OBITUARY

KEVIN McCORMICK OAM

The passing of Kevin McCormick on 17th May 2012 saw Bankstown lose one of its favourite sons and a most respected citizen – while our club lost a friend, mentor and patron.

Kevin was a Founding Member of the Bankstown Sports Club and held his Membership No. 2 for almost sixty years. The club has decreed that this number will never be re-issued. He served on the Board for 39 years and was President for 20 years until his retirement in 2006.

His period of leadership coincided with the remarkable growth of the club, but at the same time, ensuring the Board never lost their focus of supporting sport and the general Bankstown and wider communities in very substantial ways. Bankstown Hospital and Bankstown City Aged Care are but two organisations that have benefited from Kevin's interest and the club's support.

Although he followed numerous sports, cricket was clearly his favourite and he spent many happy hours at Bankstown Oval barracking for 'his' Bulldog cricketers. Many have happy memories of him being very involved in premiership winning celebrations.

With the upgrading of facilities at Bankstown Oval in 2000, the club was delighted when Bankstown City Council accepted its suggestion that the new grandstand be named in his honour, something of which Kevin was immensely proud.

Upon his retirement in 2006, our club was privileged to host the Kevin McCormick Tribute Luncheon in the Steve and Mark Waugh Pavilion. The attendance of such a varied group of friends and acquaintances and the sentiments expressed at this sellout function was a clear indication of the esteem in which he was held.

Kevin was awarded the Order of Australia Medal (OAM) for his service to the community and the Registered Clubs movement and remained a Patron of our club at the time of his death.

Outstanding eulogies were delivered at Kevin's funeral on 25th May, 2012 by his brother Keith, Dr. George Kourtesis and the President of Bankstown Sports Club, John Murray.

A great friend whose gentle nature and enthusiasm for everything Bankstown will be sadly missed.

president's report

The 2011/12 season was one of the most challenging on record for the Bankstown District Cricket Club (BDCC). It was a season where our results were lower than expected, a season where our high expectations based on recent success in Green Shield & PG didn't translate into higher grade results and our spirit of cricket outcomes remained in the lower end of the table.

With a significant amount of change across the sport sector (NSWCA & SCA) and within the club itself, we have much to be proud of. I believe the club is well positioned for the coming years, when considering our approach to coaching and development of young players and the substantial indoor facility now under construction.

It was the 5th year of implementation of the club's strategic plan which brought with it unprecedented levels of complexity. These included an increased focus on the new building project whilst trying to maintain a focus on shorter term issues surrounding our coaching, training and on-field activities. Again, in spite of the contradictions, I am confident we are well positioned for next season.

Performance highlights

Onfield - Well done to Jarrad Burke, our club Player of the Year for his outstanding year in 1st grade. Additionally, Jarrad was 2nd in both SCA 1st grade bowling average (13.39) and bowling aggregate with 44 wickets. Congratulations also to Daniel Sams, Ben Smith and Daniel Solway for selection in NSW aged teams - it is a rare and inimitable feat - something you should be very proud of.

Coaching - congratulations to Crowy and his able assistants for engaging participative sessions each week.

Ground presentation - congratulations to Warwick and his team for the superb condition week in week out across the three grounds.

Community - congratulations to all those involved in the numerous activities that set us apart from others: the Uganda cricket appeal; the women's cancer fundraising effort; the support & development of women's cricket; and, the successful hosting of the NSW v SA first class match at Memorial Oval where facilities and general match presentation received high praise.

Future priorities

Our emphasis now is on implementing our new plans, delivering key programs, supporting our coaching and development personnel to deliver participation and high performance outcomes (as well as building their capacity) and, building collaboration, alignment and effectiveness across our community. I am energized by the frenzy of activities already in place to position us for next season.

Sponsors and supporters are invaluable to any club and we are indeed fortunate to be surrounded by so many committed 'friends' - we couldn't exist without you and your contribution and support is acknowledged. In particular I want to make a special mention and thank Mr John McKay, the Secretary Manager of the Bankstown District Sports Club for his enduring backing. John has announced he will step down from his role at the Sports club in July and we owe him a substantial debt of gratitude. John, thank you for your support over so many years and I wish you well in the future.

Finally, the 2011-12 year has been one of significant change for BDCC in terms of resetting our direction and approach, whilst continuing to deliver results. As President, I would like to acknowledge the contributions of the management committee; the various sub committees; and, the army of volunteers. We look forward to building on the strong foundations which have been set to deliver continued success for cricket and our club members.

Cheers, Scott Grant - President BDCC

sixty-first annual report

I have pleasure in presenting the club's Sixty-First Annual Report and Financial Statement.

I'd like to start by congratulating James Allsopp on his achievement of leading first grade for the past four seasons. James took over the captaincy in challenging circumstances as we embarked on a period of significant re-building following the retirement of several experienced players. As a skipper James has always displayed the same enthusiasm, commitment and tenacity that has been a hallmark of his performances as a player. James maintained an air of dignity, even if the side wasn't performing to expectations and he always rated highly in umpires' captain's assessments. James is a committed Bulldog and it's great news that he will continue playing in the top grade. James has a passion for coaching and junior talent development and there's no doubt he has big contribution to make in this field in the years ahead.

James Bourne's enthusiasm and genuine interest in people has cemented him as one of the most popular players at the club over the past decade. Second Grade had a disappointing season but was in no way a reflection on James' ability or commitment. James' affable nature belies his fiercely competitive drive and will to succeed. He is a loyal and dedicated Bulldog who loves nothing more than helping develop young cricketers to value loyalty, mateship and teamwork. As part of his wider commitment to the club, James again acted as Manager of our Poidevin-Gray squad last season.

It's a great fillip for our culture and tradition when sons of former players rise to leadership roles at the club. Just as James Bourne has followed club great Dion into a leadership role, Mat Kelly created another special piece of club history last season by following

in the footsteps of his famous dad Phil – skipper of our 1989-90 premiership-winning Mitchell Cup side. Mat is a positive role model for our young players both on and off the field.

Iain Ridley transitioned from skippering Fifths in 2010-11 and kept Fourth Grade in the hunt for a finals berth until late in the season. Iain is very committed to contributing to a winning culture at the club. He thinks deeply about his cricket and has a real desire to help young players gain the skills and knowledge they need to move up the grades.

Mat Doab took up the reins of Fifth Grade after skippering our Metropolitan Cup side for a couple of years. Akin to 'jumping from the fat into the frying pan' as the saying goes! Any Fifth Grade skipper in the SCA will attest to the difficulties of being 'at the end of the club food chain'. Player changes as the result of last minute injuries in higher grades meant Mat was always organising and re-organising, planning tactics and re-planning tactics. Chairman of Selectors Dion Bourne is full of praise for the professional way Mat discharged his responsibilities on and off the field.

Ray Hall clearly has a special talent for coaching and developing young cricketers and this was evident in his efforts with this season's AW Green Shield side. I popped into Memorial Oval early on Christmas Eve last year only to see the AWG squad sweating it out from training in very hot conditions. I must say my initial reaction was "gee Hally you're a tough task-master"! But, after watching and talking to some of the boys, I realised they absolutely loved every minute of the session. Everyone had a job to do and they did it with total enthusiasm. The boys were running the session – they were challenging and encouraging each other and setting a standard that frankly would rival the intensity of many first grade warm-ups. We

may not have won our third straight AWG premiership, but Ray and the boys built a great base from which to win another one soon. Mark Condron did a great job supporting Ray and the team in his role as AWG Manager/Scorer.

The club was very fortunate to have the services of Life Member Gary Crowfoot in the head coaching role. In recent seasons, Gary has shown his coaching credentials are of the highest level with successful stints at St George and with CNSW elite age squads. Gary brings to his coaching the same dogged attitude that marked the countless hours he spent at the crease batting for his beloved Bulldogs. Above all, Crowie is a winner and with time and the right support, I have absolute confidence he will lead us to premierships in both first and lower grades.

Dean Burke provided Gary with valuable support in the coaching ranks and his ability to develop a positive rapport with players of all ages will be great asset in the coming seasons.

Memorial Oval and Jensen Oval came second in the SCA First Grade and Lower Grade Ground of the Year Awards respectively and our thanks and congratulations go to Warwick Starr and Nic Mamolis for their dedication to providing high quality wickets and outfields – especially in a season that was so badly rain-affected. Memorial Oval again hosted a range of elite cricket matches including a successful NSW v South Australia Sheffield Shield match.

Bankstown Sports Women's Cricket Club, under the leadership of Rob Smith, Gary Penman and Justin Newman, had another successful season with First Grade winning a fifth straight premiership. The fact the Club managed this result despite losing a nucleus of experienced players to Women's National League duties throughout the season is further testimony to quality of the achievement. Kerrie Dick is to be congratulated for the outstanding press coverage she has achieved, raising the profile of women's cricket in the district to an unprecedented level.

Following several years of dedicated effort by our Patron Daryl Melham, the Club was finally successful in achieving \$2.71m in funding under the Australian Government's Regional Infrastructure Development Program. This grant has been allocated to support the development of a community indoor sports centre and amenities building at the southern end of Memorial Oval. We expect the new facilities will be operational by November and a special section

in this report provides a full update on the project's progress. There's no doubt the new facilities will present the Club with an opportunity to broaden our operations and we have started a formal planning process to ensure we can manage these facilities in a manner that benefits all community stakeholders.

Our volunteers remain a prized asset and I thank everyone who has helped in any way, whether it was by holding a formal committee position or just lifting covers, scoring or bringing afternoon tea to games. These seemingly little things are what sets us apart and we should always strive to excel at them.

On behalf of all players and supporters I'd like to extend special thanks and admiration to the following people:

Scott Grant continued to provide exceptional leadership across all facets of our operations. Scott's ability to direct our operational issues while keeping a strong focus on key strategic goals is one of our greatest assets. Because a lot of Scott's work for the club is behind the scenes, few people see or understand just how much time he contributes to ensuring the club is successful. We are very lucky to have someone with Scott's cricket and business experience leading the club.

Margaret and Eris Dignam are the heart and soul of the club. They stock and run the canteen, collect fees, keep our accounts intact, co-ordinate practice sessions and represent us at civic and sporting functions. I don't have enough words or the right words to do justice to their contribution – they are truly living legends of our club.

Brian Freedman has just completed 30 years of continuous, high quality, service on the club's Executive (as President and Assistant Honorary Secretary). Brian's current title of Assistant Honorary Secretary is a complete misnomer as he really provides a huge amount of practical support to both Scott and me in our roles. Brian also serves on the Committee of Management of the SCA, a role that takes a huge time commitment for very little thanks. After a decade of planning, wishing and hoping, I know Brian is thrilled that the building program at Memorial Oval has finally started. Most days he finds an excuse to visit the oval and report back on progress, and his enthusiasm about the new facilities is certainly infectious.

