoon teas, scoring and managing the side. Also all the other parents who helped during the year. Max for scoring, it was a pleasure to have your help. Just goes to show that without these people my job and the clubs would be a lot tougher.

I'd like to thank Scott Grant, Brian Freedman, Eris Dignam and Marty Klumpp for all their support this season. To David Freedman, Shane Cusick, Scott Thompson, Mark Grant, James Bourne and Geoff Spotswood, thanks for helping with all captains matters and supporting me in my first season.

To Shane Duff and his Coaching Team, my training was enjoyable but most of all it was high intensity. A big thank you to the Cricket Committee for giving a young guy a chance and I hope to repay you with a title in coming years. In closing, I hope everyone has an enjoyable off-season. To any one venturing overseas and playing cricket, enjoy your time. Hope to see everyone back next season ready for a huge 2007/2008.

### Lance Keen

Lance was captaining fifth grade for the first time and came through with flying colours. Lance has enthusiasm to burn and together with his passion for the game and his ability to relate well to young men, the future bodes well for his captaincy. Well done and thanks. MK

### Dean Bush

Good first season of cricket. Played almost all season. Young player. Batted good at 3. With a good off-season looking for a big 07/08.

### Tharun Kaliyanda

The 'veteran' of the side. "T" did everything & anything that was asked of him. Developing both sides of his game and turning into a useful allrounder.

### Tristan Muir

The run machine, close to getting 5th Grade run record, including two centuries. Bowls handy off spin. Will be a higher grade player in the not too distant future.

### Curtis Leman

Opened the bowling in the first half of season, taking 19 wickets with good left arm swing. Injured after Christmas and played as a batsman and did the job outstandingly well, scoring 61 runs in the last round game batting number three. With a good off season will be a threat as a genuine allrounder.

## FIFTH GRADE PLAYER PROFILES

### **Tim Aussenl**

Hampered with work commitments, but when Tim did play was one of the old guys in the team at 19. Valuable player in the side batting at six and a great slips catcher.

### **Matthew Smith**

What a kid at 14 years. Has the bowling brain of a guy twice his age and at the end of the season had all the right people talking about him with his off spin. Scored a great 58 v Campbelltown and has a bright future.

### **Luke Field**

A promising fast bowler who can swing the ball always who regularly beats the bat. Good lower order batsman and outfielder. Well done Luke.

### **Rob Macaulay**

This was Rob's first season of grade cricket. An up-and-coming leg spinner he snared a five wicket haul in his first game. Impressed at the top of the order with a sound technique. With last season under his belt, things are looking good for Robbie.

### **Sam Reece**

Started season wicket-keeping but lost his spot. But full credit to Sam he didn't give in. Sam trained hard and worked on his game and had his keeping job back at season's end. With his improved

wicket-keeping Sam also improved his batting and I'm confident he will have a big 07/08 season.

### **Amandeep Singh**

A mixed season for Amandeep. Probably not his best but to his credit was a valuable team member. Was regularly getting two wicket hauls with the ball and continues to improve his batting.

### **Luke McCann**

Was the wicket-keeper for most of the season until breaking his thumb. Luke is a confident guy who needs to take that confidence to the crease. Produced some excellent catches with the gloves - some that Gilly would be proud of!

### **Iain Ridley**

With a promotion in his job Iain was unable to play a lot of games. When he was available he was very supportive and helpful. Iain scored 70 v Parra and Always took wickets when needed. Iain also kept in the game Luke was injured, taking two classy stumpings (before breaking his thumb as well!)

### **Josh Naidu**

Bankstown's own Chris Gayle. Mr Cool. Promising all-round cricketer in his first season of grade. A hard hitting batsman who bowls at good pace. Fields as well as Andy Symonds. With good performances didn't stay long in 5s.

### **Shah Khan**

Shah had a good season with the ball and earned his promotion to Fourths and even played a couple of games in Thirds.

### **Joel Smith**

Little Joel is a tear-a-way quick. Has a lot of raw pace. Enjoyed his spell against the eventual premiers, knocking their top four batsmen over returning impressive figures of 5/5. Because of his age and bowling restrictions Josh couldn't bowl as much as I'd have liked but he is definitely a player of the future.

### **Daniel Sams**

Enjoyed his call up at the season end. Played last 3 games. What he lacked in size, made up in heart. Couldn't get out when batting, and his caught & bowled was the best I've seen.

