president's report

Whilst watching the 1st grade final in early April at Memorial oval, I began looking around the ground and thinking of our history. Firstly, I noticed the scoreboard across the oval, named in honour of one of our greats, Dion Bourne. It's now one of the latest electronic scoreboards running videos whilst seamlessly capturing the change in score as games ebb and flow. Next to it I notice the indoor cricket and sports facility standing tall on the eastern side of the ground, named in honour of John McKay, a long-time supporter of cricket and our club, and former executive of the Bankstown Sports Club.

In that vicinity, there is the 'sporting hall of fame', an acknowledgement of all the sporting legends from the Bankstown area, cricket of course is dominant but so many from our area have excelled in so many sports. As I turned to the canteen I notice the sign "Rosie's" above the counter, dedicated to Ro Freedman, who took great pride in supporting players and supporters alike while preparing some of the best afternoon teas in Sydney.

I could go on and on, there are so many pillars of our past and tributes

to those that embraced our club and the game of cricket. It struck me that today's generation owe a significant debt of gratitude to those that came before us, those that dedicated themselves to our community, those that helped to create opportunity for people to develop their game and themselves. Ignoring our history, and embracing complacency will surely bring heartache and we must fight against such lethargy to continue to prosper.

Proudly today Bankstown Oval is a formidable place to play cricket. It stands as one of the world's best suburban cricket grounds and epitomises vision, effort and teamwork and all that is good in our game and our club and there are many who are making similar significant contributions today. I think we are fortunate to have club members who step up each year and embrace our roles as custodian of the game and our club, and I hope this spirit lives long into our future irrespective of those that come and go, with all contributing to the culture and spirit of cricket in Bankstown.

On reflection, the 2017/18 season produced mixed results on the field, a season with some great individual contributions and yet another year where our volunteers silently went about managing the club's affairs. I recall a colleague who used to say "be useful not memorable", and we were again lucky to have an army of useful supporters.

Additionally, many thanks to the Bankstown Sports Club who remained our greatest supporter and the Canterbury Bankstown City Council for their commitment to providing world class facilities.

I know our coaches have put in place a fresh approach to the 2018/19 pre-season and with enthusiasm we look forward to another exciting year. As our game develops on the global stage, surely opportunities will come to those that invest and remain resilient and I thank all who contribute at Bankstown.

Best regards,

Scott Grant

BDCC President

sixty-seventh annual report

I have pleasure presenting the Club's Sixty-Seventh Annual Report and Financial Statement.

Following the loss of several highly-performed and experienced players, we always expected season 2017-18 to be very challenging on the playing front. But I think even the hardest marker would agree we performed strongly, laying a platform for this young group of players to challenge for titles in coming seasons.

The Club was again fortunate to have the services of the Head Coach Gary Crowfoot. Gary's passion for this club is quite unique. After assistant coach Dean Burke gained a richly deserved role at Cricket NSW, Gary quickly re-jigged our coaching team with James Bourne taking a more prominent role and along with support from Aaron Bird and Ray Hall, our coaching team performed very professionally. At the conclusion of every season Gary immediately starts discussions with players regarding their goals for the upcoming season and beyond. This feedback underpins the planning and scheduling for off-season group and individual development programs, pre-season training and trial matches; it's a significant workload that Gary doesn't shirk for one moment. Gary's great mate Ken 'Emu' Hall continued his role as First Grade Team Manager and we are very lucky indeed to have a person of Ken's calibre involved at the Club.

Last season Dean Magee took over as Chairman of Selectors from fellow Life Member Phil Kelly. This role has become more challenging in recent

years as the average age of Premier Grade players' gets younger and younger. This means the Chairman of Selectors role is becoming more time consuming and involves complex and sometimes sensitive communications with players, parents and guardians. Dean brought his usual passion to the role and despite being promoted to a new job involving interstate travel, he never once took his eye off his responsibilities to the Club. Dean received great administrative support in this role from Iain Ridley.

Michael Stretton capably led our young first grade squad to a commendable placing. Michael's calm and thoughtful approach to the role, combined with Gary and Emu's enthusiasm, proved a successful blend for developing the confidence of his young charges and allowing the side to qualify for the semis of the LO competition and only just miss the finals of the Bevidere Cup on quotient. A real gentleman who respects the traditions of the game, this history of this club and appreciates the efforts of our volunteers.

Joel Brockley took over the reins as skipper in Second Grade and will have gleaned a lot from the experience. Brocks is a very talented player and he gives his all every time he walks onto the paddock. The Seconds improved steadily as the season progressed and Joel settled into his role as leader. A committed clubman, Joel had no hesitation answering the call to step into the top grade when required.

Iain Ridley led Third Grade Third Grade with great style and enthusiasm. His experience shone through in every aspect of the role, be it on-field leadership or off-field administration. Iain was chosen by his peers to win the 'Player's Player Award' for 2017-18, reflecting the high esteem in which he is held by everyone at the Club. Without peer when it comes to off-field administration including My Cricket scores, Umpires Reports, posting Team Selection lists on Facebook etc. Mat Kelly answered the call to lead our Fourth Grade side despite the real strain it placed on him balancing a busy role with NSW Police and

raising a young family. While Mat's batting numbers weren't up with his stellar performances of the past two seasons, his bowling was top class snaring 22 scalps @15 average. But his biggest contribution is always the mentoring he provides for our young players, most of whom as experiencing grade cricket for the first time. It's hoped that Mat can find the time to continue his tremendous service to the club in coming seasons.

Alex Kouventaris swapped grades with Mat Kelly to lead our Fifth Grade. A very young man to be holding the captaincy reins of a Premier Grade side, Alex learnt lots about leadership in 2016-17 and brought that experience to bear last season as he led Fifth Grade with great enthusiasm and composure. Alex's own form was outstanding, winning the coveted 'Bankstown Sports Player of the Year Award'. A popular clubman who is respected by players and volunteers.

Mark Grant, Linsey Roworth and Phil Kelly acted as our Cricket Operations Sub-Committee with oversight of all on-field related matters (retention, recruitment,

coaching structures, facilities etc). Mark, Linsey and Phil worked closely with Gary Crowfoot and Chairman of Selectors Dean Magee to ensure our playing group had every opportunity to develop and compete at their best.

Rob Smith, Gary Penman and Justin Newman again provided effective leadership for Bankstown Sports Women's Cricket Club. The club fielded teams in 13 separate competitions with 10 of these teams making their respective Finals. From these matches Bankstown Sports won a total of 7 Premierships - in the 1st / 2nd Grade T20, the 3rd Grade Limited Overs competition and five titles across the Under 13, 15 and 17 age group in the Thunder Girls Cricket League Spring & Summer competitions. The increasing professionalism of Women's Cricket will continue to challenge administrators and with this in mind we have initiated discussions between the Men's and Women's Clubs to develop strategies and plans to ensure we can effectively support our playing group through this transition.

All amateur sport hinges on the

efforts of volunteers. Whether it's parents and guardians driving young players, helping with scoring, removing and packing up wicket covers or providing afternoon teas, we value every contribution made by our volunteers no matter how small.

On behalf of all players and supporters I'd like to make special mention of the following people who are exceptional contributors :

Scott Grant and Meegan Grant

Scott and Meegan take every opportunity to volunteer time and effort to maintain and improve this Club. Meegan and Scott are equally at home working on complex strategic, financial and administrative issues as they are at running the canteen or mopping the floors. A rare mix and one we should never take for granted.

Eris and Margaret Dignam

High on the list of all time contributors to the Club, we were very lucky to have Margaret and Eris continue their 30 plus years of support. Whether it's ordering canteen supplies, serving in the canteen, book-keeping and banking,

co-ordinating practice sessions or cleaning dressing rooms, Eris and Margaret remain key contributors to our day to day operations..

Brian Freedman

The 'Top Dog' for 35 years. From carpentry, cleaning, covers brigade every Saturday morning to strategic planning and representing the Club at the SCA and NSWCA, Brian does it all with a level of commitment not rivalled in any cricket or sporting club I've known. Brian continues to drive the Uganda Equipment Project with the same passion he had when it started 14 years ago. He contributes hundreds of hours every year collecting, repairing and packing donations because he believes it's the sort of commitment that underpins the real meaning of 'The Spirit of Cricket'.

David Clifton

David's contribution continues to go from strength to strength. He is a member of our Management Committee, runs the successful RSAC Disabled Cricket Program (including engaging with Special Olympics Australia) manages our website, along with our Facebook and Team App social media platforms, designs this annual report, takes and uploads hundreds – probably thousands – of high-quality photos from matches and events. This year he added setting-up and producing live video streaming of matches from Memorial Oval to his portfolio! Living and working on the Northern Beaches hasn't dampened David's enthusiasm and his contribution remains one of the key reasons we have developed and maintain our reputation for innovation, inclusion and professionalism.

Geoff and Michelle Price

Geoff is a genuine 'great bloke' who makes a fantastic contribution to the functioning of the club. As first grade scorer and a training coordinator, Geoff volunteers as much time as any player or coach. One example of his 'above and beyond the call' attitude was acting as scoreboard operator for the first grade final even though the Dogs' weren't playing. Geoff is also a thoughtful contributor when key issues are discussed at Management Committee. Michelle continues to assist with canteen duties – she's always smiling and make players and supporters from all clubs feel very welcome. Michelle will be delighted to know we've requested a quote for air-conditioning of the canteen!

The 2018/19 Premier Grade season will be challenging for players, coaches and administrators.

The role of Premier Grade Cricket in the national cricket structure is becoming blurred as professional and semi-professional levels expand. Representative level players now spend less time at Club level and Premier Clubs face real challenges to fill this experience gap. We are fortunate to have a dedicated Head Coach in Gary Crowfoot and a committed group of volunteers, but we don't for one second kid ourselves about the risks to our continued success.

In my view the most crucial of these risks is ensuring the succession (renewal) of our key volunteer group. To that end, we are always on the lookout for members to join the Management Committee. We have lots of willing helpers on training and match days and this effort is highly valued. However, it would be a really positive move if more people became involved at Management

Committee level. This will ensure our plans and activities are in touch with the needs of young players and their families, as well as allowing them to contribute to the growth of the club and the game as a whole.

SPONSORS and SUPPORTERS

Bankstown Sports Club provides the financial assistance that enables us to deliver on our goal of being one of the leading amateur sporting clubs in Australia. We thank **BSC President John Murray, Vice President Richard Phillips and all Board Members** for their support. BSC plays a vital role in the Bankstown Canterbury community. BSC supports 43 internal sporting clubs and scores of charitable and non-government organizations in the pursuit of its goals. It's hard to imagine how BDCC could exist in its current form without BSC's generous financial assistance.

Mark Condi, Chief Executive Bankstown Sports Club, continued to provide our Executive Committee with excellent business management advice. We would not have won the Cricket Australia 'Premier Cricket Club of the Year' Award without Mark's wise counsel over many years.

Marie Kanaan, Executive Manager Sport and Community Development, Bankstown Sports Club. Thank you for your advice and support. While Marie is on maternity leave Josh Carmichael is filling this role and is doing a great job. Thanks also Community and Sport Department members Shannon Harley and Matthew Starr for your support.

Chris Passanah, Executive Manager Media and Community Development at BSC, continues to provide wise counsel that we appreciate very much.

Karthik Chidhambaram and the BSC Events team, thank you most sincerely for your professional and courteous help. We are really pleased that many other cricket groups now see BSC as their preferred function and event venue.

President Daryl Melham and the Directors of Revesby Workers' Club, we thank you for your support and hope we can continue to work together to do good things for our community.

Renee Chahine from Bankstown City Unity Bank for your continued professionalism.

APPRECIATIONS

Mayor Khal Asfour and all Councillors at CB City Council for your leadership as we all strive to make CB City a place 'Where Interesting Happens'

Jason Clare MP, Member for Blaxland, for advice and on-going support.

Tania Mihailuk MP, Member for Bankstown, your enthusiastic support for our community and on-going support for this club is much appreciated.

Matthew Stewart, General Manager Canterbury Bankstown City Council, thank you for your on-going advice, support and professionalism.

Graeme Beattie, Director Community Services, Canterbury Bankstown City Council for your on-going support of our facilities upgrade projects and special events. Katherine Forman is Graeme's off-sider and provides terrific advice and support whenever we ask for it.

Jim Everett and your team for help with electrical requirements at Memorial Oval.

Melissa King, Team Leader Recreation for your professional support and assistance.

Linda Wright from Canterbury Bankstown City Council for your support and assistance with facilities bookings and general recreation and sports development administration matters.

Dean Magee, our hardworking and diligent Chairman of Selectors.

New South Wales Cricket Umpires and Scorers Association. All players, supporters and volunteers at BDCC would like to sincerely thank the NSW Cricket Umpires and Scorers Association, led so ably by the amazing Darren Goodyer. The Association is always recruiting new umpires for its ranks and provides a wide array of support resources to assist prospective umpires achieve their qualifications. Details of the Association's upcoming courses can be obtained from their website or by contacting Umpires Administration Manager Troy Penman at Cricket NSW.

Bankstown District Cricket Association, sincere thanks to key administrators Peter O'Shea, Christene Benham and Dianne Ford for your continued stewardship of the Association.

Bryden Sharp coordinator for the BDCA Representative Teams.

James Bourne and Iain Ridley for your support of our Poidevin-Gray Shield team.

Ray Hall our AW Green Shield coach for your commitment to junior representative cricket. Ray was ably supported by Chris Ridley who is a fantastic mentor for our emerging Premier Grade players.