Mark Grant, Darryn Bull and Byron Hackshall made up our Cricket Operations Committee working with

the Management Committee to ensure all player and on-field related issues were dealt with effectively and efficiently. This trio puts in a significant amount of time and effort both in the off-season and during the season proper. They bring current player perspectives to the table and that helps to ensure the Management Committee remains 'in touch'.

Season 2012-13 will see the opening of the new facilities at Memorial Oval and that of itself will be the culmination of a decade of planning and itself a cause for considerable celebration. However the real measure of our success will be how well we perform on the field.

We have the right coaching structure and personnel.

We have a solid player roster.

We have a level of off-field personnel and facilities support that most clubs only dream about.

We'll need to be very creative with our excuse making if we fail to deliver to expectations!

SPONSORS

The club is fortunate to have the support of Bankstown District Sports Club as our major sponsor.

We thank President John Murray, Sports Director Dick Phillips and all Board Members for the support they provide to all areas of our operation.

Retiring Secretary Manager John Mackay OAM and his Assistant Mark Condi are always on hand to provide advice and support and we value their input enormously.

Chris Passanah from the BDSC Marketing Division is a great friend to our Club, offering practical support on a range of issues.

Dianne Lancaster and Maureen Jamkiewicz from the BDSC Events team (now known as Innov8te Events) are always very helpful, enthusiastic and professional in all our dealings.

President Daryl Melham and all Board of Directors of

Revesby Workers' Club continue to support our Club financially and by attending various Club functions.

New South Wales Cricket Umpires and Scorers Association

To all members of the New South Wales Cricket Umpires and Scorers Association we thank you for your dedicated service to the game.

The NSW Cricket Umpires and Scorers Association currently has two members – Simon Taufel and Rodney Tucker – officiating in matches at the international level, while members Gerard Abood, Greg Davidson, Michael Kumutat and Anthony Wilds continue to receive appointments to representative competitions conducted by Cricket Australia.

The Association runs Umpire and Scorer Training courses and details can be found on the CNSW website.

APPRECIATIONS

Patron Daryl Melham MP for advice and support across all aspects of our operations and for his untiring support of our building re-development program.

Bankstown Sports Club Secretary Manager John Mackay OAM has announced his retirement after forty years of committed service to Bankstown District Sports Club. John has carved a special place in our city's history – but few people would realise just what an enormously influential role he has played this club's development over the past two decades. Brian Freedman, Scott Grant and I have received wonderful advice and practical support from John on everything from key strategic directions and initiatives through to dealing with day-to-day operational problems.

As John led Bankstown Sports Club to a dominant and successful position in the NSW Club Industry, he remained totally loyal to the original values espoused by the Sports Club's founders. For that our club and the community at large owe him a great debt of gratitude. A lesser man could have so easily been distracted from those founding values, but not John

Mackay. John's personal style is the epitome of the term 'quiet achiever'.

We hope John will remain active in the Bankstown Community and that we might be able to call on his business skills and ability to 'keep things simple' from time to time. Everyone at BDCC wishes John and Janice all the best for a happy and healthy future.

Matthew Stewart - GM Bankstown City Council for his assistance with our Regional Infrastructure Grant application and general support and advice.

Graeme Beattie, James Carey and Emily Forrest from Bankstown City Council for support with planning and managing the upgrading works at Memorial Oval. Richard Old is Bankstown Council's Project Manager for the Memorial Oval building program. Richard has impressed us greatly with his 'can do' attitude and general enthusiasm towards the project and we really appreciate his positive support.

Tatjana Domazet for her wise counsel about our building program and general issues relating to sports and recreation policies in Bankstown. Tatjana recently took up a new role at Ryde Council and we wish her and her family well for the future.

Andrew Smithwick from Bankstown City Council for his support with planning for the proposed Bankstown Sporting Hall of Fame and the upgrading works.

Daniel Grimson from Bankstown City Council for his support with ground booking permits and general Council administration.

Jodie Banks from Bankstown City Council for support with the Jensen Oval Re-development Consultative Committee and general sports management liaison.

Eddie Rogers from Bankstown City Council for helping us to re-assess turf training options for Grahame Thomas and Memorial Ovals and his management support for Council's ground staff.

Julie Hayes, Kerry Sebio and Melinda Cootes for helping with marketing and promotional activities and preparing scoreboard nameplates for first class matches at Memorial Oval.

Dion Bourne the Chairman of Selectors.

John Bull and Phil Kelly for acting as Roving Selectors and providing mentoring for young players.

Geoff Price and Errol Sams for scoring 1st Grade and generally assisting with support tasks on match days.

Mark Condron for his assistance with entering scores into the My Cricket results database at the conclusion of play.

Mick Burke for his help with photography and general support on match and training days. And for relentlessly geeing up Eris!

Jeremy Ng for providing us with many of the images used in this year's report.

Frank Burke was a huge support to the Club in the preparation of our Development Application and Construction Tender for the upgrading works at Memorial Oval. We would not have succeeded with this building project without Frank's diligent work. Although Council is now managing the building project, Frank remains a confidant and advisor to our club and we greatly appreciate having him in our corner.

Pam and Pat Gavin and John Burke from the Bankstown District Cricket Association for continued leadership of the Association and support for the community in general.

Rob Shaw and Maurice Ford for their help in re-invigorating the Bankstown Junior Cricket Academy.

Mark Kirkland from The Torch newspaper for running weekly match reports for both the Men's and Women's clubs.

David Clifton again provided his expertise to maintain and develop our website and with the graphic design, typesetting of this Annual Report, photography and entering match results into the My Cricket database. These activities consume a huge amount of time and we should never take David's efforts for granted.

David Gilbert CEO of Cricket NSW, Ian Field CNSW Operations Manager and Roy Formica SCA Competitions Manager, for their valuable advice and support.

community sports facilities project

MEMORIAL OVAL COMMUNITY SPORTS FACILITIES PROJECT UPDATE

We are pleased to report that construction of the much-anticipated Community Indoor Sports Centre and Sports Education Centre based at Bankstown Memorial Oval commenced in March 2012.

BDCC will manage the new facilities on behalf of the wider community under a Management Rights Agreement with our principal partner in the project, Bankstown City Council.

The new Indoor Sports Centre will provide four indoor cricket lanes, similar in style to those at the Cricket NSW Centre of Excellence at the SCG. We anticipate the indoor centre will be used on a regular basis by adjoining schools, Bankstown Girls High and Bankstown Primary, as well as supporting other compatible sports and recreation related community activities.

The Sports Education Centre will provide extra Clubroom facilities for BDCC and will also act as a media centre for representative matches. This building will also be the home for a re-vitalised Bankstown City Sports Hall of Fame, featuring interactive kiosks similar to those used at the Bradman Museum.

The new facilities will be a central element of a new integrated sports and recreation precinct that includes Grahame Thomas Oval, Bankstown Memorial Oval and Bankstown City Gardens. In time, new walking tracks and bridges will integrate these wonderful community assets to provide a multi-functional resource for all community members.

Ten years in the making, this project is the culmination of a huge amount of work from a dedicated BDCC Management Committee but it would not have come to fruition without the vision and practical commitment of some very special people and organisations:

- Daryl Melham the Federal Member for Banks has been a wonderful ally helping us through the maze of bureaucracy as we scrambled to secure the last (and biggest!) tranche of funding. It was only through Daryl's tenacious attitude that we finally won a grant for \$2.71m under the Australian Government's Regional Community Infrastructure Scheme.
- Tony Stewart former Member for Bankstown was a great help in securing NSW Government support through the Community Building Partnerships and Regional Sports Grants programs.
- The Board of Directors of Bankstown Sports Club, led by President John Murray and Sports Director Richard Phillips and supported by the Club Executives John Mackay and Mark Condi were, as always, the first group to put up their hand and pledge financial and moral support for this project.
- The Board of Directors of Revesby Workers' Club, always great supporters of our operations provided early and unequivocal support and we are indebted to all Board Members and Chief Executive Ed Camelleri for their support.
- David Gilbert, CEO of Cricket NSW immediately saw the potential of this project and supported our

application to secure funding under Cricket NSW's Facility Development Program. David, we hit a few snags along the way and it's taken a lot longer than we planned. But we hope when you see the quality of the finished product, you'll agree it was worth the wait.

- The Board of Directors of Canterbury Leagues, former Canterbury Leagues CEO John Ballesty and Marketing Manager Norm Tasker for their financial support and advice.
- Former Mayor Tania Mihailuk, Mayor Khal Asfour and their fellow Councilors for believing in the vision and committing the necessary resources to help make it happen. Special thanks must also be paid to former Council Executives Joan Warton and Tatjana Domazet for their advice, professionalism and dedication in helping us secure the RLCIP Grant.

This year marked the 30th year of this great competition. The winner is decided by each of the six teams awarding 3, 2 and 1 point(s) to the best contributors in each match with a batting bonus point being earned for scoring 50 with a further point for every 25 thereafter. Bowlers and wicketkeepers earn a bonus point for taking three wickets or dismissals with an additional point awarded for each further wicket and each team decides a fielding point for each match.

As well as receiving a most prestigious trophy, the winner also receives a substantial cash award. A feature of this season's competition was the strong showing by the younger brigade which augers well for the future.

The leader's points after the conclusion of round 10 were:

So, after 16 rounds...

5th place on 26 points

Sam Powell

Sam had a great first year for the club and often proved to be the go-to man when a wicket was needed. His 29 wickets at 16.9 suggests higher grades next season. Also very handy with the willow as a strong middle-order batsman with two 50-plus innings.

4th place on 29 points

Darryn Bull

Bully just gets better with age despite the ciggies. His 31 wickets at 14.77 is testament to his guile and knowledge of how to play the game. A rocket arm and lightning speed in the field are other attributes of which he is rightly proud.

3rd place on 31 points

Aaron Bird

Birdy notched his initial first grade century against ND's and with 403 runs and 31 wickets had a great all-rounder season. His competitive spirit was, as always, a terrific asset to the team.

2nd place on 33 points

Andrew Jamieson

What a season for Jamo. His 38 wickets in his first full season in 2nd grade is an achievement to be admired and had it not been for a couple of washouts, the major prize could have been his. An excellent team and club man who knows how to play hard and still enjoy himself.

Bankstown Sports Club Player of the Year 2011/12

Jarrad Burke

1st place on 45 points

His second Player of the Year title in three years confirms the outstanding skills of Jarrad.

Although his batting numbers were a little down on previous years, his record of scoring at least one century in every one of the last eight first grade seasons is remarkable and as his 44 wickets at 13.39 suggests, his bowling goes from strength to strength.

A worthy winner. Well done, Jarrad.

We are often asked if we are confident that the gear we send to Uganda is getting through to the right people. The regular reports and photographs supplied to us by the Uganda Cricket Association continue to reassure us that we are achieving our aims in this regard with clubs, schools and the various national teams being the ultimate beneficiaries.