### **Michael Rickert**

Showed plenty of promise. Opened the batting in the last couple of games. Bowls good leggies and with a little work will be a force to bat against in coming seasons.

I would also like to thank the following players for their contributions to Fifth Grade during the season :

W. Butters, T.Vella, M. Doab, C. Phelps, R. Donovan, P. Henry, B. Braun, D. Allsopp.

# A.W. GREEN SHIELD REPORT AND PLAYER PROFILES

## Ian Gill

Congratulations to Campbelltown DCC on winning their third AW Green Shield title in as many years. They were worthy winners in a competition they dominated.

Our campaign ended in the semi-final against the eventual premiers at Raby Oval. Being dismissed for 99 the task of dismissing our opposition for a small total proved just beyond our reach. However the boys never gave up and it was a big effort to finish just 3 wickets shy.

Winning six of our seven preliminary rounds was a great effort by a group of talented young gentlemen. Only six members of our squad were in their final year of AW Green Shield with the other seven players eligible for selection in 2007/08 season.

The season was highlighted by two players scoring centuries – Tim Burns 153 against UTS Balmain and Curtis Leman 126 versus Blacktown. Tim was later selected in the City Combined AW Green Shield side and followed that with selection in the NSW Under 17 squad for 2007/08. Ken Butcher was selected in the Under 16 squad while Dean Bush and Daniel Sams will represent in the Under 15 squad.

Our on-field performances were assisted by the large support group of parents who followed the boys and gave their every support at all games. Many thanks to those parents and relatives who gave such wholehearted support to our boys at matches.

The main aim of AW Green Shield is to prepare players for the transition from age based competitions to senior cricket. In season 2006/07 eleven members of our squad of 13 represented in grade teams at one time or another. Tim Burns and Ken Butcher progressed to 3rd grade and acquitted themselves well and I congratulate them on their achievements.

Many thanks to our Team Manager Brian Griffiths for his untiring support. Thanks also to the management of the Club for your support of the AW Green Shield. To all the parents I thank you and trust you will continue to support and enjoy your

son's cricket development.

Finally to all the boys - thank you for your efforts during the season and I wish you every success with your cricket or any other path you choose to follow.

## Tim Burns

A great effort by a very talented cricketer. Scored over 300 runs and thoroughly deserved his selection in the City AW Green Shield side and then his selection in the NSW Under 17 squad for 2007/08. Thanks for your efforts and mature leadership of the side – good luck for the upcoming season.

## Ben Braun

Ben has now completed two seasons of Green Shield and by his own admission last season was not as fruitful as it might have been. Showed his true colours with a top score of 37 against North Sydney on a sub standard wicket – an innings full of character. Ben represented in Grade late in the season and will press for a permanent spot in the coming season.

## Ken Butcher

Ken's season was cut short by a dislocated finger in Grade cricket prior to the Round 5 AWG clash with Campbelltown. Up until this time Ken was pressing for City honours so the injury could not have

come at a worse time. With a top score of 75 against Hawkesbury and wicket-keeping of his usual high standard, there is no doubt he was a big loss to the side. Played a full season of Grade and will be better for that experience.

## Tristan Muir

Tristan had a mixed season in Green Shield finishing with a top score of 85 against Blacktown. He also scored a 50 against UTS Balmain, but unfortunately could not reach the magical three figure mark. Tristan had a solid year in Grade and with continued focus on skill and fitness development has a promising future in the game.

## A.W. GREEN SHIELD PLAYER PROFILES

---

### **Dean Bush**

Dean was selected in the 06/07 side with an eye on the future. He handled the rise in standard well with two scores of 40+. Didn't have a good run with the ball during the series but his form improved markedly towards the end of the Grade season proper. Look for a big season in 07/08.

### **Sam Reece**

Sam was our second wicket-keeper but he turned out to be our most consistent batsmen during the series. Produced a top score of 54 against Campbelltown in Round 5 and impressed with his innings against North Sydney under difficult circumstances. With a greater self belief Sam has the potential to mark a real mark in Grade.

### **Daniel Sams**

Daniel impressed everyone with his mature approach to the AW Green Shield series. Played a big part in our campaign and his innings of 28 in the semi-final against Campbelltown was typical of his style and determination. Also bowled some very good spells including a best of 4/12 against Sutherland. Played 5th Grade towards the end of the season and is capable of playing much more Grade cricket next season.