Michael Simpson, our enthusiastic AW Green Shield Manager for handling the team administration and general off-field operations and providing photos and copy for our social media feeds.

David Debono, Gamini Perera and Suresh Weerasingham; we really appreciate you scoring matches electronically.

Andrew Jones, CEO of Cricket NSW.

Roy Formica, Premier Cricket Manager, CNSW for your on-going advice and support.

Bruce Whitehouse, Secretary Sydney Cricket Association, for your help with all things administrative.

Craig McLean, Development Leader Thunder Metro for Cricket NSW, for on-going advice and support. We look forward to implementing some new plans to re-invigorate participation numbers in this area in coming years.

Daniel Solway, Development Officer Canterbury Bankstown at CNSW, for your efforts developing the game in this region. We have received many positive comments about your enthusiasm and professionalism and look forward to working with you to help the BDCA build junior participation rates in coming years.

Jessica Lozinski, your reliability and affable manner running the Club's canteen was greatly appreciated by all Bulldogs and visiting teams.

Matt Clifton for on-going support of the Disabled Cricket program. Congratulations on your appointment as Assistant Coach of the NSW Intellectual Disability Team last season.

Marty Klumpp
Honorary Secretary

uganda

The genesis of our Uganda project in 2004 came from a chat Brian Freedman who was managing the Australian team in the ICC U/19 Cricket World Cup in Bangladesh, had with the management of the Ugandan team.

He had been surprised at how poorly equipped they were, swapping bats and helmets at the gate as they were going out to bat for their country and also surprising was that in the development areas they only had “hand crafted bats” shaped from a plank of wood.

On reporting this to the committee they decided to conduct an appeal mainly to the Grade and Shires clubs to see if we could fill a one only container with used and unwanted gear to ship to the Uganda Cricket Association. The container took over twelve months to fill and when shipped in late 2005 it was thought it was a successful project completed.

The eventual arrival of the container in Kampala in 2006 was the cause of great excitement. The Uganda Cricket Association put out a press release that found its way to the Australian newspaper and the ABC news creating an interest with the wider cricket community which led to numerous inquiries as to whether we were still collecting gear for Uganda.

With this response the committee decided to attempt to fill another container and focused some advertising around the New Year Test at the SCG with support from Channel Nine and ABC radio, in particular Jim Maxwell and the late Peter Roebuck.

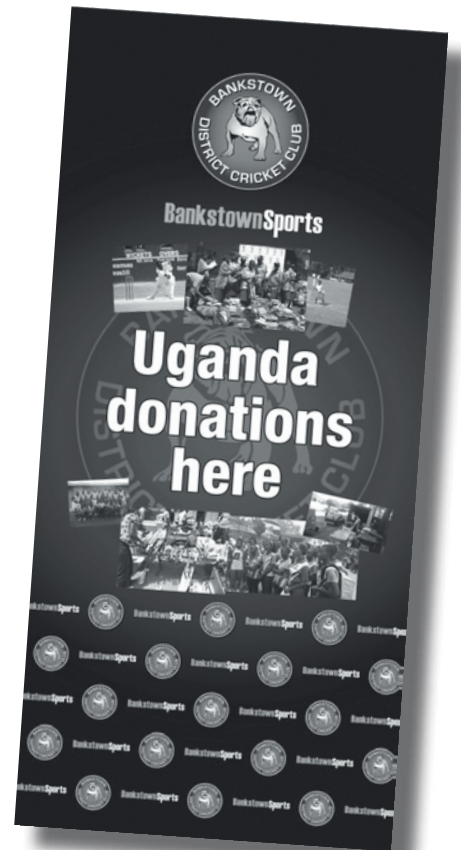

The initial idea was to ask donors to bring gear to the Test but when people told us they had gear to donate but could not get it to the SCG, we quickly realised we needed to have a collection strategy, a move that crucial to the ongoing success of the project.

With the continued support of the cricket community it was decided to continue with the project. For the next couple of years young club members wore sandwich boards and handed out flyers at the Sydney Test however we now only have to rely on “word of mouth” and repeat donors. The effect this program is having on cricket and the people in Uganda is best evidenced by the numbers, when we started their participation numbers were just over 10,000 and today because of the equipment they now have it has grown to just on 60,000.

As we work on filling the 13th container we should reflect on the contribution that the Bankstown Sports Club plays in the success of the program. They have covered the freight cost of every container shipped and without their contribution of over \$120,000 clearly this program could not have happened.

“Word of mouth drives donations”

where are they now?

SCOTT THOMPSON

Scott played A.W.Green Shield in 1987/88 and after being selected in 4th grade the following season moved quickly through the grades until 1990/91 when he made 1st grade at the age of eighteen. His selection was largely based on the potential his lower grade captains saw in him and he went on to have a fabulous career which proved them to be 100% correct.

Undoubtedly Scott remains the leading all-rounder in the club's history with 6811 runs and 496 wickets in 1st grade. He played in six 1st grade premiership teams and captained the team that won both the Belvedere Cup and Limited Overs Cup in 2006/07.

He represented NSW in 17 Sheffield Shield and 22 Limited Over matches between 1994 and 2001 and was selected for Australia A versus West Indies in a match captained by Steve Waugh.

Scott was elected a life member of the club in 2007.

Scott's entry into the business world was when he joined Dunlop Footwear as a Marketing Assistant at a time they were well known

for the Australian icon "Volley International" shoe and were situated at the famous Dunlop's corner (Canterbury and Chapel Rds), just a straight drive from Bankstown Memorial Oval.

As all would know, Scott's patience is not his strong suit and was soon looking for a new opportunity and joined Kingsgrove Sports Store as their first marketing manager and for his long term mentor and friend Harry Solomons, the great friend of cricket.

With this experience it was not long before former Australian cricketer Ian Davis identified some talent and lured him to Dunlop Slazengers where he held a number of positions before being appointed Divisional Manager Cricket and Golf Balls.

After spending ten years at Dunlop Slazengers, Scott was ready for a new challenge in 2003 and found an opportunity in the automotive industry at Toyota, initially working under Scott Grant. Toyota have an excellent reputation for their staff development and training strategies and this environment had Scott occupying a number of marketing and

sales roles before being promoted to GM Marketing and then GM Sales.

In 2016, Scott's next move took him to a role with Toyota North America for two years. Packing up the family and taking off on an adventure of a lifetime, his role as GM Marketing Toyota North America had him working on the development of Toyota's initial global marketing campaign with a focus on their Olympic sponsorship.

Returning home in early 2018 and relocating to Melbourne where Toyota is now based, Scott's current position is CEO Lexus Australia.

Scott believes many of the leadership skills that have served him so well in his business career were learnt on the field and in the dressing rooms from the likes of club legends Steve Small, Steve and Mark Waugh, Ken Hall and his big brother David.

Outside of work, Scott has developed into a fitness fanatic regularly competing in triathlon events. It is believed his latest bike cost about as much as one of his Lexus branded cars. He remains a fiercely proud Bulldog.

Recreation Sports and Aquatic Club (RSAC) cricket program

David and Matt Clifton

It is always a pleasure when we reflect back on the season past and then realise we don't stop at all during the year - our cricket program runs for 11 months of the years. Most importantly however, our player numbers continue to increase consistently. Even with our extra qualified coaches (such as Bruce Andrews and Ian Russell who gained their coaching certification during the year - a special thank you) we still needed to break our training into squads so that we could improve the individual's specific skills of the players because as a single group it was simply too large and unwieldy. We also need to thank Maurice Loughlin and Manjit Dhupar for

their coaching contributions. Our sincere thanks to all our volunteer coaches.

This is Matt and mine's fifth year of running this program and we cannot express our thanks enough for the ongoing commitment and support of Bankstown District Cricket Club and Bankstown Sports Club - who provide the equipment and training facilities for our players - which are some of the best in the state.

Indeed, our relationship with Special Olympics continues to grow and we were fortunate to have the 2017-18 Summer of Cricket launched at Bankstown Oval in October 2017 and this has now become set in the SO Cricket

calendar. Watch out for the upcoming season 2018-19 launch - it is going to be a big, fun day for everyone (even rugby league followers!).

We also extended our relationship with NSW Intellectual Disability Cricket after Matt - as NSW Assistant Coach - took the squad to Geelong for Nationals in February 2018 - with a number of our players being selected: Gareth Donohue, Matt Brown, Omkar Dhupar. While they didn't bring home silverware, they showed that they can play at the elite level and succeed. We are very proud to have helped in the development of these players to reach some of their goals.

As a consequence, Matt has since been appointed NSW Coach of Intellectual Disability Cricket and so continues to develop his roles in Cricket for Athletes with a Disability. Similarly, with NSW Blind Cricket (who won the National Title at the Nationals in Geelong) now based at Bankstown Oval, there is a real hub of excitement about the blossoming future of disability cricket at Bankstown - and we hope to develop this further during the year.

Finally, as coaches, we have a responsibility to the players - not 'just' for their cricket skills - but for the level of personal self-esteem and confidence we can add to with high-quality and genuinely fun yet often challenging training sessions in a supportive and inclusive environment.

For Matt and I, as always, it is a pleasure and a privilege to coach our cricketers - so thank you all for the opportunity afforded us.

David and Matt Clifton

obituaries

We offer our sincere condolences to all members who have lost loved ones in the past year...

Cliff Van Blerk

Cliff, the dad of Bulldogs First Grade Cap Number 227 Bevan Van Blerk passed on 7th June. Cliff (Cap 190) represented Australia at Soccer as did Bevan's brother Jason (Cap 367). Cliff and Jason are one of three father/son combinations to represent the national team. Cliff was an enthusiastic supporter of the Bulldogs during Bevan's playing career, rarely missing a match and delighting everyone with his great sense of fun.

Laura (Chick) Hall

Mother of Bulldog legend Ken Hall, Laura ended her magic innings peacefully at age 90 on 15th March 2018. Proud wife, mother and grandmother Chick Hall was a legendary character in the Hawkesbury and will be sadly missed.

Steve Folkes

Everyone at BDCC was shocked and saddened to hear the news of the sudden passing of Steve Folkes, former BDCC player and Rugby League great, at the age of 59. Steve played AW Green Shield for the Bulldogs in 1974-75 and as a hard-hitting LH batsman, averaged 49.00. Rugby League was rightly to become Steve's great calling and he went on to deliver at the highest levels as a player, coach and conditioner for decades. We offer our sincere condolences to the extended Folkes, Moore and Hughes families.

Margaret Lister

Wife of former Bulldogs spinner Denis Lister and mother of BDCA junior representative Courtney, Margaret lost her long fight with cancer in February. Margaret epitomised the Bulldog spirit and will always be remembered for her positive attitude and sense of humour throughout her illness.

Bob Le Fevre

The Club was saddened to hear of the death last September of First Grade Cap number 77, Bob Le Fevre. Bob was an attacking style of leg-spinner who was a

prodigious turner of the ball. His best season was 1967-68 when he captured 43 wickets. At that time it was a first grade record. He had three seasons and was very highly regarded by all. Bob was picked to play for NSW Colts and looked to have a promising career but injuries proved his nemesis. The Club extends deepest sympathies to Bob's family and hope they will feel heartened that his legacy lives on through our Club history.

Bob Holland

In September 2017 the Bulldog clan joins all cricket followers in mourning the passing of former Australian, NSW and Bankstown player Bob 'Dutchy' Holland. Bob Holland played for the Bulldogs in the 1970-71 season when he joined Bankstown Council as an Engineer. He teamed up with Len Pascoe, Jeff Thomson and Barry Thebridge to form the most lethal attack in Sydney Grade Cricket. Bob debuted for Australia at the 'tender' age of 38 and in his first class career claimed 316 wickets in 94 games. He claimed 34 wickets in Test Matches and was the West Indies nemesis. Our sympathies are extended to son Craig and the entire Holland Family.

John Clift

The Club was saddened in September 2017 to hear of the passing of John Clift, 1st Grade Cap number 27, who played with the Club in the 1950's and early 1960's. The Bankstown Club was formed in 1951 and we won our first 1st Grade premiership in 1958-59 and John was a member of that side. John was also a member of the 1953-54 Poidevin Gray Shield Premiership winning team. John was incredibly proud to of his time playing with Bankstown and all the friends he made. Along with his son Tony, John attended several reunion events with and enjoyed the company of many of his former team mates including Australian representative Grahame Thomas. Jack expressed his wish that several of his beloved items of Club memorabilia, included his 1st Grade Premiership Blazer, are donated to the Club and we are honoured to accept this thoughtful bequest. To Tony and the entire Clift family, we offer our sincere condolences.

where are they now?

FRANK CICUTTO

The most successful businessman in the history of the Bankstown Cricket Club is Frank Cicutto – the Italian-born man who grew up in Punchbowl. From being one of the youngest-ever branch managers at Bankstown and Milsons Point the shrewd businessman rose to become il Supremo of the whole National Bank. Frank was a hard-hitting opening batsman in first grade and was involved in two century stands in 1977-8. He was at his aggressive best and such was his the brilliance of his batting he even outscored the dashing Steve Small. The very popular Cicutto compiled a devastating 79 versus Northern Districts in his century stand with Bob Vidler at the SCG. Frank brought the crowd to its feet when he launched himself into a spectacular six which soared high into the Ladies Stand. In 1979 he provided a delightful cameo when he plundered a quickfire 42 which included three towering sixes. He valued all-rounder status with his deceptive mediums. Whenever the subject came up he was quick to point out he had claimed the scalp of Aussie opener Rick McCosker. Frank was Secretary of the Club for two seasons before being transferred to Melbourne as a boost to his banking career. Before he left he revealed a devilish sense of humour. When asked about the financial position of the Club, he replied the liquid asset situation was extremely sound.