Two former members of the Ugandan national cricket team – Jimmy Okello and Patrick Ochan – are now living in Adelaide and recently came to Sydney to visit our club. After learning how we go about the process, they are now planning the setting up a collection depot for us in Adelaide .

Further feedback is always appreciated, particularly when it comes from the ICC's leading umpire – Simon Taufel – who has himself has donated gear to us on a number of occasions...

Subject: Feedback from Uganda

Hi Brian

How has the club gone this season?

I have been umpiring in Dubai – the qualifying T20 tournament and Uganda have been one of the teams I officiated. I spoke with the captain of Uganda, Davis Arinaitwe, and when he came to know I originated from NSW he asked more about the cricket clubs etc. He told me of the cricket equipment that has been sent from Sydney to assist their players and development of the game. I told him that I was aware of the program and knew the club behind it.

He wanted me to pass on his personal and team appreciation for the equipment that has been sent over. It has really helped the development of cricket in Uganda. He mentioned that several of his national players use some of the equipment received to date and how it has made a difference to them.

I just wanted you to know that they really are happy and pleased to be part of this and to receive your help. Davis is a fine young man and loves his cricket. Please pass this back to your club and all those who have donated as it is appreciated and acknowledged.

Take care,

Simon.

Firstly, I must congratulate Greg Mail and the Sydney University team on taking out the Belvidere Cup for season 2011/12. Along with Randwick Petersham who won the one-dayers and T20s, they were the most consistent team throughout the season and very deserved winners. These two clubs certainly set a high benchmark for the other 18 clubs to strive towards in the coming season.

There are a number of people I would like to thank for making my job easier throughout the 11/12 season. To the other 5 captains/selectors, Dion, Bully Senior and Phil, I believe the manner in which we approached selection issues was always very professional and our commitment to ensuring we pick players in the appropriate grade remained our constant priority. My position in getting first choice of players is far easier than what you guys have to go through week to week and to Matty Doab in particular I applaud the way you juggled the many selection headaches you faced when picking our 5th grade team. I also would like to thank the management and cricket committees for showing their faith in me by appointing me as first grade captain for a third successive year. Your hard work, particularly during the pre-season, goes unnoticed and it certainly is a thankless job.

I would like to especially acknowledge Jeff Price and Errol Sams for being our scorers this year. For Jeff in particular, to commit to such a time consuming job even without his son playing in the team, is a true reflection of what a great bloke he is and epitomises the bulldog spirit. Thank you to both you guys.

To Crowie and all the coaching staff, well done on a terrific job this season. Our disappointing results on the field are in no way any reflection of the coaching structures that Crowie and his team have put in place. I am sure the training processes, culture and

attitude towards training that is being instilled into our players by our coaching staff will see the dogs play finals cricket again in the very near future. Personally, I want to thank Crowie and Emu for all their support to me on game days. We had a number of issues we needed to work through throughout the season and it was made a lot easier thanks to both your guidance and intervention. Emu, the boys simply love having you in the change rooms with us. Your knowledge, experience and passion for the game is such a vital asset in teaching an emerging first grade team what it takes to be successful as first grade cricketers. We love your pump-up speeches and look forward to going around with you again next season old mate!

To Warwick and the ground staff, thank you for your tireless hard work throughout such a challenging summer with the wet weather we had. There were a number of days where Banky Oval was the only ground where any cricket was able to be played in Sydney due to large amounts of rain in the lead up to Saturday – a credit to the hard work you guys put in each and every week without fail.

To all the fathers that helped out with drinks, lollies, substitute fielding, covers and any other job that is thrown their way, I thank you. We really are truly blessed at our club to get on with playing our best cricket while the dirty work is taken care of. Similarly, a big thank you goes out to the mothers and ladies

in the canteen who do a great job without a lot of recognition. Margaret, in particular I thank you.

Lastly, I want to thank all the boys who represented our club in first grade this season for their support and commitment. We certainly didn't achieve the results we were hoping for but I think, particularly towards the end of the summer, we were beginning to play a far more consistent brand of cricket which was evident by being undefeated in our final four matches. A number of our younger players have now had a great deal of exposure to first grade cricket and I am sure will benefit from these experiences in the coming season.

I would like to give a special mention to a couple of guys in particular who have decided they won't be playing next season. To Tim Freeburn, can I thank you for everything you have brought to our team and club over the past few years. Burner is a great guy to have in the change rooms, he epitomises what it means to be a great clubman and his contribution with the ball (and his under-rated batting ability) will be missed next season. Birdie, you have lead our bowling attack over the past decade with distinction. You wear your heart on your sleeve and your competitive edge will be missed in our team. I have played all of my first grade cricket with Aaron and I will personally miss his presence in the change room, and keeping to those 'fiery spells' of fast bowling.

If we reflect on our personal statistics for the 2011/12 season, it becomes clear why we did not feature in finals cricket this year. Having no batters average above 30 simply means we had not scored enough

runs to win cricket games. As a team, we only scored 3 hundreds throughout the season. Without a doubt, our batsman need to stand up in years to come and get greedy to churn out some big runs. If we want to be competing with the Sydney Uni's of the competition, we have to be hungry to score match-winning hundreds that win us cricket games. Thirtys, 40s and even 50s are not good enough. If our batters want to play higher honours, and we want to be playing cricket in late March, this is an area we have to improve. Smally and Aaron against Northern Districts and Jarrad against Blacktown showed us what it takes to make the big scores and all three innings were certainly highlights of our season.

With the ball, a big congratulations must go to Jarrad Burke for being the leading wicket-taker throughout the entire competition. Jarrad's contribution with the ball was a major reason why we won the games that we did. His 44 wickets were all class and a product of the guile and pressure that Jarrad builds every time he has the ball in his hands. Jarrad has a simple bowling philosophy – stop them scoring and you will get them out – all bowlers at the club could take a leaf out of Burkey's bowling book! The remainder of our bowling attack contributed at various stages throughout the season. Byron was very consistent once he arrived in the team, while Phelps, Birdie and Burner all picked up 5-wicket hauls at some point during the year.

In the field, we were very good on occasions and very poor at other times. Fielding is all about attitude. At times I don't think our attitude in the field was where it needed to be. This is certainly an area that each

player individually can improve. As players, we will all spend more time fielding than batting or bowling throughout our careers. We must ensure that we are training hard on being the best fielders we can be to make the job easier for our bowlers. To the guys that don't bowl, we have to take more responsibility in driving the team in the field. It isn't a time to switch off or relax, but on the contrary, a time to bring a presence that creates positive energy and attitude that puts extra pressure on our opposition.

As mentioned earlier, we certainly did not achieve the success we were hoping for as a team this season but there were certainly some great signs that our young players – Jake, Nick, Samsy, Smithy, Solway and Phelps – have what it takes to be successful first graders in the near future. All our young guns showed some glimpses of what they are capable at various stages and their challenge now becomes to consistently produce performances that contribute towards the success of the team. Collectively, the more experiences players have to stand up more next season. With such a large number of young players in the team, it has to be the experienced players who lead the side with our performances and take greater responsibility while the younger brigade find their feet.

In closing, most people will be aware that I have

made the decision that I will not be standing for the first grade captaincy for the upcoming season. It is a decision I have thought long and hard about, but with my wedding this year and the fact that I will not be available for T20s this season, I feel the first grade team and club would be served better by a leader that is committed to playing all three formats. I am still 100% keen and totally committed to playing and I hope I can contribute with the bat and gloves in a great way that helps our first grade team play finals cricket again. I am very excited about what the future holds for our squad and I will still play a major role as a leader and senior player in the team. I hope to be able to have a big impact on our young players in helping them develop into quality first graders and beyond. I am sure Jarrad Burke will do a fantastic job and will have my full support.

It has been an honour captaining such a great club. It has certainly been challenging but a very rewarding experience. I just want to thank everyone I have worked with over the past 3 years in my time as captain - the cricket committee, management committee, supporters, volunteers, coaches and in particular the guys I have played with. Thank you all for your support.

Go the dogs! Prince

Nick Carruthers

Nick should feel very satisfied with his first season at the club. Nick was our leading run scorer with 488 runs and played some excellent innings batting at the top of the order. However, Nick's season could have been so much better if he had capitalised on the number of starts he got. Opening the batting is the hardest position to bat and therefore it is even more important to 'cash in' when the new ball is seen off. Once Nick can do this and start turning his 20s and 30s into three figure scores, there is no reason why he can't play first class cricket. I know Nick will be working hard in the off season on some technical issues in his game to make him an even better player in 2012/13. Nick is a popular team man and must be commended on the way he has fit so well into the club. He is an integral part of the first grade squad moving forward.

Chris Small

Smally needs to lay of the Christmas pudding this coming season because for two years in a row now he has begun the season in great form but unfortunately his form has deteriorated after the Christmas break! Chris scored his maiden first grade ton this season against Northern Districts – a chanceless hundred when the team we was reeling at 6 for 30-odd – a testimony to Smally's ability to bat under pressure. Smally has enormous potential as a batsman. He has a mature temperament, knows his game very well and plays well off both the front and back foot. Like most of the other batsman in the team, Smally just needs to produce more big innings on a consistent basis. If he can do this and continue to work hard on creating a presence in the field, there is no reason why Smalls can't take his game to the next level.

Jarrad Burke

Congratulations to Jarrad for once again being the club's player of the year as well as the leading wicket-taker in first grade cricket. Jarrad had a difficult summer with the bat where he had one of those years where he just kept finding ways to get out. He showed his true talent and resilience in the final game however, where he peeled off a magnificent hundred against Blacktown in leading the dogs to victory. I have already mentioned Jarrad's enormous contribution with the ball – it was a pleasure to keep wickets to as I just watched Burkey unravel so many batsman with his accuracy, competitive gamesmanship and the constant pressure he builds. Jarrad is obviously a key player in the first grade team moving forward and I am sure will make a fine leader.

Phillip Wells

Wellsy was a refreshing addition to our club this season. Although he would not have been satisfied with his overall performances throughout the summer, Phil showed glimpses of the batting talent he possesses against Mosman, St George and Blacktown. Despite battling niggling injuries throughout the season, Phil also picked up a number of key wickets and was by far and away our best fieldman on a regular basis. I am certain next year we will see the best of Wellsy. Well done on making such a smooth transition into the club mate!

Aaron Bird

Aaron will be sadly missed in the first grade side next season. For the past decade, he has terrorised batsman throughout Sydney with his raw pace, aggression and intimidation. Season 2011/12 was

no different with Aaron leading our fast bowling attack with 31 wickets. He also had a very good season with the bat, scoring his maiden first grade ton against Northern Districts when he and Smally combined for that record-breaking partnership. Birdie has been a fantastic leader amongst the team and the club over the past few seasons, and I am sure our younger quicks have learnt a lot from his actions as well as his wise words of advice. Hopefully we will see Birdie back playing with the dogs at some point next season. One of the best players to ever represent our proud club.