### **Curtis Leman**

Curtis bated extremely well during the series with a top score of 126 against Blacktown. His bowling was restricted due to injury so we unfortunately didn't see him at his best in this discipline. Curtis has a big future as an all-rounder and I'm confident he will play higher grades in 2007/08.

### **Matthew Smith**

Matthew's bowling during the series was very good but his batting didn't reach the standards we know he is capable of achieving. He made a good impression in 5th Grade when called upon later in the season and we'll be hoping Matthew has a great AW Green Shield season in 2007/08.

### **Joel Smith**

Joel had a good Green Shield series and was unlucky not to figure in the selections for the Combined City AW Green Shield sides. Returned his best figures of 3/16 in the semi final against Campbelltown following on from his 3/30 against Sydney University. Bowls with genuine pace and will be an integral part of our 2007/08 campaign.

### **Pat Henry**

Pat is a coach's dream player. Always

keen to learn and always gives 100% in everything he does. Returned the figures of 4/28 against Blacktown in a great display of seam bowling. Pat was given a couple of games in 5th Grade late in the season and he has the attitude and ability to play a full year of grade next season.

### **James Finn**

A restricted season for James due to the success of our top order batting and bowling attack. James always gave his best effort and his innings of 36 against Sydney University, when so many other batsmen failed to adapt to the conditions, showed he has the ability to play grade cricket. Work hard in the off and pre seasons James and plenty of rewards await you.

### **Mitchell Mack**

Unfortunately we didn't see Mitchell's true form during the AW Green Shield series. A top score of 27 against Hawkesbury in Round 4 does not give the correct indication of Mitchell's real abilities. Played a full season in Shires cricket but I have no doubt he has the ability to be a success in Grade if he chooses that path.

## POIDEVIN-GRAY SHIELD REPORT

### Simon Keen

After two good wins against Sydney Uni and Blacktown the 2006/07 campaign turned out to be disappointing as we lost the remaining five matches.

The loss of our four most experienced players to the NSW U/19 side proved to be a handicap we could not overcome and any momentum we had was lost.

Our team was very young, evidenced by the fact that all but one of the squad is available for selection again next year when we would hope to see a little more success.

Mark Grant performed his role as Coach with the dedication and skill that we have come to expect from this outstanding Clubman. Margaret Keen looked after scoring and statistics with the reliability and accuracy that is second to none. Lance Keen supported Mark in the running of the team and his enthusiasm rubbed off on everyone in the squad. And finally, 'Big Kev' Keen was always on hand to ensure the players' off-field needs were handled.

### Simon Keen (c)

The class act that we know Simon is was never better evidenced than with his 129 against Sydney Uni in round 1. The fact that we lost Simon for a number of matches due to his to his NSW U/19 commitments had a major effect on our ultimate results. He led the side with calmness and style.

### Daniel Burns

We all know of Daniel's ability with the ball as his 8 wickets at 24.8 indicated but his 48 against Campbelltown showed his ability with the bat should not be underestimated.

### Stephen Burt

Stephen has a heart as big as Phar Lap and continued to be a great example to his team mates in how to "put in" He was our leading wicket taker with 11 and his 4/54 against Sydney Uni contributed significantly to our win.

### Brent Dufty

Brent started off very well with 40\* and 39\* in his first two innings but fell away in the later rounds. He has the ability to hit the ball a long way and with a little more consistency could be an absolute match winner.

### Byron Hackshall

Byron would be the first to agree that he had a season to forget rather than one to remember. A great team and club man, Byron will be keen to show in the coming season that 06/07 was just an annoying speed bump in his developing career.

### James Hopkins

James played three games and showed with his 35 against Balmain that he has the ability to bat for long periods and play at higher levels.

### Matthew Hopkins

Matthew also played three matches and while we are well aware of his ability to accumulate runs and bat for long periods, his current game is not ideally suited to the limited over format. With more experience, I am sure he'll adapt to

the necessity of strike rotation etc..

### Luke Reece

Luke had a disappointing series and will be looking forward to better things next season.

### Chris Ridley

Chris had a solid series and finished with an average of 30.8 including an outstanding 82 against Blacktown. His fielding and particularly his catching, remained of the highest order.