This was in the form of fifty cases of beer stored in the Cicutto hacienda bought to beat a proposed tax hike!! Frank suffered the most diabolical injury in the Bulldogs' cricket history. Fielding at silly mid-on a savage pull shot crashed into Frank's head. In the days before helmets, the ball rebounded over point and Frank was rushed to hospital. It proved to be a fractured skull and he could not talk coherently for 12 months. For him to fight back and reach the top of the competitive banking industry was amazing. The Cicutto's son Andrew was born in November 1987 - just before Frank was posted to New York to run the American operations. Frank, Christine plus Andrew returned to Melbourne for two years then Frank was sent to Sydney to take control of NAB N.S.W. In 1994, the family headed to Scotland where Frank managed the Scottish, English and Irish Banks. In 1996 they returned to Melbourne and in 1999 Frank became CEO of the NAB - which was a wonderful achievement.

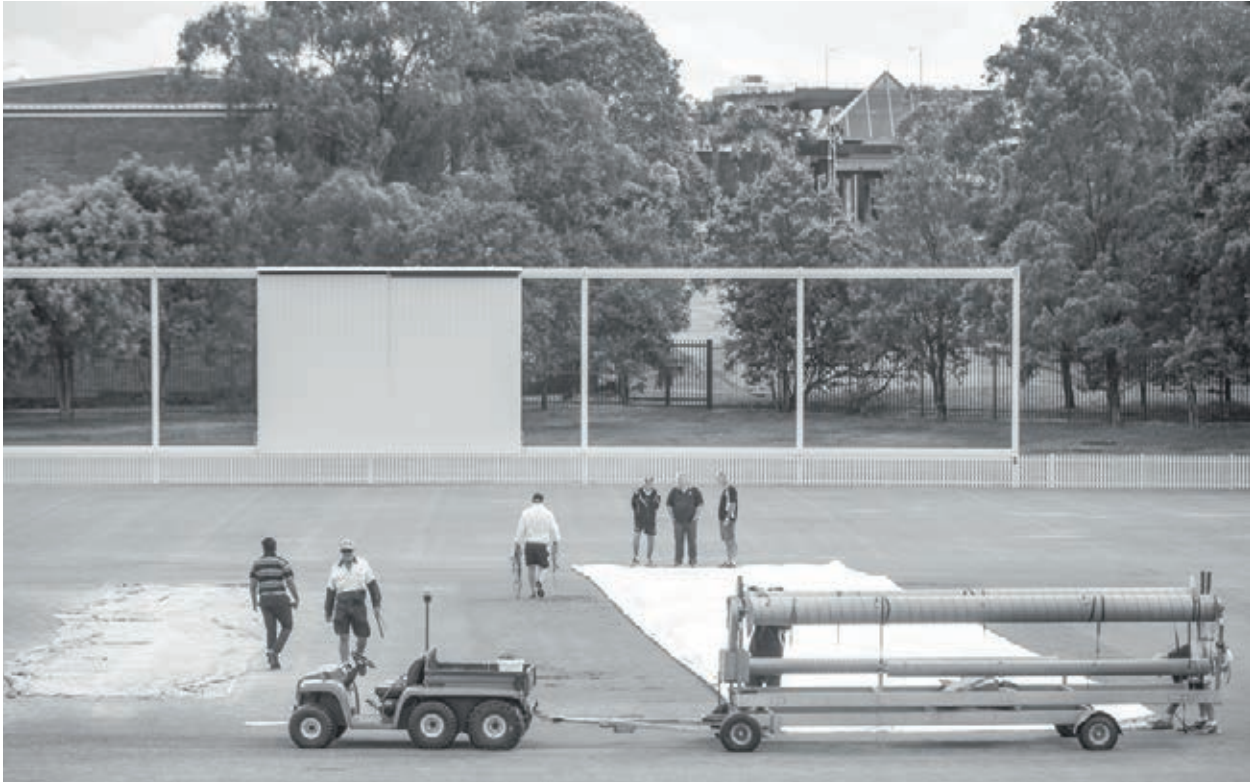

In retirement he still found time to run a car lease company and his business acumen was quickly snapped up. He was a director with St. Vincent's, Run Real Estate and Melbourne Business School. Andrew is getting married in December 2018 and has his Dad's business flair.

Frank in 1972, below: 1975

club grounds and facilities

The Club was again lucky to have access to high quality on-field and off-field facilities that are the envy of all Premier Grade Clubs.

Following the renovation of the Memorial Oval turf square in 2016 it was very satisfying that the Oval was highly rated for the quality of pace and bounce during the 2017-18 season. CB City Council and curator Warwick Starr were rewarded for their efforts when Memorial Oval was selected to host the Belvidere Cup final. The final, played over three days at Easter, saw the ground universally praised for the quality of the outfield and wicket. Former Test opener Ed Cowan was generous in his praise and both team captains and the umpires paid special tribute to Warwick and his team for their efforts. CB City has recently changed Warwick's role and he will now

focus specifically on Memorial Oval rather than supervising staff across several venues. We continue to enjoy a terrific working relationship with Warwick and look forward to helping him return Memorial Oval to the top of the SCA Ground rankings in coming years.

Nick Mamolis again presented Jensen Oval in superb condition hosting third and fourth grade Men's Premier Grade, AW Green Shield, Premier Women's Grade and NSW Districts Association Junior and Senior Representative matches. Canterbury Bankstown City Council's Strategic Plan had led to the installation of a new turf wicket square at Kelso Park North, East Hills. Completed in March 2018 this project will add another dimension to Kelso Park sports precinct, which currently supports softball, baseball

and AFL. Depending on how the wicket table settles, it is possible we may play some lower grade matches at Kelso North in the latter part of 2018-19 season. CB City has also installed new water tanks and will be upgrading storage facilities at Kelso North to support our move. The turf wicket square at Jensen Oval won't be removed until Council is 100% satisfied that Kelso is fully operational. Curator Mamolis has been appointed to take over the new Kelso North venue and we all feel terribly for Nick who will have to travel about three minutes every day to work!

Grahame Thomas Oval is a not an enclosed ground and its location within a high density housing area means it gets a huge amount of recreational use. Despite this constraint, Warwick and his team always ensure that grade training

Lakemba Sports Club U11 and U13 teams

facilities and match wickets at GT Oval are of the highest order. Canterbury Bankstown City Council has issued another tender for the redevelopment of the GT Oval turf practice area to include raised fencing, lockable gates, upgraded internal lane and overhead nets. This project has been plagued with disruptions with Council unable to find contractors that can meet the tender requirements but Council's goal is for the new facilities to be operational for the start of next season. The Club places on record its genuine thanks to Head Curator Warwick Starr who is ably supported by Nick Mamolis, Shaun Thornton, Darryl Thatcher and Neville Rae. We appreciate the efforts of this group very much and enjoy the friendly working relationship we've established over many years.

The Club also manages under license from CB City Council the John Mackay Centre, The Sporting Hall of Fame and Stephen and Mark Waugh Pavilion. These facilities support Men's and Women's Premier Grade Clubs as well as a range of other community hirers including Bankstown Public School, Bankstown Girls High School, Berala Public School, RSAC Disabled Cricket and NSW Blind Cricket Association. The Club also collaborated with CB City Council to host a very successful Youth Week 'Movie Under the Stars' Night at Memorial Oval in April and we hope this type of activity can be expanded in future. Thanks to David Clifton's sterling effort we were able to live stream the full Belvidere Cup final and the quality of the broadcast received high praise locally and from several

overseas viewers. We hope to have this equipment installed permanently over the off-season with a view to live streaming all Premier Grade matches at Memorial as well as special matches and events. The Club was pleased to provide access to the John Mackay Centre during last season for a group of new junior cricketers from Lakemba Sports Club. These boys were new to cricket but with support from their enthusiastic parents and weekly access to the Indoor Centre, both the U11 and U13 teams reached the Grad Final, with the U13s being successful. This is a great case study in helping support the growth of the game across non-traditional cricket cultures and we congratulate Tanvir Ahmed and Mohammed Harris for their initiative in growing the game in the Lakemba area.

This year marked the 36th year of this great competition. The winner is decided by each of the five grades awarding 3, 2 and 1 point(s) to the best contributors in each grade where all grades play.

A batting bonus point can be earned for scoring 50 with a further point for every 25 thereafter.

Bowlers and wicketkeepers earn a bonus point for taking three wickets or dismissals with an additional point awarded for each further wicket and each team decides a fielding point for each match.

After 15 rounds the top five were...

Equal 4th place on 22 points

Chris Ridley

A talented batsman who worked his way into 1st grade after some outstanding efforts in 2nd grade. Another who puts a great deal of effort into his preparation as the basis of the success that deservedly comes his way.

Harry Brett

Harry had a fabulous season with three centuries. He unselfishly dropped back to 5th grade to help with their push to the finals play offs. The only time the 5th grade captain should see Harry next season would be at training.

Joel Brockley

Once he got a start, Joel played some devastating innings with none better than his knock against Sutherland. He also took on the responsibility of captaincy with vigour and enthusiasm.

3rd place on 30 points

Chris Stefanish

A captain's dream with a heart like Phar Lap, Chris would not know how to put in anything less than 100% on a cricket field. The season's leading wicket-taker with 48.

2nd place on 34 points

Daniel Solway

Another fantastic season for this run machine. His ability to score big hundreds together with 1268 runs in a season will again keep his name in front of the state selectors.

Bankstown Sports Club Player of the Year 2017/18

Alex Kouventaris

Player of the year
on 35 points

Alex Kouventaris

Despite holding down the most difficult job in the club, Alex played the role of a true leader with great effect by heading both the batting and bowling aggregates and taking his team to within a whisker of the finals playoffs.

3 not outs

Season 2017/18 brought a new-look Bankstown Firsts side after the loss of more than five regular first graders – including former skipper Jarrad Burke and Phill Wells among those – who had served the club and the side so well. However, this allowed great opportunities with some new acquisitions to the side, the return of some old faces to the club and the retention of a core group of young players who all together I believe will be able to form the basis of a very strong first grade side for the next few years. We all felt the changes in the sheds, but as the season went on and we learnt to play as a unit, we showed that we were a side that could match it with the best in the competition.

In the Belvidere Cup, as a side we showed a bit too much inconsistency across the full season which resulted in us being unlucky in missing out on the finals series by finishing seventh on quotient, and only being one win from first place. It was a heartbreaking result given the incredible win we had in the last game of the season against a star-studded Eastern Suburbs line up, but this was just not quite enough to get us across the line. There were some great performances at times in this competition from our boys, and,

if we can find some more consistency across the full two days, I am positive we will be right back up there again next season and playing finals cricket.

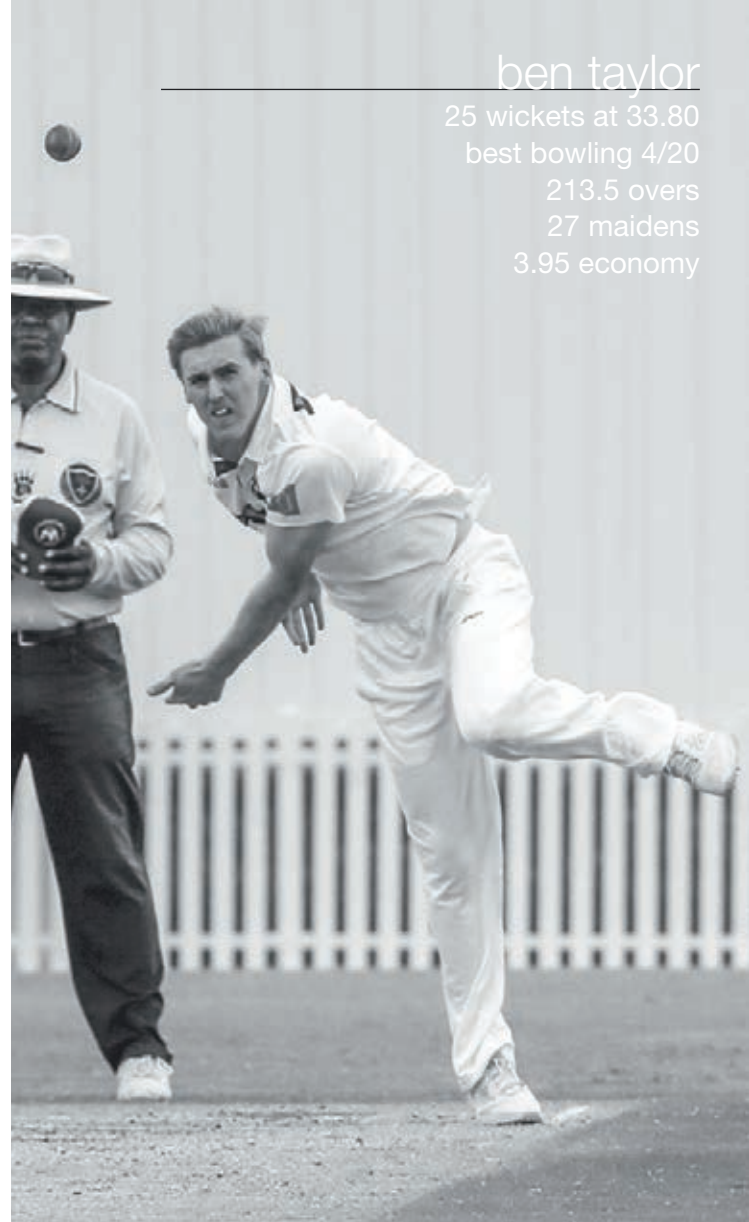

The one-day competition was where the side really excelled – this was in part due to the inclusion of veterans Aaron Bird and Mitch Brown who add so much to our side with their skill, experience and presence for our younger guys. As a side, we have been the benchmark in this competition for 5+ years now and we continued this again playing semifinals cricket

but unfortunately were knocked out by Sydney University, who went on to win the one-day competition. Highlights in this competition were some big wins against Sydney, Randwick-Petersham and then continuing on with a huge win over a Sutherland side featuring internationals Shane Watson and Ben Dwarshuis. After another solid season for the side in one-day cricket, we should be well placed to build on this season to challenge for silverware again next season.

nathan mcandrew

25 wickets at 24.80
best bowling 4/28
176 overs
32 maidens
3.52 economy

ben taylor

25 wickets at 33.80
best bowling 4/20
213.5 overs
27 maidens
3.95 economy

In the T20 competition we again showed some inconsistency, which can often be the way in the shorter form of the game. We ended the season with two wins and two losses which meant that we missed out on the finals by one win. A highlight for the season was the club's first T20 hundred with Daniel Solway posting 104 not out against the Central Coast.