Jake Cormack

It was very pleasing to see Jake learn and grow as a first grade cricketer throughout the summer. The season came to an end far too early for him as he was just beginning to find his feet in first grade, scoring some impressive runs against Gordon, St George and Wests – which including facing a ferocious spell by Australian fast bowler Mitchell Starc. Jake worked hard on his game at every training session and this hard work was evident by his dramatic improvement when playing off the back foot that was evident towards the back end of the summer. Jake is a talented young batsman who is beginning to develop the mental game to be a successful first grade top order batsman. I expect big things from him next season.

Ben Smith

Smithy is the one of the most talented young batsman in the club as well as the state. Unfortunately though, he did not score the big runs that he is capable of in first grade this season. Benny needs to develop

a mental toughness that is so important to being successful when opening the batting. Off to England during the off season, I am sure he will come back an even better player and be a leading run scorer for the dogs next summer. We will be looking for a greater contribution in the field from Smithy next season to accompany the pile of runs he will score!

Daniel Sams

Daniel had one of those summers where luck just did not go his way. He found ways to be dismissed with the bat and could not buy a wicket despite some impressive spells. At times though, Daniel's attitude let him down where he looked to blame other factors rather than genuinely consider his own form. There is no doubt Samsy is an enormous talent but he needs to be honest with himself before making excuses. A great trainer who is always working hard on his game. Simply a gun in the field in any position!

Luke Reece

Luke had a disappointing season in the top grade which eventuated in him being dropped to seconds halfway through the year. There is no doubting Luke's potential and I am sure once he develops a belief for how good he really is, we will see the best of him with bat and ball for years to come. A great trainer. Keep working hard on your game Reecey, you have a long first grade career ahead of you if you want it!

Byron Hackshall

Ronnie had a real breakthrough season with the ball in first grade where he was able to cement his spot in the team. Often the pick of the bowlers from week to week, his 18 wickets at 25 don't do justice for how well Byron bowled without luck on many occasions.

With Birdie unable to play this coming season, Byron is going to have a huge responsibility in leading a young fast bowling attack. I am sure that if he can maintain his control, patience and subtle variations that he developed this season, Byron will get the bags of wickets he desires in 2012/13. A great clubman, very popular and did a terrific job running a number of social functions at the club.

Tim Freeburn

Satellites will be sadly missed in our side next summer. Burner bowled beautifully against Penrith where he picked up a 6-wicket haul and took a number of other crucial wickets throughout the season. He constantly reminded me that he was under-used with the bat and looking back at our statistics he may have some merit to his claims. Jerry Maguire (Timmy) comes up with some of the greatest one liners of all time. He was the creator of 'the bus' – which a number of the boys hopped on at various times throughout the year! Hopefully we will still see Burner around the club in some capacity in the near future. A great bloke to have in any team!

Dean Magee

Sadly, Deano decided to retire at the end of the season. Although he only played the 3 games in first grade this season, Deano has made an outstanding contribution to first grade and the club in his time as a player. A devastating opening bat, Deano had the unique quality of being able to take the game away from the opposition in the very first hour of play, if he got away. He played a major role in first grade's most recent premiership where he consistently got the team off to a great start – allowing the middle order to

do their thing against a far older ball. Congratulations on a fantastic career, mate. We will miss having you in the change rooms but I am sure you will thrive in your new role at the club whatever that may be.

Mitchell Phelps

Phelps started his first grade career with a bang, taking a 6-wicket haul in just his second game. However, during the year he struggled with the form and consistency needed to be successful on a regular basis in first grade cricket. Mitchell has a huge role to play in our side in the coming season where we will be relying on him to take on far more responsibility with the ball. He has the ability to swing the ball both ways and once he develops that consistent line and length will prove devastating against any opponent. Was an absolute hero against Fairfield with the bat, when he hit Grant Lambert over his head for 6 in the final over – guiding us to an unlikely victory. He then proceeded to tell complete strangers about his achievements when out in the Cross all that night!

Daniel Solway

Only played two games in first grade but showed in his brief stints at the crease that he has a big future ahead of him. Daniel had a massive year for not only Bankstown, but also when representing NSW under 17s. He has an appetite for batting long periods and I look forward to watching him do this in the coming season. Watch this space!

Thank you also to Tim Burns and Michael Lumb who also represented the first grade team on a couple of occasions throughout the summer.

Firstly, I would like to congratulate Sydney University on winning The Albert Cup for 2011/12. They've had a quality side for a number of years and thoroughly deserved to win.

Our 2nd grade season of 2011/12 was a mix mixed bag of great wins and extremely disappointing losses. Unfortunately, we could only manage 6 wins with 7 losses leaving us 4 wins away from playing finals cricket. With the talent in the side, playing finals cricket was definitely a realistic goal that we should have reached.

There were a number of positives to take away from the season. It was the first full year in 2nd grade for three members of the team - Andrew Jamieson, Tim Burns and Matthew Smith and each of them performed well at different points of the year.

Andrew Jamieson was our leading wicket taker with 38 wickets @ 16. At the end of the round games, Andrew was the leading wicket taker in the SCA 2nd grade completion. An awesome effort for a guy in his first year of 2nd grade.

A positive for the club was the emergence of a very talented young cricketer in Daniel Solway – who was the only 2nd grade batsmen to score a 100. His 100 against Mosman was a wonderful innings and a delight to watch. The best aspect of Daniel's batting isn't his great stroke play, but his ability to 'bat time' and not give his wicket away under any circumstances. Congratulations on a great summer, mate.

Another highlight was the progression of Jake Cormack and Ben Smith into our 1st grade team. Both players performed well and earned their promotion with their weight of runs. Tim Burns also got a taste of 1st grade during the year and I'm sure he will be back there soon.

To all the boys who played 2nd Grade this season, I thank you all for your efforts and support on and off the field. Although the results didn't go our way, we

still found a way to enjoy our cricket as well as develop friendships off the field. You are a great group of guys, who, with some hard work over the off season and the experience of this season under your belts, will be much better placed next season. I'm sure we can be successful in 2012/13.

I would like to thank the committee for all its hard work behind the scenes, which makes playing for this great club so enjoyable. I would like to particularly thank Eris and Margaret for their help on game days and all the other helpers at Bankstown Oval on Saturdays.

To the 2nd grade scorers this season and Mrs Smith, Mrs Bush and Alex Smith – a huge thank you for doing such a great job.

To the coaching staff of Gary Crowfoot, Dean Burke and Ray Hall – I thank you for your efforts throughout the season. The club's on-field performances were no reflection on the great job you three did during the year. Our training sessions were run better than I have seen in my 16 years at the club. With the attitude towards training and the culture you guys have created, I'm sure 2012/13 will be a successful one for the 'Dogs.

Finally I would like to thank Darryn Bull and Mark Grant for their efforts in managing our cricket operations. It was a great honour to captain Second Grade at such a great club.

Andrew O'Brien

Not one of his better years with the bat but still ended up our leading run scorer. That says something about the ability of the man. I've played over 15 years of cricket with Obe and he is always a pleasure to play with. Can always rely on Obe to have a good story to tell pre-game. I'm a bit worried they might dry up soon!! A great Bulldog clubman.

Jake Cormack

Young Jake really came of age this year not only with the bat but also his with his off field antics. Jake was one of the highlights in 2s this year playing only 6 games before earning his promotion to 1st grade. A classy batsman with a great future at the dogs.

Tim Burns

Had an indifferent year with the bat in 2s. Played some good innings throughout the year without really going on to score a big one. Has so much natural ability and I'm sure will score plenty of runs next season. With a bit of hard work in the off season I think Tim will find himself in 1sts sooner rather than later. Always good to have around the dressing room, especially when sitting next to Jamo.

Ryan Beavan

The king of the cross. Beavo is one of the best gloveman I have played with, a keeper who can turn a game with his work behind the stumps. Didn't have a good year with the bat but I'm sure he can turn it around next year. Great to have you back in the Kennel Ryan.

Dean Bush

Had a good year with the ball and showed us he can

play some important innings with the bat. With some hard work in the off season Dean has the ability to be a genuine all-rounder. Was always the last man standing on our nights out – you have to love that from a guy who doesn't like beer.

Andrew Jamieson

Puts his address down as Northern Beaches, originally from Tumut, resides at Homebush. In his first year in 2s and was the leading wicket taker in the competition before the finals. Swung the ball consistently and was our best bowler all year. Rates himself as a batsmen and did show some signs he could hold one throughout the year. Keep putting in and I'm sure you will find yourself in 1sts at some stage next season. Is always alert in the field and was happy to help out Deano with the seasoning of his chicken. Congratulations on a great year.

Dean Magee

Deano. Didn't have the year he would have liked with the bat but contributed in many other ways. Is a great man to have around the team and the club and his experience was invaluable. Was happy to find a winner at Randwick or Menangle for the boys and always made the dressing room a place to be enjoyed. A true Bulldog Legend and I'm sure Life membership will be knocking on his door very soon. Been an honour to play with you and I have enjoyed our time on and especially off the field. Enjoy your golf, mate.

Daniel Solway

Sheerly. Was too good for 2s playing only 5 games with us this year before forcing his way into 1sts. Has plenty of talent and loves scoring runs. His hundred

against Gordon was the best many at the ground had seen for a kid of only 16. Daniel has a great future, the chicks love him and he bats like the Don. Congratulations on a great year.

Luke Reece

The Pro. Not one of Luke's better years with the bat. Has a lot more ability than what he produced this year. With some hard work over the off season I'm sure you will be back playing the cricket next season we all know you're capable of. One of the better dancers at the club and a pleasure to play with.

Matthew Smith

Smithy played his first full year in 2s and was one of the first guys picked each week. His bowling got better with every game and is a player of the future at the 'Dogs. Keep performing like you did this season and I'm sure you will push for a spot in 1sts as your

confidence in your ability continues to grow. Great man to have around the team but is known to fly under the radar. Watch out next year mate.

Darryn Bull

The Great Man. Darryn by choice played most of the season in 3s. The games he did play in 2s he showed how good a player he is, bowling us to victory against Easts, picking up 3 points against Parra and taking a screamer of a catch to win the game against North Sydney (without any help from Deano). Always good to have around and one of the fittest players at the club!

Thanks to Joel Smith, Sam Powell, Tim Freeburn, Dean Burke, Luke Condron, Mitchell Phelps, Mitchell Baker, Bryon Hackshall, Mohammed Emran, Islam Shariful and Ben Smith who spent some time in the team during the season.