### Anthony Sams

Anthony captained the side in Simon's absence, an experience I am sure he enjoyed. He was the leading run scorer with 185 at 26.4 while his wicket keeping remained at the high level we have come to expect of him.

### Brendan Scott

Brendan came into the side in round 3 and quickly became our best performer. His 10 wickets at 10.4 with an economy rate of 3.92 and 60 runs at an average of 20 clearly indicates what a great improver he is. Well done Brendan.

## POIDEVIN-GRAY SHIELD PLAYER PROFILES

---

### **Chris Small**

141 runs at 28.2 and 7 wickets at 25.5 indicates just how important Chris's contribution to the team was. He has developed into an excellent "finisher" of an innings in the Michael Bevan mode but unfortunately we were unable to give him enough opportunities to display these skills.

### **Scott Truashiem**

Scott had a disappointing campaign only being able to snare three wickets but this is only a very small hiccup in his developing career.

### **Brett Turner**

Brett played 4 matches and bowling only 24 overs had little opportunity to show

his wares. His turn will come next year.

**Tim Burns, Trent Vella and Cameron Dunn** also played 1 or 2 games each and I thank them for their efforts. .

## STATISTICS UPDATE AND HIGHLIGHTS

During the season, the SCA ruled that runs scored and wickets taken in the Diamond Draft and Light Ice Limited Over competitions held between 1992/3 and 1999/2000 should be incorporated in club and association first grade records.

Previously, the club has ignored these performances in its records but has now incorporated the adjustments into this season's updates.

Highlights from this season's performances and the adjustments include...

### **Corey Richards**

Has now scored 7001 first grade runs, including twenty centuries – two of which were doubles. He is now second behind Dion Bourne (8149) in the all-time history of the club for first grade runs scored.

### **Scott Thompson**

Has now scored 6334 first grade runs and taken 463 first grade wickets which clearly cements his position as the Club's all-time leading all-rounder. He is currently third in the all-time history of the Club in batting and second in bowling.

### **David Freedman**

Has now taken 904 wickets for the Club in all grades including 460 in first grade and scored 3202 runs in all grades.

### **Dean Magee**

Has now scored 5229 runs in all grades, including 1838 in first grade.

### **Bevan Van Blerk**

Has now taken 325 wickets in all grades

Looking to make the Honour Board next season are...

### **Danny Waugh**

Currently 2499 first grade runs and 4460 runs in all grades.

### **Aaron Bird**

Has taken 183 first grade wickets.

### **Chris Gane**

Has now scored 4335 runs in all grades, including 986 in first grade.

### **Andrew O'Brien**

Has scored 4180 runs in all grades, including 284 in first grade.

### **Daniel Moy**

Has now scored 4074 runs in all grades, including 199 in first grade.

## UGANDAN CRICKET EQUIPMENT 2ND APPEAL

In 2005/2006 Past President of BDCC Brian Freedman was managing the Under 19 cricket team, when it visited Bangladesh to play in the World Cup. Brian noticed that when the team for Uganda went in to bat they were transferring their cricket gear from one to another because there was not enough to go around.

Brian could recall how the Under 10s team in Australia used to do this well over 20 years ago. Brian spoke to the Manager for the team from Uganda and was told the per capita income for the country was approximately US\$200 per annum.

The young players just could not afford to buy cricket gear even when they travelled overseas to play in an international tournament.

Returning to Sydney, Brian garnered the support of club members and Bankstown Sports Club and co-ordinated a campaign to collect used gear. Those efforts resulted in the largest ever single donation of its kind being shipped to the Uganda Cricket Association (UCA.)

As well as very positive response to the shipment from the UCA we received numerous testimonials from expat Australians working for non-government organizations in Uganda. The common theme of these testimonials was that the recycled gear had a wonderful effect on young kids as it enabled them to participate in a team sport that helped build their self esteem. Life member John Bull visited Uganda as part of a work related trip and he got to see the equipment being used and also reported favourably on the value it provided for the local kids.

So when the 2006/07 season rolled around with all the hype surrounding the Ashes Series we thought it was an appropriate time to embark on a second drive.

What began in January as a one month appeal to collect unwanted or old cricket gear to be sent to the Uganda Cricket Association has turned into a six month project as more and more gear was pledged. The response has been overwhelming. Pledges have been made

from as far as Brisbane, Broome and we even had a call from a team in England wanting to donate equipment!"