There were a number of fantastic individual performance across the season which showed the depth of our talent and our ability to compete. Daniel Solway lead the way with the bat and ended up as the leading run-scorer in first grade, and a top five finish (batting aggregate) in the Futures League / Second XI competition – a fantastic effort for Sols which highlighted him as a

premier batsman in the competition. Nathan McAndrew lead the bowling group all season and was rewarded in playing a number of Second XI games for the ACT Comets, and again being around the Sydney Thunder Group for another season. Ben Taylor was rewarded with more opportunities with the ACT Comets after some good performances with the ball. He was someone who continued to improve as the season wore on and he bowled more overs. Brendan Smith was rewarded for some great performances in first grade with selection in the NSW Imparja Cup Team who again won the national title, and resulted in his selection in the Australian Imparja Cup team which was a great reward for Smithy after a breakout season

batting consistently in the top 3 for us. Wallace Marshall was a late inclusion to the NSW Under 19 side – a good reward for Wal which showed his potential as a fast bowler. As well as a number of representative players in the lower grades, it showed the Dogs' group are still producing high-quality performers and are being rewarded – which bodes well for the side and group moving in to next season.

For the Bulldogs, we had a number of 1st grade (and some were club) debutants in Kyle Brockley, Ben Taylor, Ben Le Bas, Matt Simpson, Andrew Deitz, Tushaar Garg and Wallace Marshall who were given opportunities in first grade this season. It was great to see some new faces to the side, and some younger

guys who have come through the Bulldogs Pathway System and were rewarded with a first-grade cap after a number of years working their way through the grades. It's always pleasing to see young guys, such as the above debutants, work hard and be rewarded for their effort and the performances they put on the board. I'm sure there will be further opportunities for these boys as well as others next season with continued efforts and a good attitude to their game.

Personally, I would like to thank Mitch Brown who stood in for me leading the side at the start of the year, and assisted me throughout the season with his leadership and knowledge. It was also great to see guys like Nathan McAndrew, Daniel Solway and Jake Cormack step up and take on more of a leadership role within the side. While all players in the team provided me with advice and assistance, it was often these guys week-in week-out who would lead the way on and off the field. After playing together for a long time now, this group have stepped up into a leadership capacity and I hope that they will continue to be able to support myself and the younger players next season.

I would especially like to thank Gary Crowfoot and the coaching staff including James Bourne, Ray Hall

and Dean Bourke (when he was available) for their work throughout the season. We are very lucky to have a very professional and structured set-up lead by Crowy which gives us players the best opportunity to improve. On a personal note, thank you Crowy for the support you provided in my in my first season captaining at the Dogs.

A big thank you to Dean Magee as Chairman of Selectors – your advice and support throughout the season was imperative in making my life easier when picking teams and coming up with the side each week. As well as that to all other captains, thank you for the support, and congratulations to each of you on the results from last season. As a club, we are now seeing the positive results in the club championship through a lot of your continued hard work and commitment that you have shown in our lower grades and in developing our players.

A huge thanks to Kenny Hall who again this side's Manager this year, and mediocre touch football referee. Emu is a true legend of the club and the competition. However, most importantly he is a great person who is always there to provide support to myself and all of the boys.

Thank you Emu.

To the management, cricket committee and all volunteers at the club, thank you for the ongoing support that you provide to the club across all areas of the club. Without your support the club would not have the strength that we do on the field and off the field.

Thank you again to Geoff Price who supported and scored for us each week. You can't beat a victory and then hearing Pricey come in to the sheds with his trademark 'Go Buulllldoooooggggsssss' at the end of the day – so thank you for the support and passion you show each week.

Congratulations to Alex Kouventaris on winning the Club's coveted player of the year award, and to Iain Ridley on being awarded the Players' Player for the season gone, both just rewards for the great work you both have put in.

I believe that as a club, and as a first grade side we have the nucleus of players to challenge for each of the Belvidere, One Day and T20 Cup next season, with the same attitude and more hard work, season 2018/19 will be a big one for the dogs.

Stretto

PLAYER PROFILES

Daniel Solway

Sols had an incredible year topping the runs aggregate in first grade, and in the top five for runs in Futures League as well – a great reward for plenty of hard work. I believe Sols took his game to another level this season as a batsman who was feared across the competition, and importantly stepped up as a real leader within the side. Well done on a great year, Sol.

Ethan Leten

It was great to see Eth come back to the club and force his way in to first grade after some strong performances in second grade. Often got us off to a quick start with aggressive stroke play which puts the opposition on the back foot. Still seeking some more consistency to get him from a good start to a big score. His most impressive knock for me was against the Ghosts in scoring 31 off 103. It wasn't his prettiest knock but that kind of determination is what will see Eth continue to improve his game next season and post the big scores in first grade that he is capable of.

Brendan Smith

Smithy had a huge year batting at three for the full season for us and scoring over 700 runs. One of the most entertaining and damaging batsmen in the competition, who could take down any bowler on his day. A Highlight was his first grade hundred against a full strength Parramatta which he dominated the

opposition. Smithy couldn't be far away from playing the next level after such a strong year, more hard work and consistency and I know he will be there. Congratulations on being selected in the Australian Imparja Cup team, a great ambassador for the club and I am sure he will go well over in the UK.

Chris Ridley

Rids is a great guy to have around the group with his leadership, calm approach and an ability to hit almost any ball over cover! Rids was a regular member from about round 5 playing some critical knocks which he either won the game for us, or put us in a really strong position to win games. It was great just to see the rewards for one of the good guys around the club and for someone who works so hard at his game, well done Rids.

Jake Cormack

Snake I believe took his game and his cricket maturity to a new level this season with some strong performances and in his leadership as well. He showed that he is one of the toughest players in the competition, and a guy that you want to go to war with each week. Scored his second first grade ton this season, but was importantly more consistent and played to the situation for the side each week. A great member of the side who with more runs has the potential to go to the next level.

Nathan McAndrew

Macca again lead our bowling attack, as well taking an opportunity at the top of the order in the last few games of the season to further show his skills as an all-rounder. A true leader among through group through his performances and professionalism in everything he does. Thoroughly deserved the rewards he received with ACT and the thunder, and an invaluable member of the dog's line up. Importantly, for us is that Macca despite the rep duties and workloads, always puts his hand up and makes himself available for the Dogs each week often negotiating how many extra overs he can bowl for us, before a four-day game, something which isn't lost with Crowy and myself. Can't be far away from state duties such a strong year, well done, Roo.

Kyle Brockley

Brock's settled in to the group really well and showed at different times throughout the season the value and versatility he brings with the ball, bat and in the slips. Hampered at times with injury, however he always put his hand up and dug in for the boys showing his gutsy attitude both with the bat, and with the ball. Another member of the side who provided some good support and ideas throughout the season to me as captain which showed his often-underrated level of thinking to the game. Hopefully with a full preseason under his belt he will be back fitter and stronger for another big season with the dogs.

Joel Brockley

Joel came in to the side at different times throughout the season after some good scores in second grade. Played a couple of good knocks which showcased his ability, however just didn't find the consistency I'm sure he would have liked. A very good batsman.

Ben Taylor

BT was another new member to the side who really grew as the season went on. His performances only grew stronger as he bowled more and more overs, and as BT settled in to the room. Has some great attributes and skills with the ball who I hope to see keep improving as he bowls

more and keeps building his skills.

Didn't quite find the consistency and opportunities with the bat he would have liked, but certainly showed the potential to score runs and show his value with bat and ball.

Rhys Williams

It was great to have the boot back at the club after a year off. He pushed his way into first grade quite quickly and kept improving as the season got deeper. A bowler who I could really rely on to keep it tight and build lots of pressure – which he did so often especially against some of the stronger sides and batting line ups at the back end of the season. Hopefully after a good preseason, will have Rhys stronger and ready again next season.

Ben Le Bas

Benny came in to the first-grade group after a great preseason and culminated in some strong performances with the side early in the year. Unfortunately lost a bit of rhythm, but will be all the better for having had a full year working in his left arm orthos. Great team player who puts his hand up with the bat and in the field as well, and will only get better from his first experiences in the top grade.

Mitch Brown

Brownny is someone who everyone wants to have in the side each week due to his leadership and his personality, which rubs off on the boys. Mitch only available for the first half of the year and in the one-day format but again showed his great skills with bat and ball. Hopefully with his young family, we will still see Brownny next season in some playing capacity, or around the boys off the field as he is great to have around the group. All the best with parenthood, mate.

Aaron Bird

Birdy's experience is around the group as a player and coach is so

important and valuable to the players and the club. He showed this especially with his bowling – he has the skills to trouble anyone with his pace and variations. He was also a great support to me throughout the season for advice and ideas for which I was very thankful to have him around. Looking forward to working with him again next season.

Wallace Marshall

Wallace got more of a go in the top grade this year which he will hopefully be able to take away the experience and learn from. Has some good pace and skills, if he can find some more consistency he will keep developing into a fine first grade

bowler which he definitely has the potential to do. Has a great attitude to the game and a good work ethic so I think Wal will come back bigger and stronger next season.

Tushaar Garg

Tush I believe really earned and was rewarded for a number of years of hard work, learning and developing as a bowler at the Dogs. Very rarely is he not at training or working on his game which was evident in him pushing in to first grade. I'm sure there will be plenty more opportunities for Tush again next season, well done.

Congratulations to Daniel Friedrich and his Northern District team who have finally delivered the Albert Cup to Mark Taylor Oval after coming close for several years. Our Second Grade delivered an improved showing over the 2016/17 and was able to provide a good platform for the development of some very impressive young players who will hold this team and the whole club in a solid position in the years to come.

This year we grew as a team with some good performances against some very strong clubs. The win against Sydney University was a highlight. When we able to get on top of teams at times throughout the year, we were able to stay on top and win most of those games. Unfortunately, the gap between our best and our worst was still quite large; but, in future, as the young boys in the team develop from

playing underage cricket into playing consistent higher grade cricket that gap will shrink.

Thank you to everyone around the club who helped not only the side but myself and the whole club throughout the year. Scott Grant and the Management Committee, Eris Dignam, coaches Gary Crowfoot, Ray Hall and James Bourne and Chairman of Selectors Dean Magee.

To the ladies in the canteen thanks for the pies, burger and cold drinks. Finally, huge thanks to Michael Simpson for scoring and taking photos that Marty and David could use for the local newspapers and our social media platforms.

I'm very confident that next season this group will look to keep improving and find the level of consistency that will allow the side to push for a finals berth.

PLAYER PROFILES

Matt Dedes

Matt joined Bankstown from St George this year and fitted into the club and the Second Grade side quickly and really well. Matty showed how good he can be at times throughout the year and that he has the ability to push for higher honours next year. Matty's ability to get the team off to a good start in games was crucial in some of the success that the team had throughout the year. Matty's leadership and help throughout the year was a great help to me especially as we fielded such a young and inexperienced young Second Grade side.

Ethan Leten

The 'Dogs welcomed Ethan back this year after a season off. Ethan showed his quality very early in the season; his magnificent 140 against North Sydney in Round 2 showed that he

was going to be a very important player not only for our team but for the club as a whole. After that early big score, Ethan spent much of the year in first grade where he made a valuable contribution

Cameron Middleton

Cameron, in his first year in Second Grade, became a very important part of the team. The highlight of Cameron's season would have to be the 100 he scored against St George. With the team in some trouble, Cam's ability to take the game to the opposition and put the pressure back on the bowlers oozed maturity beyond his young age. His ability to work with the tail to get the team into a position which lead to a win is another outstanding quality. After the St George game Cam became more comfortable with his position in the team and it gave him the confidence to back his ability and we saw his

quality with both the gloves and the bat. His form earned him the chance to bat at number 3 for the last portion of the season which resulted in some more of his quality scores and innings. Cam will be a quality player for the club and will push for higher honours very quickly.

Chris Ridley

Rids showed his quality this year and got himself back into First Grade where we all know he should be playing. Chris showed his class early in the season with two great hundreds against Gordon and Sydney. He even said himself that the Sydney hundred was probably one of his best ever.