This season is best described as a rebuilding year, after losing a number of players from the previous year. With the youngest Third grade side, some very talented young cricketers were given opportunities at higher level. Coming up against experienced players seemed to prove the difference, although some outstanding performances were recorded. However, consistency was missing – reflecting where we ended on the ladder.

Round One saw us lose our first four wickets for 30 runs – unfortunately, this summed up our year, being either hit or miss – completely dominating opposition (Campbelltown 5-393dec and Sydney Uni 1-155 off 20 overs). However our batting proved far too brittle against consistent line and length bowlers and our top six were caught behind far too often. An improvement in shot selection is necessary to become more consistent – learn to let the ball go. Only one of the top six averaged over thirty: Mitch BAKER with 431 at nearly 36, including a memorable 181 against Campbelltown – sharing a 241-run second wicket stand with Mark MORLEY (92). This was definitely the highlight of our season - rolling the Ghosts for 99 with Joel SMITH taking 5 wickets.

Some good batting performances by Daniel SOLWAY saw him progress up the grades, finishing in Firsts. Daniel's approach to his batting is outstanding and the maturity and shot selection he displays is something other players should look to emulate in the coming seasons.

The bowling this season was fair - only three sides scored over 250 runs against us. Unfortunately the bowlers usually didn't have enough runs to defend. Joel SMITH toiled away, with 18 wickets @24 and Englishman Sam POWELL impressed early, taking 17 wickets @15. Spin twins Darryn BULL and Harry DEAN bowled in tandem throughout the season. Bully is a club legend and a pleasure to play with and all players look up to him. We were lucky to have him

for 10 matches where he took 21 wickets @15.67 including two five wicket hauls. Bully was a class above most 3rd grade batsman. Harry DEAN had figures that didn't reflect how he bowled – he often built up pressure for the bloke at the other end to cash in. Harry is a very talented cricketer learning its hardest art – leg spin bowling.

Our aim in lower grade cricket is progression of our younger players. Although winning matches is always the aim, giving young players the opportunity to progress is just as important. This season was an investment year, giving players exposure and the lessons learnt will hopefully go a long way to improving their cricket in future. It's been said that with the right attitude more can be learnt from losing than winning. It's a matter of our players now having that 'right' attitude.

I would like to thank all parents who helped out throughout the year, making sure we were looked after on and off the field. Tony SMITH and Mark CONDRON for scoring each week and Terry PADDISON for helping out at every opportunity whether it be organizing covers or line-marking. Noelene REECE and Mrs MORLEY for preparing the afternoon tea ready every week. I would like to thank Chairman of Selectors Dion BOURNE and roving selectors John BULL and Phil KELLY for all their assistance, guidance and direction. To the other captains, I think we worked well as a team and would like to thank everyone. Special mention to James

ALLSOPP for his input throughout the year – Prince's ideas on the direction of the club and his passion for the mighty 'Dogs is an inspiration.

To the cricket committee for giving me an opportunity to fulfill a childhood dream of captaining a Bulldogs cricket team, Thank you! It was an honour to lead such a fine group of people and represent such a proud club. To Eris DIGNAM thanks for all your help throughout the year with everything, you and Margaret do so much for the club and we would be lost without the two of you. Mick STEPHENSON 'Stench' thanks for our weekly chats after each match, you really do epitomise what it means to be a Bulldog and are a club treasure. To the training staff Crowie, Deano and Hally thanks for your efforts throughout the year at training. I look forward to exciting times ahead with the new indoor facility.

Let's learn from this season and strive better ourselves through hard work and application. In the wise words of club great Stephen Rodger WAUGH "Don't make excuses, look for the real answers". Be true to yourselves, enjoy the off season and I look forward to seeing you all in the pre-season.

Mitch BAKER – 'BAKES' was in 3rds in round 3 against Campbelltown, opening the batting and scoring 181 in a majestic display of batting. Following that remarkable innings 'BAKES' got a number of starts getting to 20 or 30 making it look easy before departing without capitalising, except in round 13 when he went on to 89 against Fairfield, earning him a promotion to 2nd Grade. 'BAKES' scores at a run a ball in most innings and is a very instinctive batsman, if it's there he hits it and it stay's hit. 'BAKES' was our highest run scorer with the best average – his dedication to training and commitment to the club are outstanding qualities and he was a great help. I look forward to Mitch cementing a spot in 2nd grade.

Mark MORLEY – Mark came to 3rds in round 3 on the back of a couple of good scores in 4ths and then scored 92 against Campbelltown sharing in the 241-

run 2nd wicket partnership with Mitch. Mark is a hard-hitting batsman with amazing ability. Mark scored 346 runs @26.6 and his innings of 64n.o off about 30 balls against Sydney Uni had to be seen to be believed. A great team player with a terrific attitude, Mark trains harder than anyone and shows promise with his swing bowling. Mark also puts a lot back into the club with his commitment to the Green Shield team. With an off-season in England, I look forward to seeing Mark succeed further in coming seasons.

Michael CHALLITA – Mick is a hard-hitting batsman with raw potential. Round 1 saw Mick score 52 against Randwick in what was a very mature display of batting whilst wickets were falling all around him. With 50s in round 8 and 10, Mick showed what he is capable of doing to opposition bowling. Mick's approach to his batting at the start of the season was very organised, his approach towards his batting at the end was not. Mick needs to go back to basics, show more patience at the crease and work hard when out of form. The best way of doing this is to spend time at the crease. Mick has the talent to play higher grades if he can show a better mental approach to the game. Make next season is a big one, Mick!

Daniel SOLWAY – Sols played 7 matches in 3rds. A player who possesses all the right qualities for a cricketer – a very organised player with fantastic shot selection, discipline and just a willingness to spend time at the crease. Sols is always 'hungry' for runs and strives to be the best he can be. He matured as a cricketer this year and was very rewarded by finishing in 1sts. His successful campaign for NSW under 17s in Tasmania saw him do himself and his club proud. Well done, mate, keep aiming higher and higher, all the best.

Sam REECE – Reecey started the season as a batsman, after giving up the gloves to concentrate on batting, although he struggled for runs early on. He returned to 4ths – averaging over forty – earning his return to 3rds in round 10 as our keeper/batsman. Reecey made a few starts and looked good at times

only to bow out just as his innings looked like getting started. Reecey has the ability to dominate attacks but, like so many of our batsmen, lacks patience at the crease and tends to chase after the wide ones - often ending in his demise. If Reecey can learn to let the ball go and not try and put bat on ball at every opportunity, he could progress rapidly as he is a very talented cricketer.

Harry DEAN – I can say that Harry is without doubt one of the most talented leg-spinners in his age group around Sydney. Harry can also hold a bat and could continue to develop into a genuine all-rounder. A hard trainer who never misses a session he is a whole-hearted cricketer. This season saw Harry take 13 wickets at an average just under forty. Statistics however don't always paint an accurate picture. Throughout the year Harry bowled several spells where batsman couldn't hit him, often building pressure for the bowler up the other end to reap the rewards. His spell against Northern Districts summed this up – he bowled 23 overs at 1-46 including 11 maidens, assisting Bully up the other end to take 6 wickets. Harry's 44n.o. against NDs in round 2 was a most impressive innings and gave us a chance of victory. Keep working on your batting as you have the talent to succeed as a genuine all-rounder.

Sam POWELL - A great addition, Sam was the backbone of our bowling attack in the first half of the season taking two 4-wicket hauls against Randwick and Campbelltown. Sam also showed his class with the bat against Penrith with a fighting 71. These performances earned Sam a promotion to 2nd Grade. Sam saw out the latter part of the year in 4ths, dominating with bat and ball in an attempt to assist 4ths towards the finals. An excellent team man and spirited cricketer, Sam will play higher grade cricket if he trains more consistently.

Ashley PADDISON – Paddo has been in 3rds for a couple of seasons, and dropped himself down to bat in the middle. A talented cricket with bat and ball and exceptional in the field, this season was very disappointing for Paddo – averaging 11 from 11 innings. Paddo was another of our batsman who went 'fishing' outside his off stump far too often getting a knick behind. A talented leg-spinner Paddo got limited opportunities – his 5-28 against Easts was outstanding. A good clubman who always puts his team first, it was a pleasure to have you in the team, mate.

Darryn BULL – As a young kid watching from the sideline, I remembered Bully winning a third grade premiership with my dad as captain – me captaining and playing alongside him was an honour. A true competitor, he was an inspiration to the other members of the team. In only 10 games, he was able to capture the bowling honours with 21 wickets @ 15.6. Bully played some memorable innings with the bat – including getting us over the line against Uni of NSW. A true legend of the club, thanks for your friendship and guidance throughout the season.

Labib MAHMUD – A gentleman, Bibby always had a smile on his face and was great to have around the team. He started strongly scoring 69 against Randy-Petes. He followed this up with a string of failures often playing loose shots at times where we really needed time spent at the crease. Be true to yourself mate and let the bat do the talking. His keeping was at times brilliant during the first half of the season. To progress Labib needs to score runs more consistently and show better application at the crease. Hope to see you back this coming season, raring to go!

Joel SMITH – Joel has a heart as big as Phar Lap! Joel shows outstanding qualities not only as a cricketer but as a person. No one gave more than Joel throughout the year – no matter what the situation. Joel bowled some fiery spells at times throughout the season with none better than his 5-27 against Campbelltown in round 3. Joel often took an early wicket getting the break through with his outswingers. When Joel can get the right shape on the ball he can really be a class above third grade. Joel's development with the bat was a highlight of the season holding the highest batting average up until round 13. Joel's innings of 24n.o. against Hawkesbury out of a total of 110 was outstanding and embarrassed our top order bats. A player who possesses true Bulldog qualities and a pleasure to play with.

Ethan LETEN – A young opening batsman with a ton of ability with the bat, ball or in the field. After starting the season with such promise, Ethan returned to 3rds in rounds 10, 11 and 12 where he showed promise making some starts. Ethan then selflessly returned to 4ths to assist in their finals campaign, playing a number of dominating innings. After such a successful previous season, this was always going to be a difficult season to emulate the heights of the previous year. However, Ethan will get opportunities to progress with the abundance of talent he possesses, in the coming season. A great team player with a big future!

Luke CONDRON – Luke played 6 games for us this season and is a very talented all-rounder and one of the best fielders in the club. Luke showed glimpses of what he is capable with the ball this year with 3-20 in round 11 against Hawkesbury. Luke didn't really get going with the bat in 3s. Luke's potential has been identified and saw him promoted to 2nd grade towards the end of the season. If Luke can maintain his composure mentally whilst out on the cricket field there will be no stopping him. This needs to be rectified before he can fulfill his potential. A great team player and terrific young man who will be looking for a big season ahead, just don't put too much pressure on yourself.