During the appeal Brian Freedman has travelled over Sydney and as far as the Central Coast to collect pledges from schools, individuals and sport equipment manufacturers.

All goods collected are scheduled to be sent to the Uganda Cricket Association for distribution amongst schools and junior teams in the region. Without donations from such appeals the children are forced to play cricket with handmade equipment.

Over 20,000 children play cricket in Uganda and with an average yearly income per capita still very low, buying the new cricket equipment isn't an option. For these kids cricket is one way to forget the hardships they face each day.

The campaign would not have been as successful without the continued support from the community and Bankstown Sports Club.

## CRICKET MASALA

### AFRICA AND SRI LANKA LIONS VICTORIOUS

Bharatiya Vidya Bhavan and Offstick Productions presented the second Commonwealth Bank Cricket Masala over the weekend of April 14-15 in perfect weather at Memorial and Grahame Thomas Ovals in Bankstown. The event featured international food and entertainment and a 2 day 6-A-Side cricket festival featuring the best community cricketers and SpeedBlitz Blues imports. On the Sunday in a suspenseful rain-delayed final, Team Africa took out the Mini World Cup with a win over the fancied Bradman Foundation by 16 runs. In the Saturday community competition, the giant killing Sri Lanka Lions defeated the highly fancied NSW Tamils team in a closely contested final and securing the wildcard qualifying spot in the Sunday tournament.

The victorious African team captained by Kevin Pillay, included Speedblitz Blue Murray Creed, current Zimbabwe player Vusi Sibanda, ex Zimbabwe fast bowler Eddo Brandes, Parramatta's Neshen Munusamy, South Sydney's Shane Pargeter and Campbelltown's Ardil Domingo. Sibanda, who recently returned from national duty in the World Cup in the West Indies, scored 30 runs off an over in the semi finals against Pakistan including 4 towering sixes. He was thrilled with the win "I was so disappointed that Zimbabwe did not make the super 8's of the World Cup, but Africa's win today has brought a

big smile to my face". Over 4000 people attended the festival over 2 days which featured a total of 149 sixes, over 30 lost balls and one smashed windscreen courtesy of a massive six by Pakistan's Usman Khawaja.

In the Sunday Mini World Cup, Bangladesh captain Naiian Yazdani won the bowler of the tournament with 5 wickets for 26 runs. Nick Watkins from the Bradman Foundation was awarded player of the tournament and also cleaned up the best batsman and Concorde VFR high flying 6's trip to India award with 11 sixes in total. Watkins who is Australia's premier deaf cricketer was thrilled to be part of the day "What a great concept and a positive day. The cricket was of the highest standard and my Bradman Foundation team mates were great to play with. A big thankyou to the organisers for their originality and we look forward to next year".

In the Community Competition, Bankstown Sports Club was knocked out in the qualifiers of the Saturday tournament and will no doubt learn from the experience. Sri Lanka Lions cleaned up the awards with Player of the Tournament going to Kasun Bulathsinghala, best bowler to Vinayak Sasitharan and best batsman going to Pradeep Vidanapathirana with 115 runs. Pradeep also tied the Most 6's award with Afghanistan's Aziz Naibkhil and Pakistan Sports Club's Aamir Abbasi

with 6 each. The NSW Breakers womens team did not win any matches against the men but won the spectators hearts with their valiant efforts and Cricket Masala remains the only integrated tournament in Australia. Lisa Sthalekar, the Australian women's vice captain enjoyed herself "It's a beautiful day and great to see everybody come together at the end of the season" Lisa's Indian team performed credibly but did not make it through to the next round.

Gambhir Watts, Event Manager was satisfied with the day and observed; "The cricket was unbelievable and I was amazed by some of the Crowd catches including the winner Sadan and Karmakonde who won a trip to the Gold Coast for 2 for the first crowd catch after 1pm. Thanks to all of our sponsors for their support and we will be back next year with more innovations". India had a strong team with skipper Lisa Sthalekar and former Indian Test cricketer Subroto Banerjee but were again disappointed, winning only one of the three matches and failed to qualify for the semi-final.

Led by Usman Khawaja, Pakistan made a strong bid to enter the final, but they lost to Africa in the semis after a titanic struggle. Africa scored 3-86, the highest team total for the day and an amazing total off just 5 overs. The current Zimbabwean Test cricketer Vusi Sibanda who had

earlier scintillated in the 2007 World Cup scored an astounding 30 runs in an over including four sixes. Pakistan bravely replied with 1-73, with Usman smacking sixes all over the Steve & Mark Waugh Stand, smashing a car windscreen in the process! Thus 159 runs were rattled up in 10 overs, an exhilarating run-rate of 16 runs an over!