Matthew Simpson

This year was a bit of an indifferent year for Matthew. Coming off such an impressive 2016-17 season, Matthew probably found it a little difficult to find where he wanted

to bat in the side Giving away the gloves this year for Matty was a tough choice and I think he found it a little tough to find out how he fitted into the team. No question whatever that he has the ability to not only push on and been a very good Second Grade player but also a very high quality First Grade player

Ben Le Bas

Ben is a high-quality player and he will play a lot more First Grade cricket. When he played he Seconds showed that he was a very handy cricketer. He is very consistent and has the ability to take complete control of a game when given the chance. Hopefully next year we will be able to see the best of Benny and he will be able to push himself back into that First Grade team.

Jacob Malcolm

Jacob's season was interrupted with injuries but there is no doubt he is a high quality all-rounder when fit. Showed his ability with the bat

in the first game with a 50 against Mosman. He showed his ability with a couple of high quality pace spells against Penrith in a game that we were comfortably beaten outright.

Matthew Smith

Tough year for Matty; even he would say that himself. Inconsistency was his biggest opponent this year but as the year went on and he got himself back into the team he started to find his groove and probably his best game with the ball was the game against Manly. I really appreciated his help throughout year with the ability to bounce ideas off him and use some of his ideas that really helped me in my first year as captain.

Luke Docherty

Unfortunately, Luke couldn't find the consistency he hoped for last season and as a result he played a few games in Third Grade. There is a massive gap between his best and his worst but, when he's at his best, he could rip any team apart and that showed

in the game against Sydney Uni. Has raw talent and a solid off-season and pre-season preparation should see him well positioned to take the next step in 2018-19. The opportunity is there if Luke wants it badly enough.

Daniel Slane

What can we say about Daniel Slane! I believe Daniel has the ability to play cricket at any level that he wants to: he just need to put the work in. Taking on probably the toughest skill in the game with his leg-spinners, Daniel is a high quality young talent that I hope keeps developing and can play a lot more cricket at all levels.

Liam Marshall

Liam s an exciting young talent. He has the ability to be very dangerous for the club and our team next year and First Grade in the future. I can only see him continuing to develop and move up the cricket tree as he is a quality player.

Wallace Marshall

A bit of an up and down season for

| Ridley, Iain | 2 | 1 | 0 | 0 | 0 | 0 | 0 | 0 | 0 | 0.00 |

Wallace. His stand out performance was his game against Sutherland when he took 5/44 in the second innings and gave the team a chance of getting an outright win. Hopefully for Wallace next year he can find the consistency that will see him performing not only in Second Grade, but also First Grade as there's no doubt he has the raw talent.

Tushaar Garg

Mr Consistent and Mr Reliable! Tush was probably our most consistent bowler this year and even though he wasn't opening the bowling like previous years, whenever he was thrown the ball he always gave the team 100% effort and nothing less. Tushaar's year was rightly rewarded with his First Grade cap in the last few games of the year and I'm sure he will get plenty more chances to play in the top grade in the future.

Zeeshaan Ahmed

Zeeshan scored an eye-catching 90 vs North Sydney in Third Grade

and it was no surprise when he was promoted to Seconds and then performed solidly with us as well. Zeesh is very committed to developing his game and his willingness to put in the hard work off the field suggests my confidence about his ability to take his game to the next level is very well placed.

Tommie Sowden

A frustrating year for Tommie after suffering recurring issues following an off-season operation. We all know that Tommie is a class player with bat and ball and there is no doubt that a solid off-season will see Tommie back better than ever and pressing for honours at this club and at the representative levels.

Joel Brockley

Joel really wanted this captaincy job and I am certain it wasn't what he expected... dealing with different personalities is always hard to manage and I feel Joel will have learnt a lot during the year that will not only make him a better captain down the line, but also will be better placed to deal with different situations that confront him personally. He is a player with immense talent but needs to find a way to relax and this will only come when he is more comfortable with his position in the team. From my perspective, I feel Joel is a genuine 1st grade player with loads of ability which was highlighted with his dominant display against Sutherland of 130 that led his team to an outright victory. His 582 runs @ 30 is only the start for Joel and I expect much bigger things for the 18/19 season. Joel's passion and drive will make sure he comes back even more determined next year. (DM)

First of all I would like to congratulate Ash Cowan and his Sydney University side for taking out the Mitchell Cup this season. Season 2017/18 provided the whole club an opportunity to build on the progress we made last year. The dedication from both players and coaching staff from the very first pre-season session really paved the way for how we all performed as individuals and the improved ladder position that each grade finished in, as well as moving from 14th in the Club Championship to finishing 11th.

We had 26 players play 3rd grade this season, with all players performing admirably, and several players putting in performances worthy of higher grade honours.

It was a real season of re-development for 3rd Grade this season. Several players were given an opportunity early on in the season, and some of our early season performances displayed the degree of inexperience and youth that our team possessed, winning only 1 of our first 8 games. Come the Christmas break, an injection of a few more experienced players, and our younger players putting in some fantastic individual performances, and we closed out the year winning 5 out of our last 7 games, including

a tremendous outright victory over Sutherland. We managed to finish 12th on the ladder, just 2 wins outside the top 6. This late season resilience has me excited to see the continued development of all these players next season.

The batting department was our real struggle this season, with several members of our top 7 being amongst the young and inexperienced players given their chance early on. Unfortunately, no one was really able to provide the consistent performances we required, with several players getting a score of 50+, but not being able to back it up in the following weeks.

It was our inability to build consistent partnerships, and ‘bat

time’ at the crease that often found ourselves behind the 8-ball, and is something that with continued hard work, we can all improve on next season.

Our bowling philosophy this year was to try and build pressure by bowling tight lines and lengths, and we would generate wickets from frustrating the batsmen. This is displayed by all our front-line bowlers conceding less than 4 runs per over, while picking up wickets at regular intervals.

Our pace attack was led by Alex Schipp and Dayne Heward. Both these boys bowled well in partnerships and often made the early breakthroughs we needed. Their ability to bowl long, consistent spells

alex schipp

24 wickets at 19.38

best bowling 5/34

146.3 overs

26 maidens

3.17 economy

together was their real strength, and the fact they finished equal on 24 wickets at the end of the season is a very true representation of their bowling partnership.

From the spin point of view, we were extremely lucky to have Nivethan and Daniel Slane working their magic for us. Both showed throughout the year that they were able to dominate this grade, resulting in being given opportunities in 2nd grade, and both performing really well.

Once again the 3rd grade side had an amazing group of parents and supporters who volunteered their time for various duties including scoring, doing the covers and organising afternoon tea. In particular to my wife Kahla for organising afternoon teas, and to Ron Heward and Damian Schipp for looking after our scoring duties – with you being there and putting in those efforts, it made my job as captain and our job as players

so much easier – and it doesn't go unnoticed, so thank you very much.

I'd also like to thank all my fellow selectors for their support throughout the year, and the Management committee and Cricket committee for their ongoing support, and doing all the behind-the-scenes work that often goes unnoticed.

Once again, every player in the club needs to thank Eris and Margaret Dignam, Geoff Price and Linsey Roworth for their efforts behind the scenes this year. Their ongoing passion for the club and ensuring that training was up-and-running smoothly, as well as on game-day is something that will never be matched – as a club we are all extremely fortunate to have them around.

I'd also like to thank the coaching staff for their efforts. Crowie's efforts from well before the pre-season started, right the way through every session were fantastic, and are as

much of the reason for the club's success this year. To James Bourne, thanks for all your efforts in your first season in that role, in particular getting us all running around in our fielding drills and making sure we were all getting something out of each session.

In closing, as a club we are building each year, and with the progress we made this year, I don't think a Premiership is too far away. It's an exciting time to be around the club, and competition for spots is as tough as ever. Enjoy your off season and hopefully we'll be seeing you all next season.

Up the Dogs!

PLAYER PROFILES

Jehan Bilimoria

After starting the year with 84* vs Mosman and subsequently earning 2nd grade selection, unfortunately Jehan wasn't able to maintain any consistency with the bat, getting a lot of starts, but not being able to

go on with it. His 41 against Manly was crucial in getting us over the line, and showed what he is really capable of. Jehan's work ethic can't be faulted, and he did a fantastic job stepping into the captaincy role in my absence, and showed his qualities as a future leader of this club. Bigger and better year next year Ox!

Jacob Malcolm

After starting the year in 2s, unfortunately injury resulted in Jacob spending the majority of his season in 3s, where he was an integral part of our middle order and leadership group. While Jacob may not have scored the runs he would have liked this season, his 81 in the last round vs Easts was next level, showed his class, and the fact he has the ability to score big runs – once he gives himself a chance to get in. One of the better fielders in the club, he was the real heartbeat of our energy in the field. Has a huge man crush on Schippy, and has no problem professing to all that will listen that Alex is his 'favourite cricketer'! A big year next year for you mate!

Andrew Dietz

Dietzy joined us halfway through this season after a horrible finger injury put his season on hold. It didn't take Andrew long to find his feet, with

a classy 45 vs Sydney in his first game back, then his innings of 88 vs Campbelltown showed why he has plenty of higher grade experience. Andrew was a real sounding board for me in the field, with his experience and ability as wicketkeeper crucial to us winning several of those late season games. Thanks for all your efforts this year mate!

Nivethan Radhakrishnan

Nivethan was new to the club this year, and wasted no time in making an impression with some early season runs, resulting in 2nd grade selection before Christmas. Niv's bowling was an integral part of our bowling attack, with his consistency and variety the key to him getting the 14 wickets this year. Opening the batting is hard enough at the best of times, but to do it at 15 years of age, in your first season of 3rd grade cricket, and score 250+ runs, I think this is something you should be really proud of Niv!

Zeeshan Ahmed

Another of our young brigade, Zeeshan showed us early on in the season why there is such a high regard for him, and why he achieved selection in the U17s championships to start the season. Zeesh's 90 vs North Sydney was as good as we saw

all year, and it was no surprise that he went on to score runs in 2nd grade as well. Zeesh is just so keen to continue to keep improving his game, and it's his work ethic that gives me no doubt that he will continue to flourish and obtain further higher honours. Great year Zeesh!

Connor Wilkinson

Wilko came into the side halfway through the season, and really locked down his spot with consistent performances from the outset. Being able to turn that consistency from 20s and 30s into some really big scores is the key to continue to move up the grades. But, your fantastic work ethic at training has you continuing to move in the right direction. Connor has a great cricket brain, and is a tremendous fielder, and is an absolute asset to any side he plays in. Thanks for all your efforts mate!

Niran Wijewardene

Unfortunately for Niran, it's not a year he'll look back on too fondly. There was a combination of being incredibly unlucky with the ball, often just missing the edge of the bat, then finding ways to get himself out with the bat, just as he looked like getting going. Wije's 5-for vs Randwick was inspirational, and was the key reason why we were able

to stay in that game so long. Just give yourself a little more time at the crease mate. You hit them as clean as anyone, and geez I'm looking forward to the day when you really get going and hope I'm there to see it!

Alex Schipp

Another great year for Schippy, who was as consistent as always this season. So reliable with the new ball, I think the real bonus this season is the work Alex put in to hone his ability with the old ball, often picking up crucial wickets and executing his plans late in the innings – much better than in seasons past. This was an important part of Alex taking 24 wickets @ 19. Alex's ability to naturally swing the ball is invaluable, and you should be really proud of your achievements this year mate!

Dayne Heward

Dayne this year really established himself as one of the leaders of our attack, and showed his real ability.

Taking 24 wickets @ 21 is a great return for your efforts in both the pre-season and throughout the year. I think you'll appreciate that you found a different way to get your wickets this year, through building consistency and sustained pressure, and working towards an error from the batsman – and that's only going to hold you in good stead in the seasons to come. Great year mate!

Nikethan Radhakrishnan

Nikki's first year with the club, and he should be really proud of his achievements this year. Unfortunately wasn't able to get the runs he was looking for with the bat, but you can tell he loves the game, and was always working hard to improve both his batting and keeping.

Daniel Slane

A fantastic year for Daniel, picking up 14 wickets @ 12 in just 5 games, showing he more than has the ability to perform at higher levels. How

high? That's up to Daniel, because he has the rare ability to really control his leg-spin, and all his variations, and it always felt like he was going to take wickets. Daniel also stepped up when required and opened the batting vs Campbelltown, scoring a fantastic 69. You have all the components to succeed in this game mate, it's just going to take some hard work in the pre-season and some commitment to your cricket and sky's the limit. A pleasure playing with you mate!

Peter Dignam

Peter came to the club half way through the year, and showed his class straight away with a fine 78 vs Randwick. Another 60 vs Manly resulted in him moving up to 2nd grade, and he flourished up there. Seeing Peter score runs straight away in both grades shows he is a class player, one of serious potential and higher grade ability. A real pleasure to have you in the side this year, mate!

solid
SCOREBOARDS

Mansuhk Singh

Unfortunately for Mansuhk he wasn't able to get the runs he was looking for early on in the year in his new role of opening the batting. Mansuhk has as much time as anyone at the crease, and with a focus on trying to spend more time at the crease, the runs will flow. I was as proud as anyone to see him score his century in fourths, knowing his ability, and that he certainly can score these runs in higher grades in the future.