Liam DAVIDSON – Davo was given an early opportunity to impress at the beginning of the year and showed glimpses of what he was capable. DAVO was in and out of the side for the first few rounds as he didn't really take the opportunity. However, to his credit, he returned to 3s and opened the bowling in the last 4 rounds where he bowled outstanding,

often without luck. His spells of 4-18 against Fairfield in round 13 and 3-19 against Blacktown in round 16 saw him end the season in fine fashion. DAVO matured as a cricketer during the season and this will hold him in good stead for coming seasons for the young quick. Keep applying yourself at training, work on your fitness and just let it rip mate.

Peter YANNOPOULOUS - Young Peter is a batsman to look out for, showing everyone some very impressive stroke play in the final two rounds - scoring 38 and 40 respectively. During both these knocks he had wickets falling all around him yet he maintained his composure and executed his shots perfectly - including square drives and cover drives for six. A player to watch out for no doubt. Big year in 2012-13 mate. P.S. You have to talk more this coming year!

I would also like to thank the following players who played third grade at various times throughout the year, Tim BURNS, Dean BUSH, Mohammad EMRAN, Shoheil KHAN and Geoff ROBSON.

First of all I'd like to congratulate Chris Mac Namara and his Sutherland side for taking out the Reid Cup this season. Season 2011/12 will be remembered as one of missed opportunities, with the start of the season providing much promise, with a really strong squad, full of potential, and a couple of really tough, fighting wins in the first three rounds. Unfortunately from there on in things fell away and of our five losses this year, four of them came against sides that finished lower than us on the points table.

Our full potential was shown through our ability to defeat teams higher than us on the table, including the eventual Minor Premiers Sydney Uni.

As a club and a selection group, we all knew that after losing some 20+ players in the off season for various reasons, that season 2011/12 was going to be one of player development, with some players given an opportunity in a grade higher than they may have expected to be playing. It was a really pleasing that every player who was given this opportunity took it with both hands and put the work in, which is only going to improve each individual and the club as a whole in future.

We had 26 players play 4th grade this season, with 11 players providing performances that earned themselves spots in higher grades at various stages throughout the season.

In the batting department, we had just one century and that went to Matt Clifton. Matt's innings against Campbelltown in round 3 was a testament to his hard work and high level of concentration and the high value he places on his wicket. His innings helped steer us from 2/17 into a winning position.

Special mention must also go to Mark Grant for his innings vs Gordon in round 12. Mark came in at 3/22, and batted for 326 minutes to register 86no to help save the match. Everyone who was a part of that match really learnt something that day.

From the bowling point of view, we came into this season with probably one of the most inexperienced attacks in 4th grade, with all players having played less than 20 games of grade cricket. You wouldn't have thought this was the case with the performances produced.

Our pace attack was led by Ayden Brown, Liam Davidson, Rhys Williams, Luke Condron, and towards the back end of the season, Sam Powell. One of the really pleasing things was that these young bowlers really matured as the season progressed. They learned that bowling to a plan and building pressure created wickets and that you didn't have to bowl a 'wicket ball' every ball.

From the spin point of view, we were extremely lucky to have Geoff Robson and Tyson Sims in our side. Being able to fit an off-spinner and a leg-spinner into the 4th grade side week in, week out was an absolute luxury from my point of view, with both performing to their potential taking 20+ wickets each.

Grade cricket doesn't survive without volunteers and we are blessed with a massive number who are always on hand to help out. From the 4th grade side, I'd like to thank all the parents who turned up and helped out. Little things like putting up the sight screens at Grahame Thomas, taking the covers off, scoring and preparing drinks make our job as players and mine as captain so much easier. So a very big thank you to all.

I'd also like to thank all my fellow selectors for their support throughout the year, and the Management committee and Cricket committee for their ongoing support, and doing all the behind the scenes work that often goes unnoticed.

Special mention must go to Eris Dignam. His tireless work characterises the heart and soul of this club. Always the first there and always the last to leave. Eris's work in organising training, especially when the inclement weather intervene and making sure all the grounds are ready on a Saturday morning is fantastic. Eris you truly are a legend and I am very grateful and thankful for all the support you have given me this season.

I'd also like to thank the coaching staff for their efforts. It was really pleasing to see Crowie come on board full-time this year and I think everyone will have benefited from his experience, words of wisdom and intensity at training, something that I hope can continue in years to come. Also to Dean Burke, Ray Hall, John Bull and Phil Kelly, thank you very much for your help in all areas this year.

In closing, I think as a club we should all be really excited about next season. We've unearthed some real talent throughout the grades and we should be stronger for it next season. Up the Dogs!

Ayden Brown

What an entry into grade cricket for 'Charlie'. Having only played a handful of 6th grade matches in the previous season, Ayden was given an opportunity to start the year in 4s and took it with both hands. Ayden would probably say he didn't get the amount of wickets he wanted, but when you factor in missing

4 games with injury, and not being at 100% for most of the season, 14 wickets at 24 is a really positive return. Being named in the Cricket NSW U/17s Academy squad is a deserved reward for all the hard work put in.

Matthew Clifton

Another solid year from Cliff. Matt has this really refreshing ability to be able to bat for long periods of time and put a high price on his wicket. This was evident in his 114 vs Campbelltown where Matt batted for nearly 5 hours. If 4th grade weren't in a position to make the finals in the last few rounds, Matt would have finished the season in 3s, because of his consistent performances. Matt's all-round fielding ability was a real asset for us this year, with him enjoying a new found role at short-leg.

Luke Condron

In the 8 games Condo played for us this year, he produced 153 runs at 30 and 9 wickets at 22, and well and truly earned his spot in 3s, then eventually 2s. Luke was a real asset for us while we could hold onto him because of his all-round ability to bat in the top 7 and bowl first change. Showed experience and courage above his years in Round 2 when we needed 20 to win with one wicket in hand. Luke and Brown edged the score up to needing 4 to win. In his true style, Luke ran down the wicket, backed away and hit the opening bowler over cover, half volley into the fence the get us the points. Well done on a successful year for you, mate!

Liam Davidson

Probably a bit of a frustrating year for Davo. Always

seemed to be just missing the edge or balls going just wide of the fielders all year. Still in saying that, Liam managed to pick up 13 wickets at 19, at a strike rate of just 26, which is incredible. It was really pleasing to see Davo get an opportunity in 3s at the end of the year and take the opportunity with 4 wickets in one match. Just need to harness the raw pace and ability to swing the ball a long way, and there are big bags of wickets on the way for you.

Mark Grant

What can I say that hasn't been said before? The man is a freak. Once again Plant churned out the runs this season, finishing as the leading run-scorer with 270 runs at 54. Incredibly, but not surprisingly, Plant was not out in six of his 11 innings. The discipline he showed throughout the year is something that all young players making their way into grade cricket should take note of and aspire to, as he has a simple formula. Get yourself in, leave the good ones, hit the bad ones. Makes it sound so easy, doesn't he! Mark's assistance to me on and off the field was second-to-none and it was a real pleasure to spend my Saturdays with you. Hopefully we'll be seeing you go around again next year!

Ethan Leten

Bit of a lean year from Ethan's high personal standards this year, but there were certainly glimpses of his genuine talent. This was particularly evident against Penrith in round 6. Eth scored 69 off 40 balls, seemingly without getting out of first gear. Just needs to get a little more selfish with his batting and once he gets a start, really needs to go on with it. Eth would want me to mention his sneaky 3/19 vs Syd Uni, as in

my opinion, with more work, he could become a very accomplished all-rounder.

Labib Mahmud

A frustrating year for Labib, especially with the bat. Labib came back to us in the back end of the year, and made some positive progress with his batting, especially in his innings of 48 vs Gordon. This day he put away the flashy strokes he is well-known for and batted with real discipline and focus, which I have not seen before from him. Unfortunately it seemed that external factors prevented Labib from training as much as he would have wanted. Improvement in that area will most certainly see you go back up the grades.

Ashley Paddison

Paddo had a bit of an up and down year to begin with, but found his feet midway through the season and it was pleasing to see him finish off the year in 3s. Ash played 2 really crucial innings in a row for us, steering us home vs Penrith and Sydney Uni. It was in these innings he showed his class as a batsman that deserved to play higher grades. It was also really pleasing to see Ash get the bowling part of his game back together with the opportunities he was presented.

Sam Powell

Sam came back to us from higher grades at the back end of the season to assist us in our push for a finals campaign and made an immediate impact. In just four games, Sam managed to pick up 12 wickets at 17, including 5/87 vs Gordon. Sam's match of 4/35 and a hard hitting 51, including eight 4s and two 6s showed his true all-round ability and class as a higher grade player. A real pleasure to have around.

Sam Reece

Egg came back to us midway through the year after a lean start to the year in 3s. Sam though showed his class, and earned his spot back after just five innings. This was a result of consistent scores, including an amazing 80no vs North Sydney in the 20/20. This innings was off just 61 balls and he looked like a higher-grade batsman. Just keep working hard mate, and the results will keep coming.

Geoff Robson

Another great year with the ball for Robbo. Following on from a great year in 2010/11, Geoff came on in leaps and bounds with the ball this year – as a result of consistent wicket-taking, earned him a few games in 3s. Geoff's real weapon is his consistency with line and length and ability to build pressure. This resulted in him taking 26 wickets at 14.2, at just 2.9 runs per over. Geoff also took his first five-wicket haul for the

club in round three vs Campbelltown. Unfortunately, Geoff's batting didn't produce the results that he would have liked, but with continued hard work, this will come mate!

Tyson Sims

A real breakthrough year for Simsy. At such a young age, Tyson shows great control and confidence in his abilities. This showed in his return of 23 wickets at 20.6. This included an amazing spell of 5/22 vs Northern Districts. I think Tyson definitely deserves to be happy with his season and I'm looking forward to him moving up the grades next season.

Rhys Williams

Rhys's return of 7 wickets at 47.9 certainly does not reflect how well he actually bowled this year. At times throughout the year, Rhys struggled to find the right line and length, but often when he did, his deliveries were much too good for 4th grade batsmen to get

anywhere near! Rhys would agree that his bowling performance vs Wests was one of his better ones based on the consistency and aggression he bowled with and to be honest, it was one of the best spells I have seen in lower grade cricket. Keeping working hard mate, because with your natural abilities, higher honours are just around the corner.

Steve Wise

Could I say I've saved the best till last? Wisey was without a doubt the heart and soul of our side this year. His fierce competitiveness and will to win was amazing to be a part of and his passion rubbed off on everyone else. Unfortunately Steve didn't get the results he would have liked with the bat this year.

His gritty innings vs Fairfield and Easts, and his run a ball innings in the 20/20 vs Parramatta showed his experience and abilities in their true colour. Always handy with the ball with his 'offies', which not only had the opposition perplexed, but had some umpires thinking he was spinning them the other way! Those who played in the match vs Fairfield will certainly remember his diving catch at 3rd slip!