The final was reduced to 3 overs per team because of rain. Africa made 1-45 and beat Bradman Foundation's reply (2-32). The talented Zimbabwean star Vusi Sibanda who represented champion team Africa was the most popular cricketer in the Competition. "I was so disappointed that Zimbabwe did not make it to Super 8 in the 2007 World Cup in the West Indies. But today has brought a big smile to my face."

Nick Watkins of the Bradman Foundation who scooped awards for being the best batsman and was voted the most valuable player of the Championship. He also top scored with an individual score of 48. Nick and his twin brother Andrew play for Parramatta in first grade and along with Bradman Foundation teammate are 3 of Australia's premier deaf cricketers having represented on a number of occasions. Nick also won the Concorde VFR high flying trip to India for hitting most sixes, 11 in one day.

The Sydney Morning Herald of April 14 previewed Cricket Masala by titling the story: Cricket spiked with masala, and a staid game gets sixier. And "sixier" it did get with 78 sixes skied on 14th and 71 on 15th April. Many of them were huge hits, going over the Stadium and crashing down with a bang. Thirty balls were lost as towering sixes followed each other in rapid succession.

Dignitaries in attendance included former Australian test cricketers Alan Davidson and Lenny Pascoe, Cricket NSW CEO David Gilbert, Consul General of India Hon. Sujan Chinoy, Mayor of Bankstown Ms Tanya Mihailuk and Hon. Darryl Melham, Federal MP for Banks who was present on both days. Mr

Melham commented "What a fantastic event and what joy you have brought to a lot of families".

Rina Hore, Director of the Bradman Foundation and Cricket NSW, and John Faulkner director of the LBW Trust, were amongst a ray of other dignitaries who graced the event over two days. Ms Lisa Cartwright, General Manager, International Customer Services, Commonwealth Bank graced the occasion with her day long stay and led the prize distribution ceremony in the late evening on Sunday. The running commentaries and comedy by MC's Paran Nadeswaran, 19 and Rajith Raghavan informed and entertained as they interviewed cricketers, dancers and VIPs with a touch of Test class and humour, ably assisted by Deepthi Raghavan and DJ Neil. Cricket editor Kersi Meher Homji and Patrick Skene contributed rich editorial for the Match Program designed by Prem Gangadharan and Utkarsh Doshi. In original articles Kersi highlighted the world class strength of the NSW representative team Speedblitz Blues, and cast light on performances of our talented female cricketers.

Divya Raghavan managed operations for the event with Utkarsh Doshi, who led a team of Bhavan volunteers and special thanks to Marty Klumpp, Brian Freedman and Eris Dignam of Bankstown Sports for their support. Rajesh Katakdhond assisted with luncheons, and we are grateful for his efforts and those of all other volunteers who helped with the event. Our special thanks to Tournament Director Sutha Siva and his team from NSW Tamils who ran 42 games played over two days at two venues with pinpoint punctuality and kept immaculate statistics.

Luckyspectator Sadanand Karmatokonde won a trip to Gold Coast for two for taking the first crowd catch. Shamima Begum of Lakemba won the door prize consisting of trip for two to India including airfare five nights' stay in Delhi, Agra, Jaipur and ground transportation with the courtesy of India Tourism Sydney,

Malaysian Airlines and Taj Hotel Resorts and Palaces.

Senior Cricket Journalist Alex Brown wrote in the Sydney Morning Herald on April 21, 2007. "The important administrative lessons to be taken from Cricket Masala were not from the games being played. Those are the domain of players and coaches. Rather, the moral of this story is how organisers driven by passion, as opposed to profit, can inspire the masses with an event authentic, fun, and without the unmistakable scent of Dettol. Informal, spontaneous. Fans treated as fans, not commodities. Boundaries lined with cooks from local curry houses, dishing up baltis hotter than a Greg Chappell effigy. Singers belting out tunes in English and Hindi (think Brett Lee in his post-Six & Out phase, but better). Between the singing of the crowd and the singeing of the balti, the carnival at Bankstown Oval was by far and away my cricketing highlight of the past few months."