Iain Ridley

Iain was handed a different role this year and somehow he managed to have a very good year with the bat on top his other responsibilities of helping with Green Shield selections,

assisting with PGs, captaining young men under 16 most weeks and not just helping, but virtually running selections most weeks when I was unable to attend through work commitments and the bloke still had time to never once complain and still have a smile on his dial. He does however need to get a driver's license to make Kahl's life a fraction easier! His season of 576 runs @ 41 was a credit to himself and something he can build on for season 18/19. I personally want to thank you mate for being my eyes and ears and dealing with some of the parents and players on a weekly basis. You did a fantastic job and are a great clubman and it gave me great personal deal

of satisfaction to hear you won the Clubman of the Year as it was pretty much shorter odds than Winx that you would take home that award. Thanks again for your contribution and for not only making my life easier but making all players' and officials' lives much easier too. (DM)

Id like to also thanks the following players for their contributions to 3rd grade this season:

Cameron Cotter, Luke Reece, David Lozinski, Luke Docherty, Jackson Isaaka, Thomas Sowden, Mohammed Hossain, Damien Loy, Matthew Smith, Brad Simpson, Mathew Kelly, Kayne Grove, Koby Layton.

1 not out

Congratulations to Manly for winning the competition this year. We did beat you guys convincingly though...just saying! Our 4th grade side this season will be remembered as one that could have been so much more. Finishing 11th with 8 wins and 7 losses with several close fought games being narrowly lost cost us a finals birth. Beating four of the five top 6 sides showed what we were capable of. Losing to three of the bottom five sides likewise showed our inconsistency in games.

The bowling performances of our bowling unit were notable factors in most of our wins. Our bowling attack of Chris Stefanish, myself, Jackson Isakka, Moey Hossain and Koby leyton I believe was the best in the comp with all five bowlers averaging under 20 with the ball. The same can't be said for our batting unit, which is where we fell down all too often. This is a growing trend in recent seasons as well with not enough runs being scored. To illustrate this further the highest score an opposition side made against us was 227 by North Sydney in round 2. Only one other score over 200 was made by an opposition side with Mosman making 203 in round one which we chased down. We managed to score over 200 on only three occasions, which is where we let ourselves down.

Some memorable individual performances were seen throughout

the season with Chris Stefanish leading the way with the ball taking 13 wickets in a match for 46 runs against Gordon in round 4. Mansukh Singh's century 119 against Sydney Uni the highlight with bat. All in all a much improved season from the previous with a number of players improving as cricketers and continuing to develop as cricketers. Thanks to the coaches Gary Crowfoot and James Bourne for your efforts. Bourney in particular for helping with warm ups regularly and filling in some games. Always great to have you around mate you are a Bulldog legend just like Crowie is. Thanks to Dean Magee for your efforts as chairman and for helping out and being flexible when I couldn't make selection meetings and the like.

This was my tenth season captaining grade sides (7 in a row at the Dogs) and it definitely is a difficult task

when time poor due to outside commitments. Thanks to those who have supported me over the past several seasons. Too many to name although none more than my dad and life member Phil Kelly whose support has kept me going. It has been an honour to skipper various sides at this great Club and I still love putting on the Bulldogs jersey each week. Watching young players progress to higher honours has been a highlight. Watching so many come and go not as great. It is a great game though and one to be enjoyed. I hope the young guys coming through remember that above all else. Whatever happens from here we will see but I want to thank all the players and supporters, committee members and the extended Bulldog family for everything. I hope to see the mighty bulldogs have a successful 2018-19 season!

PLAYER PROFILES

Ryan Malcolm

Ryan played all 15 matches for us this season. An opening batsman with a ton of ability. Ryan's 344 runs at 20 is probably below par what he is capable of and what he would expect to score in a season. Ryan made many starts but was unable to capitalise on his hard work early far too often. His 75 against Parramatta was all class. Despite not scoring as many runs as he would have liked Ryan never let it affect his attitude or commitment to the team. Ryan's commitment to training and to the club are a benchmark as far as I'm concerned for all members of the club. Continued hard work and a bit of confidence at the crease will see Ryan score heavily in the coming season. Ryan always gives his all in the field and inspires his team with his commitment. Thanks for help this season mate especially the support you gave me, was much appreciated.

Koby Layton

A fantastic season by Koby. 23 wickets at 19 accurately reflects the impact Koby had with the ball. Consistency was key for Koby

this season. After beginning the season a little rusty Koby hit his straps in round 3 taking 4 for 12 against Penrith. From then on Koby performed consistently well and was able to be relied upon to build pressure and take wickets regularly from his end. What we saw this season from Koby was improved control along with more variations and better plans put in place on how to approach different batsman and bowl according to the situation of the game. Koby earned a well-deserved promotion to 3rd grade at the end of the season. Koby should aim to work on his batting more as he has natural striking talent. An excellent fielder and good team man to have around.

Chris Stefanish

Where to begin. Stef came into the side in round 3 after terrorising batsman in 5th grade. This continued in 4th grade and took place week in week out. Taking 13 wickets in round 4 against Gordon for a measly 46 runs (and we still lost) saw an amazing display of skill and experience. I think there is little doubt Stef was the best bowler in

the 4th grade competition which is reflected in his 39 wickets @ 10.95. A quality bowler but an even better team man. You will not find another player in the club who gives more on the field week in week out, rarely complaining when his body is hurting or complaining about what number he bats or when he bowls. Stef just does the job for the team every week. He is the first out to bring the covers in and the last to leave the dressing rooms after a full analysis of the days play has taken place. A more than capable batsman who should score a lot more runs than he does (get rid of the flick shot). Stef cover drives like a top order bat. Thank you for your support as always mate and your friendship. I hope that you continue to wear the bulldog colours with pride and keep showing the young guys the way. Cheers.

Ethan Debono

Ethan has been with me for a couple of seasons now. I have seen a noticeable improvement in that time in his batting and wicket keeping. 166 runs @ 16 is probably underachieving somewhat for a

player of his talent, however that comes with age. His innings of 38 against Randwick against a very decent attack almost getting us over the line showed the class he possesses. Ethan made a number of representative sides during the season and trains hard. With this continued dedication, I expect Ethan to continue to develop as a cricket and play higher grades in the coming seasons. A good cricket brain and someone I could always bounce ideas off. Thanks for the season Ethan.

Jackson Isakka

Jackson showed glimpses of his ability with the bat this season, however had a disappointing season with the bat scoring 174 runs @ 19. Jackson had a great season the one previous and I know he can recapture that form which saw him score hundreds. I believe Jackson didn't score the runs he is capable of due to the amount of pressure he puts on himself. If he can control his anxiety at the crease and relax a little more I believe he can go a long way as a batsman. As Jackson gains

more independence his cricket will progress rapidly. A success story for our season however was Jackson's impact as a genuine fast bowler. 19 wickets @ 17 with a couple of devastating spells saw Jackson strike fear into many batsmen. A good fielder and great fella I wish nothing but the best for you mate.

Damien Loy

Damo began the season in 3rd grade and came down to us in round 3 immediately making an impact with a score of 80 against Penrith. From then on Damo made a number of starts where he looked in control and way to good for the opposition only to find a way to get out. 247 runs @ 30 Damien was a key member of our top order. Also a handy off spin bowler and brilliant slips fielder. Damo had to leave the side towards the back end of the season due to work commitments. It would be a shame to lose a clubman as valuable as Damien. He has given a lot to the Club over the past few years including skippering 4s a couple of seasons ago when the club

was without a 4th grade skipper unselfishly offering to do the role at the expense of trying to play higher grades himself. I haven't forgotten your valuable service to the club Damo and would love to see you back playing again or otherwise being involved in some capacity should work commitments prevent playing.

Cameron Cotter

Cam skippered our Green Shield side this season and is a young player with immense talent. Cameron came along way this season from the player he was the season past with me in our 5th grade side. I expect he will progress just as rapidly next season. Cam topped our batting aggregate with 353 runs @ 44 including three half centuries. None of these better than the 78 he scored against Sydney Uni in round 14 sharing in a momentous partnership with Mansukh. Cam is an aggressive positive batsman with a good head on his shoulders. Also, a very handy bowler who didn't get the opportunities he could have with the ball due to the side's dominant

nature with the ball. A hard trainer and a pleasure to captain. Keep whacking 'em Cammy!

Mansukh Singh

Mansukh impressed in preseason with his net form and was given an opportunity to display his talent opening the batting in 3rd grade. After several starts that he was unable to capitalise on Singhy saw himself in 4th grade batting at 3. It took Mansukh a number of matches to find his confidence with the bat again and this was brought out by playing his naturally aggressive

attacking game. Singhy scored his maiden hundred against Sydney Uni in round 14 scoring 119 displaying his enormous potential. This was a special innings scored at a run a run a ball and something very satisfying to see. Mansukh's attitude towards his teammates and his game improved immensely as the season went on and I was proud of his efforts to finish. The tough love I gave you at times was only given to bring out your best mate, which you did. Onwards and upwards big guy... big season next.

Dave Lozinski

Loz is the kind of guy everyone loves to have in the side. A great team player and someone who truly respects the Bulldogs emblem. This season was tough for me to watch Loz get relegated down the grades after captaining him a few years ago watching him destroy 3rd grade batsman and progress to a first grade winning side. Loz as is his way didn't let it get him down and carried on for the team putting in a hundred percent for the boys each week. His striking ability with the bat is impressive and

if he needs to re-invent himself as a player a higher order batsman he could become. I hope to see you back Loz as I believe you are a career player for the Dogs, someone to carry on the traditions and cultures of the club. Have a good off season and come back hungry mate.

Moey Hossain

A great season for Moey, – what a guy to have in any side. A joy to have around and someone who's passion for the game is contagious. 17 wickets @ 19 his bowling often in tandem with Koby enabled our side to build pressure and take wickets week in week out. Moey's control and variations with the ball have improved dramatically since the previous couple of seasons, which is

testimony to the hard work he puts in at training each week. Gives the ball a whack with his \$1000 bat and could be genuinely the best no 11 in 4th grade. Great season Mo, whatever happens next with your cricket just keep enjoying it and striving to become better. Absolute pleasure playing with you... keep in touch.

Mat Kelly

Mathew's 4th grade captaincy season was an up and down one as he has highlighted in his summary. They beat the teams on top of the ladder and lost to the ones down the bottom. Mat's personal year was also one of ups and downs as injuries and work commitments played a major role in his numbers this year and his 284 runs @ 21 belies

his actual batting talent, but his bowling numbers were up to his high standard of 22 wickets @15. Mat also had the task of juggling players who rarely played two games in a row for him and as always managed to find a way. I hope you continue to play on mate, whether that be as a captain or player, we can certainly do with your experience around the club and thank you for all your support during selections and making my life easier. (DM)

Also, thanks to everyone who played 4th grade this year. Special mention to Connor Wilkinson who captained a couple of games in my absence. A future leader in this club for sure.

Congratulations to Geoff Isaacs and the Manly Club on winning the David Sherwood Cup for Fifth Grade. Manly also won the Club Championship, which is an outstanding effort. I think our young Bulldogs Fifth Grade side produced a very solid effort in 2017/2018 season. Fielding a very young team and coming up against a lot of experienced players we were unlucky not to secure a place in the top six. A lot of boys made their debuts this season and there is no doubt they have the ability to progress through the grades.

There is plenty of support available at the Club to help the boys develop their skills but it's up to each individual to take advantage of what's on offer. You'll get out of it what you put in.

I would like to thank the Bulldogs Coaching team led by Gary Crowfoot and supported by Ray Hall and James Bourne. Also, Eris Dignam and Geoff Price for helping on training days. Chairman of Selectors Dean Magee was a great support to me personally; thanks heaps Deano. Thanks also to Scott Grant and the Management Committee for giving me the opportunity to captain Fifth Grade: To the parents who drive players

to training and matches and who helped with all the off-field tasks required to run a match – your efforts are highly appreciated as you allow me and the players to concentrate on playing the game without distractions.

A special thank you to Gamini Perera and Suresh Weerasingham for looking after the scoring duties. Having the scoring done on iPad makes a huge difference and I'm constantly surprised by how many people log in and check the live scores each match.

I really enjoyed last season and am very excited to see how these young players continue to grow and develop in coming seasons.

PLAYER PROFILES

Harry Brett

Harry showed his quality this year and found himself a great run of form scoring three centuries and a fifty to go with it. Has the ability to play higher grades and is one of the cleanest strikers of the ball I have ever seen.

Sanjiv Weerasingham

Sanjiv had a solid debut season. He had plenty of starts at the top of the order which set up our side nicely, but as he continues to develop these starts will turn into milestones. A highlight of Sanjiv's season was when he brought up his maiden grade half century against Campbelltown.

Johaun Perera

Unfortunately, 2017-18 was an inconsistent season for Johan. He started really strongly with the bat but then had to cope with moving between grades and struggled to find form when he came back into the side. A very talented player and I expect big things in the future.

Brendan Clark

Judged by the high standards he set in previous years, 2017-18 didn't match up to Brendan's high standards. He struggled to find form at the start of the season, but started coming good towards the back end. A highlight from his season was scoring half centuries in both innings against Sutherland. A terrific player and I'm expecting big things next season.

Isaac Schipp

Isaac is a very handy all-rounder. His results didn't match his natural ability, only scoring the one half century. Continually got off to solid

starts but wasn't able to capitalise on them. A talented leg spin bowler, taking 26 wickets.

Thomas Ramage

Tommy showed a lot of promise especially holding that middle order together with a few 40's keeping us in the game but overall his season lacked consistency. A highlight of Tommy's season is in the final round when he smoked 41 off just 28 balls. Tommy is a great role model for the younger blokes in the team. He always leads by example giving 100% no matter what his role is.