I'd also like to thank the following players for their valuable contributions to 4th grade this year... Mitch Baker, Jehan Bilimoria, Pat Henry, Shohel Khan, Damien Loy, Matt Lozinski, Mark Morley, Anthony Nixon, Brad Roworth, Brendan White and Peter Yannopoulos.

Congratulations to Gordon on winning the David Sherwood Cup for season 2011/12. First and foremost, I would like to thank the Bankstown District Cricket Club committee, fellow captains and selectors for the support and guidance I received this season. Personally, I would like to thank the whole club, players, supporters and volunteers as I went through a difficult time early in the season, after the loss of my father, John. Thank you all, again.

During the season, 25 players were involved in the Fifth Grade side. Some old faces popped up for a couple of games and some fresh new talent emerged. After finishing mid-table, I would say that this season was a rebuilding year for the fifth grade side and we will all be better for the run coming in to season 2012/13.

Some highlights of the season were:

- Anthony Nixon scored 100 early in the season and continued to improve as the year went on;
- Danny Moy came back to the club late in the season to take over keeping duties and then smashed 117 as he passed a personal milestone for the club in scoring over 5000 runs;

- Peter Yannopoulos was again outstanding with the bat. He scored 289 runs at 36.13 to top the batting aggregate;

- Shohel Khan was main wicket-taker with 22 wickets. His best bowling for the season was 5/69;

- Pat Henry was close behind Shohel with 20 wickets and Pat also took two five wicket hauls – with his best being 6/26; and

- Skipper Mat Doab also took a five wicket haul with his best bowling of 5/32.

The team was well supported by all the parents and families of all players. To the dads that scored this year, thank you again. To the wives, girlfriends and mothers of all players, thank you for the afternoon

teas. Without volunteers, Bankstown Cricket Club wouldn't function. Thanks to all the volunteers who helped with covers and sight screens and organising drinks and whatever else we needed. Thank you to Warwick Starr and his team for preparing Grahame Thomas Oval. Thank you for the support the club has provided Fifth Grade this year. I am sure that with the experience the players have received, 2012/13 looks like being a great year. Good luck to everyone in the upcoming season.

Geoff Spotswood

Geoff Spotswood was again a great help to the young players in the side. All the players look up to him. Geoff was also a great mentor for me as captain. Not a game goes by when I don't learn something new from "Spotty". Geoff won our side a few games this year with his contributions with both bat and ball. Congratulations on 40 years in Sydney Grade Cricket. Hopefully we will see you wearing the baggy blue again soon.

Peter Yannopoulos

"Yappa" again showed his all-round value. Peter was our leading run-scorer and filled in as wicket keeper. Peter was rewarded with promotion to higher grades later in the year and I am sure that's where he will be in future years.

Pat Henry

Pat was a pleasure to captain again this season. I could throw him the ball and he would bowl all day for me. His ability to bowl the same line and length had all opponents rattled and this was proven with both a six-wicket and a five-wicket haul during the season.

Matthew Lozinski

Matt was in 5th grade for the majority of the season. Matt held a few batting spots for us over the year

but when moved to the top order his technique was sound and looked comfortable against the new ball. Scoring 230 runs for the year, I'm sure "Loz" will look to build on that next year.

Anthony Nixon

Anthony was new to Bankstown this season. He took the opportunity of opening the batting with two hands and was impressive with an early season hundred. With continued work, "Nix" will score plenty of runs in the coming seasons.

Jake Grove

Jake was also a new player to Bankstown playing Green Shield and 5th grade. "Grover" opened the batting for most of the year, and with every game he grew more confident – and his batting improved with hard work. Jake scored two half centuries during the year and I've no doubt that by continuing to work hard on his game, he will start converting them into hundreds.

Danny Moy

Danny Moy came back to the club for a four-game stint late in the season. We were in need of a 'keeper and when asked, "The Rice Bubble" excelled with the gloves. Our overall fielding lifted with Dan as our main wicket keeper. The St George Captain told me after the game that we were close to the best fielding side he had played all year. No doubt this was down to Danny. Thanks again for filling in and hopefully next season we see you around the club more often.

Jehan Billimoria

Jehan was a new member to Bankstown Cricket this season and opened the bowling for us. "The Ox" has a heart the size of Phar Lap, and would run in all day if he could. Billy bowled some brilliant spells,

and at times was unlucky not to get more wickets. With continued effort in the off-season, Jehan will be a valuable member of Bankstown's bowling stocks.

Damien Loy

"Damo" was another new player to grade cricket this season after captaining the AW Green Shield side. Damien has a great cricketing brain, as well as all-round potential on the field. Damien will surely fit in well next season as a batsman and very handy off-spin bowler.

Alain Pottier

Alain played the majority of the year in 5th grade and bowled well in all his games. "Sidney's" slow leg-spin proved hard to get away, and the control he showed rewarded him with a number of wickets. Alain is a great trainer and works hard on all aspects of his game.

Shohel Khan

Shohel was another of the new blood to come to

Bankstown this year. With his ability to move the ball both ways, Shohel had plenty of batsmen in trouble all year. This was proven in the statistics as he claimed over 25 wickets in the grades he played. With more training, "Shazeel" will continue to improve.

James Leedow

James is another young pup who is coming along nicely with the Bulldogs. "Jimmy" is a very handy leg spin bowler and lower order batsmen. At times Jim bowled really well without getting the wickets he deserved. With a positive outlook towards his game, I'm sure Jimmy can be a very solid grade player.

I would also like to thank the following players for their contribution this season: David Allsopp, Jarrad Woods, Matthew Clifton, Jo'el Azar, Daniel Hayes, Liam Davidson, Joshua Quin, Rhys Williams and Tremayne Turner.

aw green
shield

With the previous two Green Shield sides winning the competition, this year's team had an opportunity to create history being the first Bankstown side to do the "three peat". With early signs looking promising with 2 wins and a washout prior to Christmas, this young team was well on its way to successfully defending the title. But, some tough games after the break and a little too much Xmas pud, saw the boys finish in 13th position with 3 wins, 3 losses and a draw.

Special thanks needs to go to coaches Ray Hall & Mark Morley for their tireless efforts in preparing the team. Ray, as usual, never missed an opportunity to run a training session, and was ably assisted by Mark. Their job was made all the more difficult, as with an eye to the future, this squad was larger and younger

than previous seasons – the lessons the players learnt from the coaches will hold them in good stead for the future.

As always with Green Shield, the parents play a major role in the success of the team, and this year's crew were fantastic making sure the boys were at training and games on time, the running of the covers on game day and some afternoon teas that will go down in Bankstown Cricket folklore. Special thanks to Michael Grove and Warren Loy for putting their hands up to score the games, and even having the courage to try their hands at computer scoring – which I'm sure they'll agree, once the fear of making an error was overcome, is so much easier than the book.

Damien Loy – Captain

Damien's naming as captain came as a surprise to some people, but he repaid Ray's confidence in him, not only by captaining the team on the field with aplomb, but also in his own personal performances – Damien finished the series as leading run-scorer and wicket taker. His demeanour on and off the field saw him rise through the grade ranks to play a 4th Grade game and be named vice-captain of the Green Shield 2nd XI Merit team.

Matthew Lozinski – Vice-captain

This was Matthew's fourth season in Green Shield squad, but his first real opportunity to play a starring role. Matthew's series started with a bang – scoring a brilliant 103 when opening the batting in round 1. Unfortunately for Matthew, he didn't build on his great starts and really go on with it and show the ability he possesses, but used his experience to benefit the team in his role as vice-captain.

Ayden Brown – Vice-captain

Unfortunately for the both the team and Ayden, Ayden suffered from injury throughout the entire series. In the few opportunities he did get, he showed what a vital part of the squad he was, with both bat and ball. When he did bowl, he was too quick for the opposition and he showed in his innings of 42 against Sydney that he had the power to punish attacks.

Jo'el Azar

Jo'el showed all-round abilities to be a promising player for the Dogs in the future. His 55 in round 1 was a great mix of power and finesse, and his bowling will only improve with more work. Jo'el's attitude exemplifies what the club is about with his never-say-die attitude. We look forward seeing him in the club colours for many years to come.

Nathan Austin

Nathan came to club this year and immediately showed a great work ethic and a willingness to learn. His bowling improved greatly during training and was rewarded with the new ball responsibility. With his ability to control and swing the ball, Nathan was unplayable in most of his early spells. With some more hard work, he can definitely be a player of the future.

Steven Christodoulos

Steven is one of the younger players selected with an eye to the future. Being able to play next year, the experience Steven gained through training and playing in the limited games he was available for, will hold him in good stead for the future. Steven showed he has the technique to be a very capable batsman with continued hard work on his game.

Jake Grove

Jake set himself the goal of playing Greenies very early in the off-season and was rewarded for his hard work with his selection in both Grade & Green Shield teams. Jake will attest to not having the greatest series, but with his attitude to hard work and his willingness to learn, the best of "Grover" is yet to come.

Daniel Hayes

Daniel was another selected on the promise he shows for the future – with him still being eligible for two more years. Daniel has a great technique and it showed in his innings of 32no against the eventual

Green Shield winners St George. Daniel has the tenacity and temperament to succeed. With the right attitude and continued hard work, Daniel is a definite player to watch in the future.

Nathan Henderson

Nathan came into Green Shield as a player to watch and at times showed his all-round ability. Nathan struggled with his own consistency and the demands of playing at this level. His match-turning 5-for against Sutherland showed that when he put his mind to the task at hand, he has more than enough ability to be competitive at the highest level.

Matthew Hudson

Matthew showed his class in a match-winning 53no against Wests in round 2, but struggled with his consistency after that. Matthew will definitely benefit from the experience he gained this season, and will play a prominent role in next year's campaign. A very classy batsman who is also a much-underestimated medium pace bowler.

Josh Institoris

Another of "Hally's pups" who has benefitted from this year's experience. Josh's attitude around the team was fantastic considering he had limited opportunity this season. But, he has the confidence and work ethic to continue to improve his game and play a major role next series. Josh's hard hitting 13no in round 1 showed he is very capable of competing at this level.

Alexander Kouventaris

Alexander is technically a very good batsman, but unfortunately was unlucky not to capitalise on some solid starts. His versatility allowed him to be used throughout the batting order depending on the game situation, and is another player who has benefitted from playing at this level.

Joshua Quin

Josh had the difficult role of being the team's only wicketkeeper, coupled with being our opening batsman. Josh is a very talented cricketer and showed with the bat some devastating timing, in getting the side away to good starts. His glove work was also at times, very good – his 5 dismissals against Sutherland being the highlight.

Luke Slatter

Luke is a very promising leg spinner who showed in the limited opportunities he had that he will benefit from the experience received this year, for an all-out assault next year. Luke is a big spinner of the ball and has a very good work ethic. With some work on his variation, he will be a match-turner next year.