Bilal Ali

Bilal came to Bankstown this year wanting to prove something. He has a great eye but just needs to develop his shot selection and learn to be patient.

Lawson Clark

Lawson played the back half of the season in Fifts. Has all the talent in the world and will progress much

further through the grades if he can develop his ability to concentrate for longer periods. Compiled a neat half century against Blacktown. He was asked to pick up the gloves again after a few seasons and he did not disappoint with his efforts.

Blake Pearson

A very talented player. Blake had a good year with the ball taking 20 wickets. Also contributed with the bat, bringing up his maiden half century for the club. If Blake sticks to his strengths and keeps focused, I am very confident he can play first grade in the years to come.

Sohan Kumar

A very handy cricketer, Sohan is still learning the trade of leg spin. When Sohan is hitting his line and lengths he is almost impossible to hit. Contributed with the bat in the lower order refusing opposition efforts to take his wicket. A great kid with a bright future ahead of him.

Nathan Setter

Nathan started well and looked like he was going to have a promising season until he suffered a back injury. He came back for the last two rounds and showed no sign of having any time off, showing terrific form immediately. Expecting great things next season from Nathan.

Nathan Sadanandan

Nathan had plenty of natural ability but couldn't find his best form and never achieved the results he's capable of. Nathan always gives 100% regardless of the situation and has a bright future.

Rhys Ward

Rhys came back from injury in the second half of the season and it didn't look like he missed a game. By far the best bowler in fifth grade. Looking forward to seeing what he can produce

next year with a full preseason/season. A player of genuine class and one to watch in the years to come.

Daniel Carr

Daniel had a good year with the ball. Daniel missed a few games due to injury at the start of the year and then again in the middle part of the season. He claimed two five wicket hauls this season. Plenty of talent and a promising future ahead.

Alex Kouventaris

Kouvi - the Blonde Bombshell from Bankstown and best mates of that man Dedes! What a year from Kouvi, he captained a team of mostly 14 and 15yr old's and did a fantastic job, he won the coveted Player of the Year award, which only good players win and he managed to nearly pull off a great achievement of making the semis with such a young team.

If you stay balanced and try not to get ahead yourself, you'll definitely be able to lead a team for a crack at the title. I am glad you made the decision to play the year and obviously it was the right one in the end. It was even fun butting heads with you at selection meetings at times. You were always great fun to have around and I look forward to you challenging me again next year (you little ferret)! Great year mate and you deserved all the accolades you received. (DM)

I'd also like to thank the following players who filled in with short stints in Fifth grade last season:

Jakob Eljed; Tayyab Mahmood; Manoj Weerasingham; Dean Bennett; Bradley Simpson; Karthik Subanna; Chris Stefanish; Ethan Debono; Liam Sutton; David Lozinski; Robiul Hossain.

This season the boys played well in some games and we managed to make it to the Semi Finals. This was a good result as our main bowler Brad Simpson only played one game and was restricted in terms of the number of overs he could bowl in that game. This left us without a strike bowler which always makes it harder to win games.

Our batting let us down in some of the games, however, in other games the boys batted well. In a competition that is very tight, you need to keep the run rate up to have a chance. We had to travel quite a distance for the three games we played away and this didn't help the boys. We had the same result with the fielding; some games we were good and other games left a bit to be desired.

On a positive note, in the Semi Final the boys bowled and fielded as good as we had played all year which gave us a chance, chasing just over 200. We had a good start being 1 for 50, however, the middle order failed to deliver and we couldn't bat out our 50 overs, which was a bit of a disappointment for the boys and the supporters.

The parents were fantastic and were amazing supporters of the boys and our afternoon teas were always spot on. Sincere thanks to all the parents. I'd like to make a special thank you to Michael Simpson our Manager as even though his son Brad could only play one game, he managed the team superbly.

Thanks to Chris Ridley who did a great job as assistant coach,

always there on training nights and supported the boys all the way.

I would like to congratulate Chris Ridley on being appointed Green Shield Coach for the 2018/2019 season, I know he will do very well.

As this was my last year as Green Shield Coach, I would like to thank Cary Crowfoot, Eris and Margret Dignam and the Bankstown Committee for all the wonderful support I have received over the years I have coached the boys.

To all the boys who played in this year's Green Shield team, I wish you all the best and hope you all continue your cricket careers with Bankstown.

PLAYER PROFILES

Cameron Cotter

Cameron in his second year of Green Shield as a player came into the competition in good grade form, demonstrating leadership skills that saw him elected as the side's captain. Cam led by example either in the field, with the ball or bat – his 'follow me' approach saw him come on to bowl when the going was tough or to take some good catches at slip and play the quarter final with six stitches in a laceration on his leg. Cam started the season on fire with both bat and ball with scores of 35 runs, 3 for 17 in round 1, 57 runs 1 for 23 and two catches in round 2, 108 runs and 1 for 13 in round 4. His partnerships with Zeeshaan were first rate. The remainder of matches tapered off but he still amassed 254 runs for the season with an average of 36. With the ball he took 5 wickets for 126 runs for an average of 25.20 and an economy rate of 4.91. Cam has finished his time in Green Shield and is looking at a promising future in Grade Cricket.

Zeeshaan Ahmed

Zeeshaan - in his second year with the team - was our top batsman; a NSW U15 player with Niv and Brad; and, was selected to play for the Northern Territory at the U17 Championships last year. So, Zeesh bought the big game experience we needed. Opening the batting regularly in second grade Zeesh - like Cameron - brought class to the top order. With scores over the eight rounds of 46, 32, 4, 154no, 13, 3, 24 and 69 for a total of 345 runs at an average of 57.50, Zeesh was placed second in the competition and was selected in the Merit Team. The side tended to follow Zeesh – when he performed the side excelled, when he dropped off the side fell away. A team man with a handy pair of hands in the field, Zeesh has a big future.

Mitch Rockwell

Big Mitch, a late inclusion in the side with injury to two of our quicks with dreaded stress fractures, Mitch was our strike bowler. A calm outlook, sensible, mature approach and accurate deliveries saw him snare

a best bowling of 5/34, taking 11 wickets for the season an average of 17.45 and economy rate of 3.43. Mitch was a real find and lead the side from the front, and, being handy in field we would like to lure Mitch to Grade Cricket in the future.

Blake Pearson

Another new face to the club, a tenacious young guy who can play again next season, the paceman regularly opened the bowling. With his fluid style, Blake picked up 6 wickets for the season, with a best bowling of 3 for 27 an average of 25.20 and an economy rate of 4.08. Blake continues to impress in fifth grade, and as his experience increases and develops in size and strength and increases his consistency, he will be a top-line bowler. Blake is also a very handy batsman at the tail – having saved the side a couple of times with elegant cover drives – showing maturity and the single-mindedness on knowing when not to play a shot on a difficult pitch – a good lesson to some of our more accomplished batters. Blake hit the winning runs

with a four off the third last ball of the innings to secure a 'must win' match against Sydney to make the Quarter finals. Look forward to watching him develop.

Dean Bennett

Dean was the club's first country player selected in our Green Shield sides, hailing from the Griffith area. Dean has had tremendous success in the country as a batsman and spin bowler, and he looked to develop his skills in the Green Shield competition. An easy to get along with player who fitted in quickly with the group despite not being able to train with them. Dean was well supported by his family who religiously made the trip to Sydney for the matches. Dean batted in the top order and found the going tougher than perhaps he was expecting. Got a couple of starts including one innings of 44 against Mosman for a total of 77 runs and average of 12.83. He was super sharp in the field and took some top level catches. With the ball he tied up a couple of sides with his dart style spin, taking 6 wickets with best bowling of 3 for 18 and an average of 13.75 and an economy rate of 2.89. Unfortunately, Dean was too ill for the Quarter final – his on-field presence was sorely missed.

Liam Sutton

Liam was with the side as a development player last year and Coach Ray Hall saw his potential and called him into the playing

squad early on with his elegant batting style and classic shot making. Bigger and stronger this year, Liam returned as one of the top order batsman, but who was probably disappointed with his form. Batting anywhere from opener to five, he had his first hit out against Gordon coming in at 5 and scoring a classy 27 till run out with a very poor decision. In his remaining five innings he added 31 runs to his total for a total of 58, highest score 27 and average of 9.67. A player of the future needs to not overthink the situation and trust his skills. Can play again next year.

Yash Kumar

Yash was in his first year and trying to break into Grade Cricket as a medium pace bowler who nipped the ball around. Yash showed plenty of effort and determination turning up for Grade and Green Shield training eager to learn and was enthusiastic in his approach. On an overcast day and a damp track Yash tore through Parramatta at Old Kings Oval with a best bowling of 3 for 29 in that match. He didn't get a lot of opportunity to bat or bowl from there, taking just those three wickets for 58 runs at 19.33 and an economy rate of 3.41. Continue to work hard and develop your skills to improve your all-round game.

Nivethan Radhakrishnan

First year with the club and this side, the highly-talented Niv was another member of the NSW U15 National

Championship-winning side with Zeesh and Brad. Niv is playing 2nd and 3rd Grade as well as PGs for the club. Able to play another season in Green Shield the talented player is able to bowl spin with both hands and is a top-order batsman. Scoring 148 runs and opening the batting with an average of 21.14, Niv would be disappointed with that total. He showed glimpses of his potential with a rapid-fire 67 against North Sydney. Had a couple of starts with the bat but couldn't convert those. With Niv you feel a big score is on the cards each time he bats. With the ball he took 9 wickets with best bowling of 2/21, an average of 19.17 and economy rate of 2.86. Niv also showed leadership skills and took control of the bowling attack in the quarter final while Captain Cotter was off the field with his injury. Look forward to watching Niv who is destined for higher level cricket.

Jakob Eljed

Jakob's second year in the side and one of the senior players. Jakob is a cool customer who was either our opening or first change fast bowler. The left armer can swing the ball a mile and ended the rounds as our leading wicket taker with 12, an average of 21.17 and economy rate of 3.92. Jakob had a best bowling of 5 for 24 against St George in the opening round – getting the side off to a tremendous start. Hard work over a number of years showed with his batting. As he sured up the end of the batting, he batted in four innings

with two not outs for a total of 22 and a highest score of 12 no and an average of 11. The family have moved to Qld and Jakob and his father flew back for the quarter final showing their level of commitment to the side. Wish Jakob his parents and sister all the best with their new life in sunny Queensland.

Nathan Sadananadan

The quiet achiever, Nathan was with the side as a development player last season and has developed his skills well as a top order batsman and medium-pace bowler. Nathan is also ruthless in the field. Has another season to go in Green Shield and played a secondary role to many of the senior players. Nathan played 4 innings with the bat, had 3 not outs and a total of 7 runs. A top score of 3, never complained even though his opportunities were scarce. He bowled 9 overs for 2 wickets and 34 runs with an average of 17 and an economy rate of 3.78. A very solid fielder he will blossom next season.

Johann Perera

Johann in his second year with the side and grade, he is a very strong player and the side's back-up keeper. Johann is a left handed top-order batsman – he hits the ball very hard on the leg side but displays an occasional achilles heel on the off-side. The season probably was not what Johann would have wanted it to be, but he showed glimpses of what he can do in the rain-affected Parramatta match – blasting a rapid

fire 28 in poor conditions. He averaged 6.17 and totalled 37 runs from 6 innings. Needs to work on his defence and off-side play and will be a promising, dynamic player.

Ethan Debono

Our dynamic keeper and mid-order batsman is always enthusiastic and happy to have a chat. He is an experienced grade keeper and took that experience onto the field – standing up to the medium pacers and showing his athleticism with his leg-side play. Ethan finished the rounds with the most dismissals for a keeper in the competition and earned himself a place as the wicket keeper for the merit side. With the bat, patience is the key for Ethan as he has all the shots and is fast between wickets. There were glimpses of his skills with the bat scoring 72 runs with a highest score of 24 and an average of 12. The 24 was at a crucial time in the all-important Sydney knock-out match, with the game in the balance. Higher honours for Ethan if he can develop a more patient approach.

Sanjiv Weerasingham

Sanjiv is a top order batsman and spin bowler. Having been playing grade this season in fourth and fifth grade, Sanjiv brought some of the form he has shown to this competition – taking 6 wickets from 31 overs at an average of 19.17 and an economy rate 3.71. The likeable player also showed his skills with the bat with a highest score of 36

and accumulated 92 runs for an average of 13.14. With work on his consistency with both bat and ball, he will quickly develop into a promising player. This was Sanjiv's last year in Green Shield and will be one to watch develop in grade.

Brad Simpson

Brad is the most unlucky Green Shield Player ever, in his third season in the side since opening the bowling as a 13-year-old and playing out that season Brad has sat out the past two seasons with injuries sustained prior to the commencement of the competition. The Australian and NSW representative player suffered first a back injury and this year a stress fracture in the shin. Brad epitomizes the team player as he attended all 15 round matches over two seasons, taking charge of the drinks preparation, making sure the bowlers were hydrated and topping up their drink bags, carrying equipment, running messages, helping with warm-ups and leading the team song after a win along with any other job needing to be done. Brad finally got on the field for the Quarter final against Manly opening the bowling and immediately knocking over one of the openers. He finished having played one game with best bowling of 2 for 13 taking 2 wickets for 13 runs with an average of 6.50 and an economy rate of 2.17. This was Brad's last year in Green Shield and we wish him well playing in Melbourne for the Australian U16 side against Pakistan in April.