Shivaangar Thushyanthan

Shiv came to the Dogs this year and proved a more-than-handy left arm medium pace bowler. Shiv moved the ball around off the deck and proved unplayable at times. A good team man, he was always chatting away to someone about something. Having the furthest to come for training and matches – often by public transport – is a testament to him, his willingness to play and commitment to the team.

recording our club history

With the cooperation of Maurie Lilienthal, Mick Stephenson and Dion Bourne and using the computer and graphic design talents of David Clifton we have been able to collect, copy and bind every annual report of our cricket club since its inauguration in 1951. Mick Stephenson has recently finished writing the next ten years' worth of his fabulous club history "Bankstown Cricket Club 50 Not Out" and this updated version will be published soon. Every premiership-winning team photo is now hanging in the bandroom and together with these bound volumes, means our club history is safe for future generations.

All past and present members are welcome to peruse and use the bound copies of the annual reports.

The PG side finished ninth, one win out of the finals. Finishing ninth isn't a great result for a team of very talented young cricketers who played some fantastic cricket throughout the season. The squad, on a whole, produced a much improved performance from 2010/11 season, individually and as a team. Two players – Daniel Solway and Tim Burns – scored hundreds, five totalled 130 or more and 3 players averaged over 35 with the bat. The bowlers bowled well as a group with five players taking 6 wickets or more.

To Tim Burns who hangs up his PG boots I congratulate you on going out with a bang. Tim was our top scorer scoring 287 runs @ 48 with one 100 and two 50s.

With only one player unable to play next season I'm sure the PGs squad will be back bigger and better than ever. With some hard work I'm sure this squad can win the Poidevin Gray Shield next season.

I would like to thank all the parents who helped out throughout the year with special mention to our scorers Errol Sams and Mark Condron.

Tim Burns

Tim had a great year - he was our most consistent performer and our leading run scorer with 287 runs scoring two 50s and one 100. Tim has a great array of strokes and this season showed us all he can concentrate and score big runs. An excellent team man who has a big future at the club. Congratulations on a great year.

Daniel Sams

Had a good year with the bat scoring 197 runs @ 40, Daniel led the attack well and at times bowled without luck. The best fielder at the club whether it is in the slips cordon or in the outfield. Looking forward to an even bigger year next year Daniel.

Daniel Solway

Daniel missed 3 games due to NSW 17 rep duties and still managed to score 176 runs @ 58. An extremely talented player who has a great array of shots and loves to bat all day. Keep training hard and I'm sure you will have a big future in the game.

Jake Cormack

The Rooster had a solid year without scoring a big one. Another talented cricketer with a bright future. Should be looking to dominate PGs next season. Fancies himself as a fast/medium bowler who swings it both ways. Keep working hard on your batting Rooster.

Ben Smith

Captained the side well all year. A talented player who wouldn't be happy with his batting stats this season. Ben has all the shots, and like the Rooster, should be looking to dominate PGs next season.

Mitchell Phelps

Shaggy. A solid year with the ball without taking a bag full. Showed the top six how to bat against Manly scoring a punishing 51 not out. Keep working on your batting mate and I'm sure you can become an all-rounder if you want it enough. A great team man in the mould of his father!

Dean Bush

Our leading wicket taker who swung the ball consistently. Showed us how far he can hit the ball against Wests hitting their opening bowler out of the ground with consecutive balls. A great guy to have in any team.

Michael Challita

One of the youngest members of the squad who had limited opportunities to shine this season. Michael is an extremely aggressive batsman who hits the ball hard he batted unselfishly for the team in every innings this season. I'm sure you will get more opportunities next season and we can see what you can really do.

Luke Condron

A young all-rounder just out of Green Shield. Luke played five games this season and in every game stood up to whatever challenge was thrown in front of him. Keep working hard on you're batting mate and set yourself a goal to bat in the top six of whatever team your in. Well played - you're good enough if you train hard enough.

Sam Reece

Had limited opportunities this season. A talented wicket keeper-batsman who has all the shots. With more concentration with the bat, who knows how good he could be? Expect a big year from Sam next season.

Mark Morley

Another wicket keeper batsman who plays all the shots. Mark had limited opportunities with the bat this season. A player with a full array of shots, Mark's keeping was excellent both standing back and especially at the stumps to the quicks.

Ashley Paddison

Ashley is a talented top order batsman who bowls very handy leggies. Limited opportunities this season but is a player to watch next season.

Harry Dean

A young leggie just out of Green Shield. Was our third leading wicket taker at the age of 17. Bowled very well in both one day and 20/20 forms of the game. Is a handy lower order bat who never gives his wicket away.

Matthew Smith

One of the senior members of the team. Matthew's bowling was outstanding. He bowled with great flight at times and also contained the opposition's top batsmen, often taking the important wickets. A great out-fielder with a big future at the club.

women's
cricket

The 2011-12 season was once again very successful. The club fielded teams in each of the 4 grades within the Sydney Women's Cricket Association competition. The club again won the 1st grade premierships in both the Limited Overs (50 overs) and Twenty20 (20 overs) competitions. This is the fifth consecutive season that the club has won the 1st grade 50 overs premiership & the Twenty20 competition win was back-to-back premierships – an outstanding result for the club.

In addition, 2nd grade also made the finals in the Twenty20 competition for the fourth consecutive season only to see the finals series washed out and with it their chances of taking out the premiership. Although 3rd grade and Brewer Shield (Under 17) both finished out of the finals, they finished the season strongly which should be a good indicator for next season.

Another highlight was that Sharon Millanta retained her place in the Australian "Southern Stars" Squad

throughout this season & into next season. Other individual highlights included Sarah Aley winning this season's 1st grade Player of the Year award across all Sydney clubs – this is the first time a player from our club has won this award for 10 years. Rhiannon Dick had an outstanding 1st grade 50 overs finals series culminating in her being awarded the medal as the Player of the Match in the 1st grade 50 overs grand final.

The club held its end of season Presentation Night at

the Bankstown Sports Club on May 26 with almost 100 players, parents & supporters attending. This season the club presented the inaugural Club Wicketkeeping Award which was kindly donated by Megan Wilson. Individual and team performances were recognised and celebrated. The major award winners included:

Once again this season our club has been very fortunate to have a great group of volunteers (including from the Bankstown Men's Cricket Club) who have enabled the season to run very smoothly

from a club administration perspective. This has again enabled the players to focus on playing their cricket to the best of their ability. Management Committee members included:

President:	Robert Smith
Registrations:	Hala Trad
Vice-President:	Gary Penman
Publicity & Website:	Kerrie Dick
Secretary:	Justin Newman
Junior Development:	Sean Devlin
Treasurer:	Eris Dignam
Club Coach:	Byron Hackshall
Committee members:	Marty Klumpp, Max McLeay, Sharon Millanta, Belinda Allard
Cricket Operations Committee members:	Gary Penman (Chair),

Max McLeay, Sean Devlin,
Laura Wright

The club has also benefitted greatly from the local media coverage as a result of the hard work done by Kerrie Dick. All Team managers & Committee members have all contributed to the clubs operations.

The club was once again honoured to see Dot & Bob Brewer at most of its home games – their ongoing support of the club is appreciated by players and supporters.

Finally, the club once again acknowledges the ongoing support Bankstown Sports Club provides to our club. In particular, the club acknowledges the support of Beverley and Richard Phillips continue to provide to our club.

spotty
40 n.o.

This 2011/12 season marked a rare milestone in the remarkable career of Geoff Spotswood – forty continuous years of Sydney grade cricket.

Spotty, as he is affectionally known throughout the entire cricket community, commenced his love affair with grade cricket with Western Suburbs in 1972/73 and transferred to his beloved Bulldogs in 1977/78 where he has played ever since bar a couple of seasons in the 90s when he undertook some coaching responsibilities at Hawkesbury.

His many achievements on the field for the Bulldogs include:

- 9431 runs in all grades, the second highest in the club's history;
- 426 wickets in all grades from a mammoth 4256 overs.
- Has captained teams in all grades except 1st grade in over 65% of the matches in which he has played.
- Won the Bankstown Sports Player of the Year on two occasions.

Geoff has not just been a contributor on the field, always doing some heavy lifting to ensure the club is successful and an enjoyable place to be part of.

In 1979/80 and 1980/81 he managed the A.W.Green Shield team that included Stephen and Mark Waugh and David Freedman and who were probably the first of hundreds of club youngsters who have benefited from his mentoring and learnt to understand the difference between participation and performance based cricket.

Geoff has been the innovator of many activities within the club, undertaken many coaching roles, both official and unofficial, served on the committee and as chairman of selectors and was afforded the honour of being elected a life member in 2007 for his service to the club.

Spotty is also only one of three people who have played both first grade rugby league for Canterbury-Bankstown as well as first grade cricket for Bankstown. Our barnstorming front-rower shares this achievement with Dick McDermott and the famous Kangaroo fullback Les Johns.

Marty Klumpp's words in a previous annual report are fitting: "Geoff demands maximum effort and commitment from his players and they invariably respond to his style. Spotty also makes a big contribution both through his work on the committee and what he does for schools cricket in NSW. Well done Geoff, don't ever stop speaking your mind and keeping us all honest."

In an era when cricket at all levels suffers from the lack of mentors, we salute Geoff for his contribution to our club and game and hope he has many more seasons left in him.

honour board and statistics update

Highlights from this season's performances include...

MARK GRANT

Mark continues to be the leading run scorer in all grades with his record moving onto 9799 and will surely reach the 10,000 milestone next season.

DEAN MAGEE

Dean has announced his retirement and finishes his outstanding career on 7964 runs (and 25 wickets) which leaves him at number 5 on the all time list.

GEOFF SPOTSWOOD

Spotty continues in second place not far behind Mark with 9431 runs as well as taking 426 wickets. Truly amazing.

AARON BIRD

Birdie has now passed the 300 mark (306) for 1st grade wickets

JARRAD BURKE

Jarrad has passed the 100 1st grade wicket mark (106) in his 3rd season with us and this year was the leading wicket taker in the SCA 1st grade competition. His century in the last round meant he has scored at least one in each of his last eight years in 1st grade.

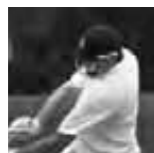

DANIEL MOY

Daniel came back for the last few games to assist by adding some experience to the lower grades and was rewarded by taking his tally in lower grades to 5044 which gives him honour board status. His three wickets also took him past the 100 mark.

MITCHELL BAKER and MARK MORLEY

These lads set a new record of 241 for the 2nd wicket partnership in 3rd grade scoring 181 and 92 respectively and in so doing beat the previous record of 192 which has stood since 1983.

AARON BIRD and CHRIS SMALL

Aaron and Chris set a new record of 213 for the 7th wicket partnership in 1st grade scoring 116 and 112 respectively and in so doing beat the previous record from 2007.