5.49 economy

Firstly, I would like to congratulate Penrith on taking out this year's PG Shield. Bankstown finished 18th on 9 points with 2 wins. This season saw the introduction of 20/20 cricket to the competition which proved a challenge for our young side. The pressure of 20/20 cricket and the fact that the majority of the side had limited experience in this format worked against us.

Our 2 wins came against Blacktown in a 50-over game which saw Brendan Smith score 81 off 61 balls opening the batting and Dayne Heward taking 3-50. Our second win came against Penrith in a 20/20 game which again saw Brendan Smith top score with 54 and Dayne Heward take 4-13, which turned out to be a match-winning spell.

With a big off-season, some hard work and a different mindset towards 20/20, I predict our PG side can bounce back next season. We have too much ability in the side to not be a force next season.

I would like to thank Darren Sowden, Ron Heward, Geoff Price and Mike Simpson for scoring and helping out on match day. Mike, your help not only with the scoring but also in helping manage the side was greatly appreciated.

It was a pleasure to coach the side with the 2017/18 Bulldogs Players Player, Iain Ridley this year. Iain and I both enjoyed coaching these men. Although we didn't get the results we were after, they conducted themselves on and off the field in a way that the club can be proud.

Finally, I would like to thank the committee for everything they do behind the scenes and on game days. The committee's efforts and hard work make it possible for these young men to play the game they all love.

PLAYER PROFILES

Brendan Smith- Captain

Is the leader of our side who has unlimited natural ability. Brendan was our leading run-scorer with 240 runs @ 26. For a player of Brendan's ability these numbers are well below what they should be. Brendan is

an amazing fielder in any position on the field. His 54 against the competition winners Penrith showed us all how good he can be.

Nivethan Radhakrishnan

At 14 years of age Nivi was the youngest player in our side and I believe the youngest to ever play PGs for the club. Nivi was a shining light with the ball in both formats of the game. His ability to restrict runs with his off-spinners and left arm orthodox spin against quality batsmen was very impressive. We didn't see the best of Nivi with the bat but I have no doubt next season he will show us all he is a genuine all-rounder.

Zeeshaan Ahmed

A top order batsman who can play all the shots. At only 15 years of age Zeesh is another young gun who has huge potential. With a big

brendan smith

240 runs at 26.67

highest score 81

2 fifties

4s: 15 • 6s: 7

off-season, I expect Zeesh to be a big run scorer for us next season. Keep working the leggies.

Bradley Simpson

Another young gun. At 15 years of age I have never seen anyone bowl with the pace and control Brad does. From what we witnessed this year, Brad was by far the quickest bowler in the competition. Brad unfortunately could only play 3 games this season due to injury and Rep commitments. Brad's spell against the eventual competition winners Penrith of 1-23 was awesome to watch. He had batsmen 5 years his senior struggling to lay bat on ball.

Ben Le Bas

Ben scored 165 runs @ 23 this season and took 4 wickets @ 38. For a player of Ben's ability these numbers are well below par. Ben is

a top-order batsman who also bowls very good left arm spinners. Next season I expect Ben to stand up and be a leader in this side.

Niran Wijewardene

Widge had a season to forget. He is one of those players who can make something happen out of nowhere but unfortunately, he didn't produce any magic this season. A team member who everyone loves playing with. When he's on he contributes with bat and ball as well as being one of the side's best fieldsmen. Looking forward to a better season next year.

Matthew Simpson

Another player with a huge amount of ability but unfortunately didn't have the season we all were hoping to see. Scored 181 runs @ 20, but these numbers don't reflect the player Matthew is. Dusty 66 against Gordon showed us a preview of the player he

can be. Turn the starts in big ones and you will find he will quickly become one of the better players in the competition.

Luke Docherty

Bowled well in patches. Struggled in the early 20/20 games but performed better as the season went on. Doc is great to have around the team and is someone the team needs to step up as a leader in the side next season. He proved with his 33 off 15 balls against Penrith that the boy from Griffith can hold a stick.

Daniel Slane

Only playing 4 out of the 8 games this season, Daniel didn't get the opportunities to show us what he is really capable of doing with the ball. A wicket-taking leg spinner who has great control, his 1-15 in the 20/20 game against Parramatta was a highlight of the season. With a big

pre-season under his belt, Daniel has the ability to be a real force in season 2018/19.

Dayne Heward

Our leading wicket taker with 9 wickets @ 15. A break-out season for Dayne who ended up leading our pace attack. Dayne found an extra yard of pace and became a real force in the competition. Dayne bowled particularly well with the older ball. Next season we will be looking to Dayne to take more early wickets and be not only one of our leading bowlers, but one of the competition's leading wicket takers.

Thomas Sowden

Had a PG season well below the high standards he sets for himself. Without a pre-season due to injury Tommy struggled to find form with both bat and bowl. It's only a speed bump in what could be an amazing career with the club. Someone who the side needs to be a real leader on and off

the field next season. Expect Tommy to come back firing next season.

Cameron Middleton

A top order batsmen/wicket keeper who had to fit into a role down the order this season. Mido impressed us all with his keeping and also his ability in the field when asked to have a run around. Someone the team will look to fire next season with the bat.

Bailey Dickinson

The rugby league recruit top-scored in the first game of the season with 59. This was Dicko's first competitive game for over 10 months.

Unfortunately, we lost Bailey half way through the season to Rugby League. If it doesn't work out in the NRL there will always be a spot for you at the club.

Wallace Marshall

Wallace had a season well below his high standards. Opened the bowling for us and tried his heart out. With

the ability Wal has I'm sure we will all look back at this season 2017/18 and see it as a minor speed bump in what will be a long and successful career at the Dogs.

Tushaar Garg

The spiritual leader of the side. Garg bowled well in patches but lacked the consistency we are used to seeing from him. His opening spell against North Sydney saw him steam in and bowl with good pace. Garg is great to have around any side and I'm sure he will become a strong leader at the club for many years to come. Unfortunately, this is Garg's last season in PGs. You can be proud of your effort and what you have contributed to this side over the years, both on and off the field. Its been a pleasure to coach you.

I would also like to thank Andrew Deitz, Ryan Malcolm, Connor Wilkinson, Kayne Grove and Alex Schipp for their contributions this season.

BankstownSports

women's cricket

The Bankstown Sports Women's Cricket Club 2017-18 season proved very successful. The club fielded teams in 13 separate competitions with 10 of these teams making their respective Finals. From these matches Bankstown Sports won a total of 7 Premierships - in the 1st / 2nd Grade T20, the 3rd Grade Limited Overs competition and five titles across the Under 13, 15 and 17 age group in the Thunder Girls Cricket League Spring & Summer competitions. As well, all but two of the players in the Bankstown DCA Mollie Dive (U/13) and Margaret Peden (U/15) teams which won these competitions undefeated, were from our club.

Our club was very pleased to enter 7 teams in both the U/13, U15 and U/17 Thunder Girls Cricket League competitions this season – the only Sydney Grade club to have this number of teams entered. Many of these players also played in the U/13 Mollie Dive and U/15 Margaret Peden DCA Girls competitions where they were undefeated Champions – the Mollie Dive side for the 2nd consecutive season. We are very proud to have so many younger players in our club and are very pleased that a number of players who have represented our club in recent DCA and Thunder League competitions are now playing in our Grade teams as well as participating in Elite programs.

This is confirmation that the Player Pathway in place within our club is allowing junior players the opportunity to develop their cricketing skills.

Special mention to 1st grader Emma Newman who once again this season has been a great coach and mentor for many of these young players. Special mention as well to 2nd Grade Captain Ellie Newsom who also coached one of the Thunder League teams. It says something about our club when players are so willing to give back in this manner.

Although they didn't contest any finals this season our 2nd Grade and Brewer Shield teams once again played some very good cricket and most importantly continued to develop their

skills both at training and on game day, as well as most importantly enjoying themselves. A number of the 2nd grade, 3rd grade and Brewer Shield players also played in other grades which assisted their skill development and enabled us to field full teams.

1st Grade made the finals in the 50 over competition unfortunately losing the semi-final to St George Sutherland. 3rd Grade also made the grand final of the T20 competition which they also lost to St George Sutherland.

Once again a number of players within our club achieved elite level selections this season including playing in the WNCL and WBBL03 competitions – details are later in this report. We are extremely proud of all players

who have played at representative level either in Open or Under Age competitions.

Our club also congratulates the Bankstown Men's Cricket Club on another successful season. We are very appreciative of the support we receive from the Men's Club – our club is extremely privileged to be associated with such a supportive Men's Club. Recently our club nominated 29 players for the Cricket NSW Underage Academy Squads for 2018/19 – these squads cover U/13 through to U/18. Last year there were 19 players from our club in these squads – by far the most of any Grade club. We wish all players nominated for the coming squads every success.

Our club was again fortunate to have very strong Management & Operations Committees supported by a willing group of volunteers (including from the Bankstown Men's Cricket Club)

who enabled the club to operate very smoothly from a club administration perspective. Our appreciation is again extended to these people who very willingly gave up their valuable time to support our players, enabling them to focus on playing their cricket to the best of their ability. Also during the season there was a significant change in our club structure within the Bankstown Sports Cricket Club which resulted in the formation of the Women's Club as a separate entity.

Once again this season we were very pleased to have Dot Brewer OAM supporting our club.

Many people contributed to making this season such a success:

The Management Committee members included:

- President: Robert Smith
- Registrations: Emma Newman
- Vice-President: Gary Penman

- Publicity & Website: Emma Newman
- Secretary: Justin Newman
- Junior Development: Samantha Devlin
- Treasurer: Meegan Grant
- Club Coach: Rob Mack
- Committee members: Marty Klumpp, Cathy Roebuck, Ellie Newsom, Kerrie Briody, Sharon Cooper, Colleen Genford.

Cricket Operations Committee: Gary Penman (Chair), Sarah Aley, Justin Newman.

Team Managers: 1st Gary Penman; 2nd Kerrie Briody/Scott Fraser; 3rd Scott Fraser; Brewer Shield and U/15 Margaret Peden Andrew Lawler, U/13 Mollie Dive Brooke Butler.

Scorers: 1st Kerrie Dick, 2nd Scott Fraser/Roger Errington, 3rd Scott Fraser/Roger Errington, Brewer Shield Andrew Lawler/Brooke Butler.

Coaches: Rob Mack, Daniel Rooke, Emma Newman, Ellie Newsom,

Paige Bailey, Sharon Millanta, Therese Stewart, Justin Newman, Brendan Dunne, Athavan Natkunamanickam and Gus Fernando.

Captains: 1st Grade: Sarah Aley, 1st/2nd Grade T20: Laura Wright, 2nd Grade: Ellie Newsom, 3rd Grade: Paige Bailey, Brewer Shield: Tahlia Dunne, U/13 Thunder: Mia Bogar/ Sarah Lawler, U15 Thunder: Yasmin Fernando, U/17 Thunder: Chloe Butler; Mollie Dive Shield: Tahlia Dunne; Margaret Peden Shield: Angelina Genford.

The club continues to be supported by its Life Members being Sharon Cooper, Megan Wilson, Therese MacGregor, Sue Hewitt and Richard Phillips.

Finally, the club once again acknowledges the ongoing support Bankstown Sports Club provides, in particular, Shannon Harley, Matthew Starr & Josh Carmichael as well as Marty Klumpp, Beverley and Richard Phillips.

The club held its end of season Presentation Night at the Bankstown Sports Club on May 12th 2018 with over 100 players, parents & supporters attending. The major award winners included:

Dick Phillips Award (for Outstanding Performance): Sarah Aley (101no off 82 balls vs Campbelltown)

Rookie of the Year (for best 1st year player to the club): Cynthia Coghlan

President's Award: Rhiannon Dick
Wicket Keeper of the Year Award: Laura Wright

Max McLeay Memorial Award (U18 Player of the Year): Angelina Genford

annual reports - our history

Every annual report of our cricket club since its inauguration in 1951 is now bound into A4 volumes for both safe-keeping and to preserve the rich history of our cricket club.

All past and present members - and even those doing research on how cricket developed in the Bankstown region - are welcome to peruse and use these bound copies. While all of the recent annual reports are all still, and will continue to be, available on our website in digital format as pdf files, we will continue to add to these hard copy versions for future reference.

Please note: Metropolitan Cup (6th Grade) figures are not included above

honour board and statistics update

Highlights from this season's performances include...

Daniel Solway

After a lean season by his standards in 2016/17, Daniel made bowlers pay with a remarkable tally of 1268 which included six centuries and in so doing passed 3000 (3933) in first grade and 5000 (5477) in all grades. He has now scored fourteen first grade centuries – remarkable for someone so early in his career and must have the club record of nineteen clearly in his sights.

Luke Reece

A wonderful and respected clubman Luke came out of his temporary retirement in round 14 to help the club when in need and was rewarded by passing 5000 (5063) runs for the club and in so doing confirmed he has not lost any of his talent.

Nathan McAndrew

The first wicket Nathan takes next season will be his 200th in first grade and places him on the honour board. The leader of our first grade attack is a great role model for all players with his dedication and preparation.

James Bourne

Another outstanding clubman James also helped out when injuries had us struggling for numbers and in so doing passed 6000 (6013) runs for the club to keep the Bourne name flying high.

Chris and Iain Ridley

Sibling rivalry could come into play next season as both brothers move towards 5000 runs for the club. Currently Chris is at 4443 and Iain 4213.

Jake Cormack

Jake looks a special to make the first grade runs honour board next season as he is currently has 2579 first grade and 3688 club runs.
